17 CHARTER OF THE TOWN OF SWAMPSCOTT

18 PREAMBLE. We, the people of the town of Swampscott, not unmindful of the practical
19 necessity of delegating to a duly constituted general court the power to act on behalf of all the
20 inhabitants of the commonwealth in matters which transcend the boundaries of a single town but
21 firmly believing that the best government is that which is most directly that of the people
22 themselves, of which belief we recognize Article LXXXIX of the Amendments to the
23 Constitution of the Commonwealth to be an expression, do hereby adopt and establish this
24 charter of the town of Swampscott.

25 Chapter 1

26 INTRODUCTION

27 Section 1-1. Pursuant to the Article LXXXIX of the Constitution of the Commonwealth
28 and chapter 43B of the General Laws, the town of Swampscott adopts this charter.

29 Section 1-2. The effective date of this charter shall be July 1, 1969.

30 Chapter 2

31 TOWN MEETING

32 Section 2-1. Precincts. The existing precinct boundaries of the town shall be reviewed
33 and, if necessary, wholly or partly revised by the selectmen in October 1969, and once in every
34 10 years thereafter or in October of any year when so directed by a vote of a representative town
35 meeting held not later than September 20 of that year or otherwise as required by law so that
36 there shall be precincts, of compact and contiguous territory, bounded as far as possible by the
37 center line of known streets and ways or by other well-defined limits and containing
38 approximately an equal number of persons.

39 The board of selectmen shall, within 10 days after any revision of the precincts, file a
40 report of their doings with the town clerk, the board of registrar of voters and the board of
41 assessors with a description of the precincts and the names and residences of the voters therein
42 and shall post in the town hall such description, names and residences. Any revision of those
43 precincts shall take effect upon the date of the filing of the report therefor with the board of
44 registrar of voters or otherwise as required by law. Whenever the precincts are revised, the board
45 of registrar of voters shall give written notice thereof to the state secretary. Meetings of the
46 voters of the several precincts for elections, for primaries and for voting upon any question to be
47 submitted to all of the voters of the town shall be held on the day, at the hour and at such places
48 within the town as the selectmen shall direct in the warrant for the meeting.

49 Section 2-2. Precincts; Revision. If the precinct boundaries are wholly or partly revised
50 by the board of selectmen, the voters in each precinct shall, at the first town election following
51 any further precinct revisions, conformably to the laws relative to elections, elect by ballot 54
52 voters in the precinct to be town meeting members. The first 18 in the order of votes received
53 shall serve for 3 years, the second 18 shall serve for 2 years and the remaining 18 shall serve for
54 1 year from the date of the annual town meeting. In case of a tie vote affecting the division into

55 thirds, the members from the precinct determine the same by ballot. Except as otherwise
56 provided herein, if the precinct boundaries are not revised, at each annual town election, the
57 voters of each precinct shall elect 18 town meeting members for a term of 3 years and shall, at
58 such election, fill each vacancy for the unexpired term then existing. Upon every revision of the
59 precincts, the terms of office of all town meeting members shall cease upon the qualification of
60 their successors who shall be elected at the annual town election held after such revision. The
61 town clerk shall, after every election of town meeting members, forthwith notify each member
62 by mail of that member's election. Each town meeting member shall be sworn to the faithful and
63 impartial performance of duties of the office of town meeting member but failure to comply with
64 this requirement shall not affect the validity of any action taken at any town meeting. The town
65 meeting members shall be the judges of the election and qualification of their members.

66 Section 2-3. Warrants; Notice; Quorum. The articles for the warrant for each town
67 meeting, so far as they relate to the election of the moderator, town officers and town meeting
68 members, and as herein provided, to referenda, and all matters to be acted upon and determined
69 by ballot shall be so acted upon and determined by the voters of the town in their respective
70 precincts. All other articles in the warrant for each town meeting shall be acted upon and
71 determined exclusively by town meeting members. The annual town meeting shall meet on the
72 third Monday of May each year and at such other times and places as shall be set forth by the
73 selectmen in the warrant for the meeting. The board of selectmen may convene a special town
74 meeting, subject to section 10 of chapter 39 of the General Laws. A special town meeting may
75 also convene upon petition in accordance with section 12 of said chapter 39. The town clerk shall
76 notify the town meeting members of the time and place at which representative town meetings
77 are to be held which shall be sent by mail at least 7 days before any town meeting. A majority of

78 the town meeting members shall constitute a quorum for doing business but a lesser number may
79 organize temporarily for the purposes of adjourning such meeting to a time, date and place
80 certain. All town meetings shall be open to the public. The town meeting members shall receive
81 no compensation for service as town meeting members. Subject to such conditions as may be
82 determined from time to time by the town meeting members, any voter of the town who is not a
83 town meeting member may speak at any town meeting but shall not vote.

84 Section 2-4. moderator. A moderator shall be elected by ballot at each annual town
85 meeting and shall serve as moderator of all town meetings, except as otherwise provided by law,
86 until a successor is elected and qualified. If a moderator is absent, a moderator pro tempore may
87 be elected by the town meeting members in accordance with section 14 of chapter 39 of the
88 General Laws.

