335 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
336 correction for not less than 2 weeks but not more than 2 years or fined not less than \$20 but not
337 more than \$200, or both.

338 (3) Upon a conviction under this subsection the registrar shall, unless the court or
339 magistrate recommends otherwise, suspend the license or right to operate as follows:

340 (a) First offense: 60 days

341 (b) Subsequent offense within 3 years: 1 year

342 No appeal or motion for a new trial shall stay the suspension of the license or right to
343 operate provided; however, that if the prosecution against such person has terminated in his
344 favor, the registrar shall immediately reinstate his license or right to operate.

345 (4) Upon a conviction of this subsection, if it appears by the records of the registrar
346 that the person convicted is the owner of a motor vehicle or has exclusive control of any motor
347 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
348 registration of any or all motor vehicles owned or exclusively controlled by the person.

349 (5) Upon a disposition under this section the court shall assess a \$250 fee to the
350 person. The court shall deposit \$187.50 of the \$250 collected under this assessment into the
351 Head Injury Treatment Services Trust Fund. The remaining \$62.50 shall be deposited into the
352 General Fund. The assessment shall not be subject to reduction or waiver by the court for any
353 reason.

354 A summons may be issued instead of a warrant for arrest upon a complaint for a violation
355 of this section if there is reason to believe the defendant will appear before the court.

356 Chapter 90, § 24B (5) – Cell phone use by public transportation operator while operating
357 causing injury to another person

358 (1) No operator of a vehicle or vessel used in public transportation, including a train,
359 passenger bus, school bus or other vehicle used to transport pupils, passenger ferry boat, water
360 shuttle or other equipment used in public transportation owned by, or operated under the
361 authority of the Massachusetts Bay Transportation Authority, the Woods Hole, Martha’s
362 Vineyard and Nantucket Steamship Authority, Massachusetts Port Authority, or the
363 Massachusetts Department of Transportation, shall use a mobile telephone, hands-free mobile
364 telephone or other mobile electronic device while operating such vehicle or vessel shall operate a
365 motor vehicle while using a mobile phone or any other handheld device capable of accessing the
366 internet, to manually compose, send or receive an electronic message on any public way
367 negligently so that the lives or safety of the public might be endangered and proximately cause
368 injury to any other person.

369 This subsection shall not apply to the operator of a vehicle or vessel used in public
370 transportation using a mobile telephone, hands-free mobile telephone or mobile electronic device
371 in the performance of the operator’s official duties.

372 In order for the use of any such device to be made “in the performance of the operator’s
373 official duties,” such use must have been made in conformance with applicable written
374 guidelines issued by a public entity listed in this paragraph relative to circumstances when
375 operators are permitted to use said devices in the performance of their official duties or pursuant
376 to directives from federal authorities having regulatory jurisdiction over such public entity’s
377 operations.

378 It shall be an affirmative defense for an operator under this section to produce evidence
379 that the use of a mobile telephone that is the basis of the alleged violation was in the case of an
380 emergency. For the purpose of this paragraph, an emergency shall mean that the operator needed
381 to communicate with another to report any of the following: (1) that the vehicle or vessel was
382 disabled; (2) that medical attention or assistance was required on the vehicle or vessel; (3) that
383 police intervention, fire department or other emergency services was necessary for the personal
384 safety of a passenger or to otherwise ensure the safety of the passengers; or (4) that a disabled
385 vehicle or an accident was present on a roadway.

386 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
387 correction for not less than 2 weeks but not more than 2 years or fined not less than \$20 but not
388 more than \$200, or both.

389 (3) Upon a conviction under this subsection the registrar shall, unless the court or
390 magistrate recommends otherwise, suspend the license or right to operate as follows:

391 (a) First offense: 60 days

392 (b) Subsequent offense within 3 years: 1 year

393 No appeal or motion for a new trial shall stay the suspension of the license or right to
394 operate provided; however, that if the prosecution against such person has terminated in his
395 favor, the registrar shall immediately reinstate his license or right to operate.

396 (4) Upon a conviction of this subsection, if it appears by the records of the registrar
397 that the person convicted is the owner of a motor vehicle or has exclusive control of any motor

398 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
399 registration of any or all motor vehicles owned or exclusively controlled by the person.

