HOUSE No. 3900

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act making appropriations for the fiscal year 2024 for the maintenance of the departments, boards, commissions, institutions, and certain activities of the Commonwealth, for interest, sinking fund, and serial bond requirements, and for certain permanent improvements.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is immediately to make appropriations for the fiscal year beginning July 1, 2023, and to make certain changes in law, each of which is immediately necessary or appropriate to effectuate said appropriations or for other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for the operations of the several departments, boards, commissions and institutions of the commonwealth and other services of the commonwealth and for certain permanent improvements and to meet certain requirements of law, the sums set forth in this act, for the several purposes and subject to the conditions specified, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to the provisions of law regulating the disbursement of public funds and the approval thereof for the fiscal year ending June 30, 2024. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and persons with a disability. All officials and employees of an agency, board, department, commission or division receiving funds under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government and in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission and division of the commonwealth, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all other terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2024 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for said fiscal year as set forth and authorized in this act. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section, and include a full statement comparing such actual and projected receipts in the annual report for said fiscal year pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

Chapter 70 aid for fiscal year 2024 shall be the greater of: (i) foundation aid, or (ii) the sum of base aid and minimum aid. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, however, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or independent agricultural and technical school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

1 **SECTION 4.** Chapter 10 of the General Laws is hereby amended by striking out section
2 24, as appearing in the 2020 Official Edition, and inserting in place thereof the following
3 section:-

4 Section 24. (a) The commission is hereby authorized to conduct a state lottery and shall
5 determine: (i) the types of lotteries to be conducted; (ii) the prices of tickets or shares in the
6 lottery; (iii) the number and sizes of the prizes on the winning tickets or shares; (iv) the manner
7 of selecting the winning tickets or shares; (v) the manner of payment of prizes to the holders of
8 winning tickets or shares; (vi) the frequency of the drawings or selections of winning tickets or
9 shares; (vii) the types of locations at which tickets or shares may be sold; (viii) the method to be
10 used in selling tickets or shares; (ix) the licensing of agents to sell tickets or shares; provided,
11 however, that no person under the age of 18 shall be licensed as an agent; (x) the manner and
12 amount of compensation, if any, to be paid to licensed sales agents; provided, however, that the
13 amount of compensation, if any, to be paid to licensed sales agents as a commission pursuant to
14 this section shall be calculated on the total face value of each ticket or share sold and not on any
15 discounted price of any such ticket or share sold; provided, however, that no tickets or shares
16 shall be sold, offered for sale or purchased from a licensed sales agent or the lottery commission
17 by telephone call; provided further, that said telephone calls for sales, offers for sale or purchase
18 shall not govern the transmittal of lottery information and sales through telephone services solely
19 between the lottery commission and its duly licensed sales agents; provided further, that the
20 commission shall authorize licensed sales agents to facilitate point of sale transactions using a
21 debit card; and provided further, that said commission shall prohibit point of sale transactions
22 using credit cards as defined in section 1 of chapter 140D and that point of sale transactions
23 under this section shall be subject to the restrictions pursuant to subsection (b) of section 5I of
24 chapter 18; and (xi) such other matters necessary or desirable for the efficient and economical
25 operation and administration of the lottery and for the convenience of the purchasers of tickets or
26 shares and the holders of winning tickets or shares. The commission may operate the daily
27 numbers game 7 days a week. Each physical state lottery ticket or share shall have imprinted
28 thereon the state seal and a serial number.

29 (b) The commission may establish, and from time to time revise, such rules and
30 regulations as it deems necessary or desirable and shall file the same with the office of the state
31 secretary; provided, however, that the commission shall establish rules and regulations for
32 lotteries conducted online, over the internet, through the use of a mobile application or through
33 any other means that shall, at a minimum:

34 (i) require age verification measures reasonably designed to block access to and prevent
35 sales of lottery tickets, games or shares online, over the internet, through the use of a mobile
36 application or through any other means to persons under the age of 18;

37 (ii) limit sales of lottery tickets, games or shares online, over the internet, through the use
38 of a mobile application or through any other means to transactions initiated and received, or
39 otherwise made, within the commonwealth;

