An Act establishing a sick leave bank for Jodi Paris Anastos, an employee of the Operational Services Division.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to establish forthwith a sick leave bank for a certain employee of the operational services division, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Notwithstanding any general or special law to the contrary, the operational services  
2           division shall establish a sick leave bank for Jodi Paris Anastos, an employee of the division.  
3           Any employee of the office may voluntarily contribute 1 or more sick, personal or vacation days  
4           to the sick leave bank for use by Jodi Paris Anastos. If Jodi Paris Anastos terminates  
5           employment with the division or requests to dissolve the sick leave bank, any remaining time in  
6           the sick leave bank shall be transferred to the extended illness leave bank. Sick leave bank days  
7           shall not be used for absences unrelated to the illness or disability that necessitated the  
8           establishment of the sick leave bank as determined by the division.