400 (5) Upon a disposition under this section the court shall assess a \$250 fee to the
401 person. The court shall deposit \$187.50 of the \$250 collected under this assessment into the
402 Head Injury Treatment Services Trust Fund. The remaining \$62.50 shall be deposited into the
403 General Fund. The assessment shall not be subject to reduction or waiver by the court for any
404 reason.

405 A summons may be issued instead of a warrant for arrest upon a complaint for a violation
406 of this section if there is reason to believe the defendant will appear before the court.

407 Chapter 90, § 24B (6) – Cell phone use by a person under 18 years of age while operating
408 causing injury to a vehicle or property

409 (1) No person under 18 years of age shall operate a motor vehicle while using a
410 mobile phone or any other handheld device capable of accessing the internet, to manually
411 compose, send or receive an electronic message on any public way negligently so that the lives
412 or safety of the public might be endangered and proximately cause injury to a vehicle or
413 property.

414 For the purposes of this section, an operator shall not be considered to be operating a
415 motor vehicle if the vehicle is stationary and not located in a part of a public way intended for
416 travel.

417 It shall be an affirmative defense for an operator to produce evidence that the use of a
418 mobile telephone, hands-free mobile telephone or mobile electronic device that is the basis of the

419 alleged violation was for emergency purposes. For the purpose of this section, an emergency
420 shall mean that the junior operator used the hands-free mobile telephone or mobile electronic
421 device to communicate with another to report any of the following: (i) that the motor vehicle was
422 disabled; (ii) that medical attention or assistance was required; (iii) that police intervention, fire
423 department or other emergency service was necessary for the personal safety of the operator or a
424 passenger; or (iv) that a disabled vehicle or an accident was present in the public way.

425 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
426 correction for not less than 2 weeks but not more than 2 years or fined not less than \$20 but not
427 more than \$200, or both.

428 (3) Upon a conviction under this subsection the registrar shall, unless the court or
429 magistrate recommends otherwise, suspend the license or right to operate as follows:

430 (a) First offense: 60 days

431 (b) Subsequent offense within 3 years: 1 year

432 No appeal or motion for a new trial shall stay the suspension of the license or right to
433 operate provided; however, that if the prosecution against such person has terminated in his
434 favor, the registrar shall immediately reinstate his license or right to operate.

435 (4) Upon a conviction of this subsection, if it appears by the records of the registrar
436 that the person convicted is the owner of a motor vehicle or has exclusive control of any motor
437 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
438 registration of any or all motor vehicles owned or exclusively controlled by the person.

439 (5) Upon a disposition under this section the court shall assess a \$250 fee to the
440 person. The court shall deposit \$187.50 of the \$250 collected under this assessment into the
441 Head Injury Treatment Services Trust Fund. The remaining \$62.50 shall be deposited into the
442 General Fund. The assessment shall not be subject to reduction or waiver by the court for any
443 reason.

444 A summons may be issued instead of a warrant for arrest upon a complaint for a violation
445 of this section if there is reason to believe the defendant will appear before the court.

446 Chapter 90, § 24B (7) – Cell phone by a person under 18 years of age use while operating
447 causing injury to another person

448 (1) No person under 18 years of age shall operate a motor vehicle while using a
449 mobile phone or any other handheld device capable of accessing the internet, to manually
450 compose, send or receive an electronic message on any public way negligently so that the lives
451 or safety of the public might be endangered and proximately cause injury to any other person.

452 For the purposes of this section, an operator shall not be considered to be operating a
453 motor vehicle if the vehicle is stationary and not located in a part of a public way intended for
454 travel.

455 It shall be an affirmative defense for a junior operator to produce evidence that the use of
456 a mobile telephone, hands-free mobile telephone or mobile electronic device that is the basis of
457 the alleged violation was for emergency purposes. For the purpose of this section, an emergency
458 shall mean that the junior operator used the hands-free mobile telephone or mobile electronic
459 device to communicate with another to report any of the following: (i) that the motor vehicle was
460 disabled; (ii) that medical attention or assistance was required; (iii) that police intervention, fire

461 department or other emergency service was necessary for the personal safety of the operator or a
462 passenger; or (iv) that a disabled vehicle or an accident was present in the public way.