89 Section 2-5. members; Resignation. A town meeting member may resign by filing a
90 written resignation with the town clerk and such resignation shall take effect on the date of filing.
91 A town meeting member who moves out of the town shall cease to be a town meeting member
92 and a town meeting member who moves to another precinct may serve only until the next annual
93 town meeting. Any vacancy in town meeting membership caused by the resignation of a town
94 meeting member shall be filled by offering the position to the person getting the next highest
95 number of votes at the last election. If there is a tie, then the process to fill the vacancy shall be
96 by lottery. If the person who to the highest vote declines appointment, then the vacancy shall be
97 offered to the person who got the next highest vote or, if a lottery shall be held and if that person
98 declines or if there is no list of persons who got the next highest vote, then the vacancy shall be
99 filled by the precinct caucus, by ballot, by a majority of those present and voting for the
100 unexpired term. Upon written acceptance by a person so chosen, that person shall be deemed

101 elected, subject to the right of all town meeting members to judge the election and qualifications
102 of the members as set forth in this section this chapter.

103 Section 2-5A. members; Removal. A town meeting member who has missed 3
104 consecutive sessions of any town meeting may be removed by a 2/3 vote of the town meeting
105 members of that precinct that are present and voting at a meeting convened for that purpose.

106 Section 2-6. Votes; Petition. No affirmative vote, except a vote to adjourn or authorize
107 the borrowing of money in anticipation of receipt of taxes for the current year, passed at any
108 representative town meeting, shall be operative until after the expiration of 5 days from the date
109 on which the possibility of reconsideration of such vote has expired or become exhausted. If,
110 within such 5 days a petition, signed by not less than 5 per cent of the voters of the town,
111 containing their names and addresses as they appear on the list of voters, is filed with the
112 selectmen and asking that any questions involved in such vote be submitted to the voters of the
113 town, the selectmen shall forthwith call a special election for the purpose of presenting any such
114 question to the voters. The hours of voting shall be the same as at the previous annual town
115 election and all other election laws shall be applicable to that special election.

116 The question shall be stated upon the ballot in substantially the same language and form
117 in which it was stated to the representative town meeting by the moderator as it appears from the
118 records of the meeting in a form similar to the following:

119 “Shall this town vote to approve the action of the representative town meeting whereby it
120 was voted on [insert date of meeting] to [insert full text of action taken by town meeting in the
121 form in which it was stated to the town meeting by the moderator?]

122 Notwithstanding the preceding sentence, however, if the action taken by the
123 representative town meeting would exceed more than 2 paragraphs of text on the ballot, the
124 board of selectmen may direct town counsel to prepare a fair and concise description of the
125 action to be included on the ballot and the full text shall be posted on the town's official bulletin
126 board and on the town's official website.

127 Section 2-7. Finance committee. The moderator shall appoint a finance committee
128 consisting of 1 voter from each precinct and 3 additional voters at large who shall serve for three
129 (3) year terms; provided, however, that not more than 2 voters from any 1 precinct shall serve at
130 the same time on the finance committee. Matters referred to this committee shall be include all
131 questions pertaining to the appropriation or expenditure of money, the creation of debt, the
132 disposition of town property and all other questions affecting the town, for the purpose of
133 making recommendations, but this shall not prohibit the appointment of special committees to
134 investigate matters pertaining to the town or to execute work authorized by it. The finance
135 committee shall may consult with all departments, officers, employees, agents or committees of
136 the town and all such departments, officers, employees, agents and committees shall furnish such
137 information as they possess that may be required by the finance committee. The finance
138 committee may also examine all books, vouchers, papers and other instruments in the custody or
139 possession of any officer, employee, agent or committee of the town.

140 Section 2-8. Powers. The town shall have the capacity to act through and be bound by its
141 town meeting members who shall, when convened from time to time as herein provided,
142 constitute representative town meetings and such representative town meetings shall exercise
143 exclusively all powers vested in the town. Action in conformity with all laws now or hereafter
144 applicable to the transaction of town affairs in town meetings shall, when taken by any

145 representative town meeting in accordance with this charter, have the same force and effect as if
146 such action had been taken in a town meeting open to all the voters of the town.

147 Section 2-9. Capital Improvements committee.

148 (a) There shall be a capital improvement committee to be appointed by the moderator
149 which shall consist of 5 registered voters for alternating 3 years each, beginning on the first day

155 shall forthwith cease to be a member of the committee. The committee shall choose its own
156 officers.

157 (b) The committee shall study articles for proposed capital projects and
158 improvements involving major nonrecurring tangible assets and projects which: (i) are purchased

160 (iii) cost over \$20,000.00. All officers, boards, departments and committees, including the board
161 of selectmen and school committee shall, by December 31 of each year, give to the committee,
162 on forms prepared by it, information concerning all anticipated projects requiring town meeting
163 action during the ensuing 6 years, including all capital improvement article requests for the
164 annual town meeting. The committee shall consider the relative need, impact, timing and cost of
165 these expenditures and the effect each will have on the financial position of the town.

166 (c) No appropriation shall be voted by town meeting for a capital improvement
167 requested by a department, board or commission unless the proposed capital improvement has
168 been submitted to the committee for consideration. The committee shall report its findings to the
169 finance committee as part of the finance committee's budget deliberations.

170 (d) The committee shall prepare an annual report recommending a capital
171 improvement budget for the next fiscal year and a capital improvement program, including
172 recommended capital improvements for the following 5 fiscal years. The report shall be
173 submitted to the town meeting for its consideration and approval. The board shall submit its
174 approved capital budget to the annual town meeting for adoption by the town or take any action
175 relative thereto.