40 (iii) allow any player to voluntarily prohibit or otherwise exclude themselves from
41 purchasing a lottery ticket, game or share online, over the internet, through the use of a mobile
42 application or through any other means;

43 (iv) establish maximum limits for account deposits and transactions of lottery tickets,
44 games or shares conducted online, over the internet, through the use of a mobile application or
45 through any other means and allow players to reduce their own deposit or transaction limit at any
46 time;

47 (v) clarify that money in a lottery account belongs solely to the owner of the account and
48 may be withdrawn by the owner at any time;

49 (vi) require the commission to implement promotional activities to encourage the
50 purchase of lottery tickets, games or shares through licensed sales agents, including, but not
51 limited to, the sale of prepaid gift cards for lottery sales through licensed sales agents; and

52 (vii) require within any online system a search function to find nearby licensed sales
53 agents offering lottery sales at brick and mortar retail stores in the commonwealth.

54 (c) Notwithstanding any general or special law to the contrary, the name, address,
55 transaction history, account balance or other personal or identifying information of an individual
56 who purchases lottery tickets, games or shares online, over the internet, through the use of a
57 mobile application or through any other means shall not be deemed public records of the
58 commission for the purposes of section 10 of chapter 66; provided, however, that this section
59 shall not prohibit the commission from maintaining, using or sharing such information in the
60 course of an investigation by law enforcement or in compliance with sections 28A or 28B.

61 (d) The commission shall advise and make recommendations to the director regarding the
62 operation and administration of the lottery. The commission shall report monthly to the
63 governor, the attorney general and the general court, the total lottery revenues, prize
64 disbursements and other expenses for the preceding month and shall make an annual
65 independently audited financial report to the same which shall include a full and complete
66 statement of lottery revenues, prize disbursements and other expenses, including such
67 recommendations as it may deem necessary or advisable, which shall be made available
68 electronically to the general public not later than the earliest date established for reports in
69 section 12 of chapter 7A. The commission shall report immediately to the governor and the
70 general court any matters which require immediate changes in the laws of the commonwealth to
71 prevent abuses and evasions of the lottery law or rules and regulations promulgated thereunder or
72 to rectify undesirable conditions in connection with the administration or operation of the state
73 lottery.

74 (e) The commission may carry on a continuous study and investigation of the lottery
75 throughout the commonwealth in order to: (i) ascertain any defects in the state lottery law or in
76 the rules and regulations promulgated thereunder whereby any abuse in the administration and
77 operation of the lottery or any evasion of said law or said rules and regulations may arise or be
78 practiced; (ii) formulate recommendations for changes in said law and the rules and regulations

79 promulgated thereunder to prevent such abuses and evasions; and (iii) guard against the use of
80 said law and rules and regulations promulgated thereunder as a cloak for the carrying on of
81 organized gambling and crime.

82 (f) The commission shall make a continuous study and investigation of: (i) the operation
83 and administration of similar laws in other states or countries; (ii) any literature on the subject
84 which from time to time may be published or available; (iii) any federal laws which may affect
85 the operation of the lottery; and (iv) the reaction of citizens of the commonwealth to existing and
86 potential features of the lottery with a view to recommending or effecting changes that will tend
87 to better serve and implement the purposes of the state lottery law.

88 (g)(i) There is hereby established within the commission a lottery advisory board. The
89 lottery advisory board shall be comprised of the following members: the director of the lottery
90 commission, or their designee; a representative from the New England Convenience Stores and
91 Energy Marketers Association, Inc.; a representative from the Retailers Association of
92 Massachusetts, Inc.; a representative operating as a licensed sales agent in a brick and mortar
93 retail store in the commonwealth; a representative of the Massachusetts Restaurant Association,
94 Inc.; a representative of an online lottery platform providing services in a nearby state; and a
95 representative from the Massachusetts Council on Gaming and Health, Inc.

96 (ii) The lottery advisory board shall advise and assist the commission in the development
97 and implementation of the lottery system comprised of traditional brick and mortar lotteries,
98 lotteries conducted online, over the internet and through the use of mobile phone applications.
99 The board shall review all processing fees associated with point of sale transactions using debit
100 cards and make recommendations on said processing fees and the implementation of the use of
101 debit cards.