463 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
464 correction for not less than 2 weeks but not more than 2 years or fined not less than \$20 but not
465 more than \$200, or both.

466 (3) Upon a conviction under this subsection the registrar shall, unless the court or
467 magistrate recommends otherwise, suspend the license or right to operate as follows:

468 (a) First offense: 60 days

469 (b) Subsequent offense within 3 years: 1 year

470 No appeal or motion for a new trial shall stay the suspension of the license or right to
471 operate provided; however, that if the prosecution against such person has terminated in his
472 favor, the registrar shall immediately reinstate his license or right to operate.

473 (4) Upon a conviction of this subsection, if it appears by the records of the registrar
474 that the person convicted is the owner of a motor vehicle or has exclusive control of any motor
475 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
476 registration of any or all motor vehicles owned or exclusively controlled by the person.

477 (5) Upon a disposition under this section the court shall assess a \$250 fee to the
478 person. The court shall deposit \$187.50 of the \$250 collected under this assessment into the
479 Head Injury Treatment Services Trust Fund. The remaining \$62.50 shall be deposited into the
480 General Fund. The assessment shall not be subject to reduction or waiver by the court for any
481 reason.

482 A summons may be issued instead of a warrant for arrest upon a complaint for a violation
483 of this section if there is reason to believe the defendant will appear before the court.

484 Chapter 90, § 24C (1) - Leaving the scene after causing property damage

485 (1) No person operating a motor vehicle on a public way shall knowingly collide with
486 or otherwise cause injury to any other vehicle or property without stopping and making known
487 his name, residence and the registration number of his motor vehicle.

488 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
489 correction for not less than 2 weeks but not more than 2 years or fined not less than \$20 but not
490 more than \$200, or both.

491 (3) Upon a conviction under this subsection the registrar shall, unless the court or
492 magistrate recommends otherwise, suspend the license or right to operate as follows:

493 (a) First offense: 60 days

494 (b) Subsequent offense within 3 years: 1 year

495 No appeal or motion for a new trial shall stay the suspension of the license or right to
496 operate provided; however, if the charges against the person are dismissed, or the person is found
497 not guilty, the person may immediately file a motion before the judge that heard the case, for the
498 purpose of seeking restoration of the license or right to operate. At said hearing, if the court finds
499 that the charges were resolved in favor of the defendant, that there are no alcohol related charges
500 pending in any court, and that there is no evidence before the court based on a preponderance of
501 the evidence that reinstatement of the license or right to operate would endanger the public, there
502 shall be a presumption that the court shall order that this particular suspension be terminated.

503 (4) Upon a conviction of this section, if it appears by the records of the registrar that
504 the person convicted is the owner of a motor vehicle or has exclusive control of any motor
505 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
506 registration of any or all motor vehicles owned or exclusively controlled by the person.

507 A summons may be issued instead of a warrant for arrest upon a complaint for a violation
508 of this subsection if there is reason to believe the defendant will appear before the court.

509 Chapter 90, § 24C (2) - Leaving the scene after causing personal injury

510 (1) No person operating a motor vehicle on a public way shall knowingly collide with
511 or otherwise cause injury to any person, not resulting in the death of that person, without
512 stopping and making known his name, residence and the registration number of his motor
513 vehicle.

514 (2) A person convicted of this subsection shall be imprisoned in a jail or house of
515 correction for not less than 6 months but not more than 2 years and fined not less than \$500 but
516 not more than \$1,000. No case commenced under this subsection shall be continued without a
517 finding or placed on file.

518 (3) Upon a conviction of this subsection the registrar shall, unless the court or
519 magistrate recommend otherwise, suspend the license or right to operate as follows:

520 (a) First offense: 1 year

521 (b) Subsequent offense: 2 years

522 No appeal or motion for a new trial shall stay the suspension of the license or right to
523 operate provided; however, if the charges against the person are dismissed, or the person is found

524 not guilty, the person may immediately file a motion before the judge that heard the case, for the
525 purpose of seeking restoration of the license or right to operate. At said hearing, if the court
526 finds that the charges were resolved in favor of the defendant, that there are no alcohol related
527 charges pending in any court, and that there is no evidence before the court based on a
528 preponderance of the evidence that reinstatement of the license or right to operate would
529 endanger the public, there shall be a presumption that the court shall order that this particular
530 suspension be terminated.

