OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE · BOSTON, MA 02133

KARYN POLITO
LIEUTENANT GOVERNOR

July 29, 2022

To the Honorable Senate and House of Representatives,

Pursuant to the provisions of Article II, Section 8, Paragraph 1, Clause (2) of the Amendments to the Constitution, as appearing in Article LXXXIX of said Amendments, I am filing for your consideration the attached legislation entitled “An Act Relative to Certain Land in the Town of Winchester.”

I am filing this special legislation at the request of the Winchester Select Board.

This bill authorizes the Town to transfer a 4 acre parcel of Town land to the control of the Winchester School Committee in order to facilitate completion of a major elementary school construction project. The transfer was approved by Town Meeting vote on April 25, 2022. Counsel for the Town has very recently determined that, contrary to the Town’s previous understanding, the parcel may be subject to article 97 protections, which would mean that the transfer requires approval by a two-thirds roll call vote of the Legislature.

The Town seeks to secure the Legislature’s roll call approval for this transfer before the July 31 close of formal sessions in order to ensure that the project can comply with upcoming grant deadlines to secure funding from the Massachusetts School Building Association (MSBA). The Town has explained that failure to secure approval for the transfer and the MSBA funding will put the long planned project in jeopardy.

I urge your prompt consideration of this bill on the expedited timeframe the Town has requested.

Respectfully submitted,

Charles D. Baker,
Governor

The Commonwealth of Massachusetts