102 (iii) The lottery advisory board shall meet monthly to advise and assist the commission in
103 lottery modernization and to review actions taken by the commission with respect to online
104 lottery development and implementation and to make advisory recommendations, as necessary.
105 Annually, at the first meeting of the advisory board, members of the advisory board shall elect a
106 chair. A majority of members of the advisory board shall be present for actions to be taken.

107 (h) The concurrence of the chair and not less than 2 other members of the commission
108 shall be required for all official actions of the commission. A copy of the minutes of each
109 meeting of the commission, including any rules and regulations adopted by the commission or
110 any amendments thereof, shall be forthwith transmitted, by and under the certification of the
111 secretary thereof, to the governor.

112 (i) The commission shall have the power to issue subpoenas to compel the attendance of
113 witnesses and the production of documents, papers, books, records and other evidence before it
114 in any matter over which it has jurisdiction, control or supervision. The commission shall have
115 the power to administer oaths and affirmations to persons whose testimony is required.

116 **SECTION 5.** Section 24A of said chapter 10, as so appearing, is hereby amended by
117 striking out subsection (a) and inserting in place thereof the following subsection:-

118 (a) For the purposes of this section, “group agreement” shall mean any lottery activity in
119 which the commission participates pursuant to a written agreement between the commission, on
120 behalf of the commonwealth, and any state, territory, country or other sovereignty. The
121 commission may enter into agreements with 1 or more states or other jurisdictions, hereinafter
122 referred to as a group, for the purpose of creating and maintaining multi-jurisdictional lottery
123 games, including multi-jurisdictional lottery games to be conducted online, over the internet,
124 through the use of a mobile application or through any other means; provided, that any such
125 lottery game to be conducted online, over the internet, through the use of a mobile application or
126 through any other means has been properly authorized by each state or other jurisdiction that is
127 part of the group; provided further, that a group agreement shall not include the state lottery
128 games created pursuant to section 24; and provided further, that nothing in this section and
129 nothing in any group agreement shall authorize the commission to make expenditures that are not
130 consistent with restrictions on expenditures by the commission provided for in any other general
131 or special law. The group agreement shall determine the types of lotteries to be conducted, the
132 prices of tickets or shares, the manner of selecting the winning tickets or shares, the manner of
133 payment of prizes to the holders of winning tickets or shares and the frequency of the drawings
134 or selection of winning tickets or shares. The commission may establish, and from time to time
135 revise, such rules and regulations as it deems necessary or desirable to carry out the group
136 agreement and shall file the same with the office of the state secretary.

137 **SECTION 6.** Said chapter 10 is hereby further amended by striking out section 25, as so
138 appearing, and inserting in place thereof the following section:-

139 Section 25. (a) The apportionment of the total revenues accruing from the sale of lottery
140 tickets or shares and from all other sources at the point of sale shall be as follows: (i) the

142 than 45 per cent of the total revenues accruing from the sale of lottery tickets; (ii) the payment of
143 costs incurred in the operation and administration of the lottery, including the expenses of the
144 commission and the costs resulting from any contract entered into for promotional, advertising or
145 operational services or for the purchase or lease of lottery equipment and materials, which in no
146 case shall exceed 15 per cent of the total revenues accruing from the sale of lottery tickets,
147 subject to appropriation; and (iii) the balance shall be used to fund budgeted aid to cities and
148 towns as provided in section 18C of chapter 58, subject to appropriation.

149 (b) The apportionment of the total revenues accruing from the sale of lotteries conducted
150 online, over the internet, through the use of a mobile application or through any other means as
151 authorized by section 24 shall be as follows: (i) the payment of prizes to the holders of winning
152 tickets or shares; (ii) the payment of costs incurred in the operation and administration of such
153 lotteries, including the expenses of the commission and the costs resulting from any contract

156 accruing from the sale of lottery tickets, subject to appropriation; and (iii) the balance shall be
157 used to fund the Early Education and Care Operational Grant Fund established in section 19 of
158 chapter 15D.