531 (4) Upon a conviction of this section, if it appears by the records of the registrar that
532 the person convicted is the owner of a motor vehicle or has exclusive control of any motor
533 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
534 registration of any or all motor vehicles owned or exclusively controlled by the person.

535 Chapter 90, § 24C (3) - Leaving the scene after causing death

536 (1) No person operating a motor vehicle on a public way shall knowingly collide with or
537 otherwise cause injury to any person, resulting in death, without stopping and making known his
538 name, residence and the registration number of his motor vehicle.

539 (2) A person convicted under this subsection shall be imprisoned in a jail or house of
540 correction for a minimum mandatory 1 year but not more than 2 ½ years or state prison for not
541 less than 2 ½ but not more than 10 years with a minimum mandatory term of 1 year and fined not
542 less than \$1,000 but not more than \$5,000. No case commenced under this subsection shall be
543 continued without a finding or placed on file.

544 (3) Upon a conviction of this subsection the registrar shall, unless the court or
545 magistrate recommends otherwise, suspend the license or right to operate as follows:

546 (a) First offense: 3 years

547 (b) Subsequent offense: 10 years

548 No appeal or motion for a new trial shall stay the suspension of the license or right to
549 operate provided; however, if the charges against the person are dismissed, or the person is found
550 not guilty, the person may immediately file a motion before the judge that heard the case, for the
551 purpose of seeking restoration of the license or right to operate. At said hearing, if the court finds
552 that the charges were resolved in favor of the defendant, that there are no alcohol related charges
553 pending in any court, and that there is no evidence before the court based on a preponderance of
554 the evidence that reinstatement of the license or right to operate would endanger the public, there
555 shall be a presumption that the court shall order that this particular suspension be terminated.

556 (4) Upon a conviction of this section, if it appears by the records of the registrar that
557 the person convicted is the owner of a motor vehicle or has exclusive control of any motor
558 vehicle as a manufacturer or dealer or otherwise, the registrar may suspend the certificate of
559 registration of any or all motor vehicles owned or exclusively controlled by the person.

560 Chapter 90, § 24D- Operating under the influence of intoxicating liquor or other
561 substances

562 (1) No person shall operate a motor vehicle on a public way while under the influence
563 of intoxicating liquor, drugs, or other substances as defined in section 1 of chapter 94C.

564 (2) A person convicted under subsection (1) of this section shall be punished as
565 follows:

566 First Offense: If there is no prior operating under the influence offense, the defendant
567 shall be imprisoned in a jail or house of correction for not more than 2 ½ years or fined not less
568 than \$500 but not more than \$5,000, or both.

569 Second Offense: If there is 1 prior operating under the influence offense, the defendant
570 shall be imprisoned in a jail or house of correction for a minimum mandatory term of 30 days but
571 not more than 2 ½ years and fined not less than \$600 but not more than \$10,000.

572 Third Offense: If there are 2 prior operating under the influence offenses, the defendant
573 shall be imprisoned in a jail or house of correction for not less than 150 days but not more than 2
574 ½ years, or state prison for not less than 2 ½ years but not more than 5 years with a minimum
575 mandatory term of 150 days and fined not less than \$1,000 but not more than \$15,000.

576 Fourth Offense: If there are 3 prior operating under the influence offenses, the defendant
577 shall be imprisoned in a jail or house of correction for not less than 2 years but not more than 2 ½
578 years, or state prison for not less than 2 ½ years but not more than 5 years with a minimum
579 mandatory term of 1 year and fined not less than \$1,500 but not more than \$25,000.

580 Fifth or Subsequent Offense: If there are 4 or more prior operating under the influence
581 offenses, the defendant shall be imprisoned in a jail or house of correction for not less than 2 ½
582 years, or be imprisoned in the state prison for not less than 2 ½ years but not more than 5 years
583 with a minimum mandatory term of 2 years and fined not less than \$2,000 but not more than
584 \$50,000.

