HOUSE No.

By Representative Day of Stoneham (by request), a petition (subject to Joint Rule 12) of Vincent L. Dixon relative to the uniform sales tax. Revenue.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act relative to the uniform sales tax.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The Massachusetts General Laws are hereby amended by inserting the
2 following new chapter:

3 1.) An Act to improve the fairness of sales tax collections, and revenue sources of The
4 Commonwealth of Massachusetts.

5 2.) All Lottery Tickets sold by the Massachusetts State Lottery, and/or in multi-state
6 agreement, in relation to other Lottery Pools, shall have normal sales taxes applied to the
7 transactions, as would be the case with other goods and services, in The Commonwealth of
8 Massachusetts.

9 3.) These provisions, are adopted, for the purposes of consistency, of commercial
10 transactions across the Commonwealth. They also recognize that there exists some degree of
11 inequality, and unfairness, if significant retail transactions, do not collect uniform sales tax
12 revenue, at the point of sale, and/or other transaction.

13 4.) In the context, of significant, and substantial reductions in funding, in the event of
14 public emergencies, and in the reality of successful state lottery operations, there is no longer a
15 need to provide promotional advantage, or incentive, to a discretionary commercial activity, that
16 is an established part of the economy.

17 5.) It is in the interests of public policy, that a discretionary activity, that is effectively, of
18 some economically regressive aspect, not receive any preferential public government advantage.
