Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 150A of Chapter 111 of the General Laws, as appearing in the 2006

3 No site in any city or town shall be assigned as a site or the expansion of an existing site
4 for a facility for the combustion, incineration, thermal conversion, or gasification of municipal
5 solid waste or construction and demolition debris, or a resource recovery facility, which is rated
6 by the department at more than one ton of refuse per hour.

7 The department shall not grant a permit for a facility or the expansion of an existing
8 facility for the combustion, incineration, thermal conversion, or gasification of municipal solid

15 maximum practicable extent, a short and long-range plan for reduction of the per capita
16 generation of solid waste throughout the commonwealth, the solid waste programs and facilities

17 which the department determines to be necessary or convenient to promote the reduction of
18 waste generation and to increase recycling of solid waste in a manner which protects the public
19 health, safety and environment and is financially sound, and the funding for the development of
20 such facilities and programs which the department finds to be reasonable necessary to
21 accomplish said purposes.

22 SECTION 3. This act shall take effect upon its passage.