585 Upon a disposition under this section the court shall assess a \$250 fee to the person. The
586 court shall transmit \$187.50 of the \$250 collected under this assessment to the state treasurer to
587 be deposited into the Head Injury Treatment Services Trust Fund. The remaining \$62.50 shall be

588 deposited into the General Fund. The assessment shall not be subject to reduction or waiver by
589 the court for any reason.

590 Upon a disposition under this section the court shall assess a \$50 fee to the person. The
591 court shall transmit the \$50 to the state treasurer to be deposited into the Victims of Drunk
592 Driving Trust Fund. The assessment shall not be subject to waiver by the court for any reason. If
593 the court sentences the person to a correctional facility the outstanding assessment shall be noted
594 on the mittimus.

595 In any prosecution commenced pursuant to this section, introduction into evidence of a
596 prior conviction or a prior finding of sufficient facts by either certified attested copies of original
597 court papers, or certified attested copies of the defendant's biographical and informational data
598 from records of the department of probation, any jail or house of correction, the department of
599 correction, or the registry of motor vehicles, shall be prima facie evidence that the defendant
600 before the court has been convicted previously or assigned to an alcohol or controlled substance
601 education, treatment, or rehabilitation program by a court of the commonwealth or of a like
602 offense from any other jurisdiction. Such documentation shall be self-authenticating and
603 admissible, after the commonwealth has established the defendant's guilt on the primary offense,
604 as evidence in any court of the commonwealth to prove the defendant's commission of any prior
605 convictions or assignments to alcohol or controlled substance education, treatment, or
606 rehabilitation programs described therein. The commonwealth shall not be required to introduce
607 any additional corroborative evidence, nor live witness testimony to establish the validity of such
608 prior offenses.

609 No prosecutions under this section shall be continued without a finding except for cases
610 disposed of pursuant to the provisions of subdivision (a) of subsection (3) of this section. No
611 prosecutions under this section shall be placed on file, or subject to the provisions of section 87
612 of chapter 276. At any time before the commencement of a trial or acceptance of a plea on a
613 complaint alleging a violation of this section, the prosecutor may apply for the issuance of a new
614 complaint pursuant to section 35A of chapter 218 alleging a violation of this section and 1 or
615 more prior operating under the influence offenses. If such application is made, upon motion of
616 the prosecutor, the court shall stay further proceedings on the original complaint pending the
617 determination of the application for the new complaint. If a new complaint is issued, the court
618 shall dismiss the original complaint and order that further proceedings on the new complaint be
619 postponed until the defendant has had sufficient time to prepare a defense. No trial shall be
620 commenced on a complaint alleging a violation of this subparagraph, nor shall any plea be
621 accepted on such complaint, nor shall the prosecution on such complaint be transferred to
622 another division of the district court or to a jury-of-six session, until the court receives a report
623 from the commissioner of probation pertaining to the defendant's record, if any, of prior
624 operating under the influence offenses; provided, however, that the provisions of this paragraph
625 shall not justify the postponement of any such trial or of the acceptance of any such plea for
626 more than five working days after the date of the defendant's arraignment. The commissioner of
627 probation shall give priority to requests for such records. Upon any conviction or continuation
628 without a finding under this section, the court shall order that any license issued by the
629 commonwealth be surrendered to the probation department, and disposed of in a manner
630 prescribed by the registrar. The clerk of courts shall notify the registrar forthwith of the
631 disposition.

632 Upon a disposition for an operating under the influence offense as defined in section (1)
633 of this chapter the probation department, in the court in which the finding was entered, shall
634 provide the defendant a copy of the statutory provisions that apply to any further operating under
635 the influence offense. The statement of statutory provisions shall be prepared by the secretary of
636 public safety.

