The Commonwealth of Massachusetts

An Act promoting radon testing.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Notwithstanding any general or special law, rule or regulation to the contrary, the department of public health shall promulgate regulations to require that all child care programs, as licensed or authorized by the department of early education and care, and public schools undergo routine radon testing. Testing schedules, documentation of testing, standards for acceptable radon levels and plans for mitigation of unacceptable levels of radon shall be determined, and made public, by the department of public health within 1 year of the enactment of this bill.
