To: The Honorable Senate and  
House of Representatives

On March 23, 2023 the Clerk of the House of Representatives transmitted the above-referenced petition to me with a request for a memorandum pursuant to the provisions of General Laws Chapter 3 § 7.

The docket before you seeks to establish the Massachusetts Municipal and Public Safety Building Authority, a body politic and corporate and a public instrumentality (hereinafter “the Corporation”). If enacted, the Corporation will be an independent public authority not subject to the supervision and control of any other executive office, department, commission, board, bureau, agency or political subdivision of the commonwealth except as specifically provided in any general or special law. The Corporation shall establish general policy and review standards regarding municipal building and public safety facility construction, renovation, maintenance and facility space, and administer, oversee and manage the municipal and public safety building assistance program.

Special legislation is necessary to create this corporation. This office has no opinion on the merits of the proposed docket. No fee is required to be paid the Commonwealth by a corporation of this type.

Respectfully submitted,

William Francis Galvin  
Secretary of the Commonwealth