637 Upon a disposition for an operating under the influence offense as defined in section (1)
638 of this chapter the court shall ask the defendant whether he was served alcohol prior to his
639 violation at an establishment licensed to serve alcohol. If the defendant answers in the
640 affirmative, the defendant shall provide the name and address of the establishment. The clerk's
641 office shall provide in writing to the Alcohol Beverage Control Commission the name of the
642 establishment and date of offense given by the defendant. The Alcohol Beverage Control
643 Commission shall inform the named establishment of this incident forthwith. The trial court
644 shall, in conjunction with the Alcohol Beverage Control Commission, promulgate a standard
645 form for reporting and collecting said information. The Alcohol Beverage Control Commission
646 shall provide an annual report including the collected data to the attorney general, each district
647 attorney, and the local liquor licensing authorities.

648 The provisions of section 6A of chapter 279 shall not apply to a person with a prior
649 operating under the influence offense as defined in section 1 of chapter 90.

650 If a defendant waives his right to a jury trial pursuant to section 26A of chapter 218 on a
651 complaint under this section he shall be deemed to have waived his right to a jury trial on all
652 elements of the complaint.

653 (3) Alternative Dispositions

654 First Offense: If there is no evidence of a prior operating under the influence offense, a
655 person charged or convicted may consent to being placed on probation for not more than 2 years
656 instead of the disposition specified in subdivision (a) of subsection (2) of this section. Offenders
657 with a single prior operating under the influence offense more than 10 years preceding the date
658 of the most recent offense shall be eligible for a disposition under this subdivision. As a
659 condition of this probation, the person shall be ordered to complete an out patient alcohol, drug,
660 or substance abuse program as specified by the court. Offenders who reside out of state, or are a
661 full time student out of state, may at the court's discretion complete a licensed first offender's
662 program in that other state, as approved by the Department of Public Health.

663 If a person is sentenced to an alternative disposition, notwithstanding the provisions of
664 subsection (5) of this section, the court shall impose a suspension of the defendant's license or
665 right to operate for not less than 45 days nor more than 90 days if said person was over the age of
666 21 at the time of the offense, or 210 days if said person was under the age of 21 at the time of
667 offense. A person may immediately apply for a hardship license following disposition and
668 enrollment into the treatment program required by this subsection. In all cases where a hardship
669 license is sought, the probation office where the offender is or was on probation will, upon
670 request, furnish the registrar with documentation verifying the person's status with probation.
671 Hardship licenses under this subsection shall be issued under such terms and conditions as the
672 registrar may prescribe, after the registry is convinced that the issues that this offense(s) arose
673 from have been dealt with by the operator and brought under control. Said hardship license shall
674 be issued, subject to the agency's discretion, upon a showing of hardship for work, education, or
675 other purpose the registrar deems valid and significant, and shall be for an identical 12 hour
676 period, 7 days a week. Notwithstanding the above, if the records of the registrar contain

677 additional information regarding operating under the influence offenses, the registrar shall
678 suspend the license in accordance with subsection (5) of this section. A person shall be
679 presumed to be a suitable candidate for this disposition after trial unless otherwise prohibited by
680 this section. In cases where an eligible person is not granted such a disposition should he or she
681 seek it, the court shall make written findings supporting its decision.

682 Each person placed in such a program shall pay a program fee as determined by the
683 department of public health. The program fee shall not exceed the cost per client to run the
684 program. The department of public health shall compile a schedule of uniform fees for these
685 programs, which shall be changed only after notice and public hearing. The department shall
686 promulgate rules and regulations regarding the process and methodology of setting these fees.
687 No person shall be denied entry into a program where the court, after review and investigation by
688 the probation department, determines that the defendant is indigent, and has filed such an
689 affidavit with the court. The court may then waive or reduce said fee on a case by case basis.
690 Subject to appropriation, the department of public health shall reimburse each program for the
691 costs of services provided to persons for whom payment of a fee has been waived or reduced on
692 the grounds of indigency.

693 In addition to the program fee, the court shall assess a \$250 fee to each person placed in
694 such a program. The court shall transmit the \$250 to the state treasurer for the support of
695 programs operated by the commissioner of public health for the investigation, enforcement,
696 treatment and rehabilitation of persons charged with or convicted of operating under the
697 influence. The assessment may be reduced or waived if the court makes written findings that
698 payment would cause the person severe financial hardship.

