Re: Complaint Based Re-Inspection, Plan of Correction - Reply – Souza-Baranowski Correctional Center, Shirley

Dear Superintendent Zoldak:

The Massachusetts Department of Public Health, (DPH) Community Sanitation Program (CSP) has received your Plan of Correction (POC) in response to a complaint-based unannounced re-inspection on March 19, 2024. After review, the CSP finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. The CSP appreciates the updated information in regard to the additional pest control boxes that were placed in the kitchen by an outside vendor on 4-5-24, however please indicate if the area has been swept, cleaned and disinfected since 2-13-24.
2. In the area between the serving lines, please indicate if the food debris on the countertop and under boxes of Styrofoam trays has been cleaned since 2-13-24.
3. The gaskets on the Traulsen #2 warmer on South Side Serving were still damaged during the re-inspection on 3-19-24, your POC indicates the packing unit was tightened on 3-26-24, please indicate if the gaskets have been replaced.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Amy Riordan, MPH  
 Senior Advisor, CSP, BCEH