699 The alternative disposition programs utilized under this subsection shall be established,
700 administered or approved by the department of public health, who shall have authority to
701 promulgate such regulations as is necessary to govern the content, conduct, operation or approval
702 of these programs. The department of public health shall prepare and publish annually a list of
703 all accepted alcohol treatment and rehabilitation programs, make this list available upon request
704 to members of the public, and annually furnish the commissioner of probation, the registrar, and
705 the secretary of public safety with a copy of said list.

706 The commissioner of probation shall annually report to the department of public health
707 the number of persons who receive an alternative disposition and the number of persons who
708 have been required by the court to participate in alcohol or controlled substance abuse treatment
709 or rehabilitation programs. In addition, the commissioner of probation, and the chief justice of
710 the district courts and the Boston Municipal Court shall annually report to the department of
711 public health the resources available for alcohol and controlled substance abuse treatment and
712 rehabilitation of alcohol-impaired or controlled substance abuse-impaired drivers. The report
713 shall evaluate the existing resources and shall make recommendations as to any additional
714 resources. The department of public health shall take such reports into consideration in the
715 development, implementation, and review of the state's alcoholism or controlled substance abuse
716 plan and in the preparation of the division's annual budget in a manner consistent with the
717 Alcoholism Treatment and Rehabilitation Law.

718 Second Offense: Notwithstanding the provisions of subsection (2) of this section, in
719 cases where a defendant has only one prior operating under the influence offense, the court, in its
720 discretion, may order the defendant to enter and complete a 14 day in patient program and to
721 participate in an outpatient counseling program designed for such offenders in lieu of the

722 required 30 day minimum mandatory term. This program shall be in addition to any probation
723 ordered under section 24D(2)(b).

724 The defendant shall pay for the cost of the services provided by the residential alcohol
725 treatment program; provided, however, that no person shall be excluded from said programs for
726 inability to pay; and provided, further, that such person files with the court, an affidavit of
727 indigency or inability to pay and that investigation by the probation officer confirms such
728 indigency or establishes that payment of such fee would cause a grave and serious hardship to
729 such individual or to the family of such individual, and that the court enters a written finding
730 thereof. In lieu of waiver of the entire amount of said fee, the court may direct such individual to
731 make partial or installment payments of the cost of said program.

732 The provisions of this subsection shall not apply to any person who causes serious bodily
733 injury or death to another person during the events that gave rise to the complaint or indictment.

734 (4) The following persons shall complete an alcohol and drug assessment conducted
735 by the department of public health or other court approved program as a mandatory condition of
736 any sentence imposed:

737 A person having a percentage, by weight, of alcohol in his blood of .20% or above during
738 an operating under the influence offense; or

739 A person with a second or subsequent operating under the influence offense.

740 The assessment shall include at a minimum an evaluation of the level of the offender's
741 addiction to alcohol and/or drugs and the department's recommended course of treatment. Such
742 assessment and recommendation shall be reported to the offender's probation or parole officer.

743 No person shall be excluded from an assessment for inability to pay if the offender files an
744 affidavit of indigency or inability to pay with the court and an investigation by the probation or
745 parole officer confirms such indigency or establishes that such payment would cause a grave and
746 serious hardship to the offender or his family, and the court enters written findings relative
747 thereto. The commissioner of public health may make such rules and regulations as are necessary
748 or proper to carry out this section.

749 (5) Upon conviction the registrar shall suspend the license or right to operate, based
750 on the number of offenses on the agency's records, as follows:

751 First offense: 1 year except for persons that have properly received dispositions pursuant
752 to subsection 3 of section 24D of this chapter. The operator may apply for a hardship license 90
753 days from the date of conviction, absent any other suspensions.

754 Second offense: 2 years except for persons that have properly received dispositions
755 pursuant to subsection 3 of section 24D of this chapter. The operator may apply for a hardship
756 license 1 year from the date of conviction, absent any other suspensions.

757 Third offense: 8 years. The operator may apply for a hardship license 2 years from the
758 date of conviction, absent any other suspensions.

759 Fourth offense: 10 years. The operator may apply for a hardship license 5 years from the
760 date of conviction, absent any other suspensions.

761 Fifth or subsequent offense: Lifetime.

762 Notwithstanding subdivisions (a) through (e) of this subsection, the registrar shall
763 suspend for life a person's license or right to operate upon an operating under the influence

764 offense if the person has been previously convicted of motor vehicle homicide while under the
765 influence or manslaughter by motor vehicle.

766 Hardship licenses under this subsection shall be issued under such terms and conditions
767 as the registrar may prescribe, after the registry is convinced that the issues that this offense(s)
768 arose from have been dealt with by the operator and brought under control. Said hardship
769 license shall be issued, subject to the agency's discretion, upon a showing of hardship for work,
770 education, or other purpose the registrar deems valid and significant, and shall be for an identical
771 12 hour period, 7 days a week.

772 If there are 2 prior operating under the influence offenses, the registrar may suspend the
773 registration of a motor vehicle owned by a person for the duration of the suspension of the
774 license or right to operate. No new registration shall be issued to said person during the
775 suspension period.

776 Chapter 90, § 24E – Implied Consent

777 (1) Whoever operates a motor vehicle on a public way shall be deemed to have
778 consented to a test of his breath or blood in the event he is arrested with operating a motor
779 vehicle while under the influence of intoxicating liquor. A person brought to a police station or
780 place of detention is deemed to have consented to a test of his breath. A valid breath test under
781 this section shall be one adequate breath sample analysis, followed by one calibration standard
782 analysis, and then by a second adequate breath sample analysis. A person is deemed to have
783 consented to a test of his blood only if he has been brought to a medical facility licensed pursuant
784 to the provisions of section 51 of chapter 111, and the blood is drawn by a physician, registered
785 nurse or certified medical technician; provided further that no person inflicted with hemophilia

786 or any other condition requiring the use of anticoagulants shall be deemed to have consented to
787 the withdrawal of blood. Such test shall be administered by or at the direction of a police officer
788 as defined in section 1 of chapter 90C, having reasonable grounds to believe that the defendant
789 was operating under the influence.

790 In any prosecution for an operating under the influence offense, evidence of a defendant's
791 blood alcohol content at the time of offense, shown by breath or blood, is relevant and admissible
792 to determine whether the defendant was under the influence of intoxicating liquor as defined in
793 section 1 of this chapter, if test was conducted by or at the direction of a police officer, with the
794 consent of the defendant. Upon the defendant's request the results of said test shall be made
795 available to him. In any case where a test is given, the defendant shall have the right to have
796 another test done at his own expense, by a physician of his choosing.

797 Evidence that the defendant refused such test shall not be admissible in a criminal or civil
798 proceeding, but shall be admissible in any action by the registrar in any proceeding provided for
799 in under this section. For purposes of this section, a refusal is either a verbal or written refusal to
800 take a test, or a failure to consent to a test required by this section.

801 If such evidence is that the blood alcohol content was .05% or less, there shall be a
802 permissible inference that the defendant was not under the influence of intoxicating liquor, and
803 he shall be released from custody forthwith, absent any other arrestable charges. The officer(s)
804 who placed the defendant in custody shall not be liable for false arrest if there were reasonable
805 grounds to believe that he was operating under the influence.

806 If the evidence is that such blood alcohol content was more than .05% but less than .08%,
807 there shall be no permissible inference.

808 If the evidence is that such blood alcohol content was .08% or more, the defendant is
809 deemed to be under the influence as defined in section 1 of this chapter.

810 A certificate, signed and sworn to, by a chemist of the department of the state police or a
811 laboratory certified by the department of public health, which contains the results of an analysis
812 made by such chemist of the blood alcohol content shall be prima facie evidence.

813 (2) Upon any refusal by the person arrested of a test required by this section, after the
814 person has been informed that his license or right to operate a motor vehicle shall be suspended
815 for the refusal, the registrar shall immediately suspend the person's license or right to operate as
816 follows:

817 If the person was age 21 or over at the time of offense, and has no prior operating under
818 the influence convictions or been assigned to a program for, the suspension shall be for 180 days.

819 If the person has 1 prior operating under the influence conviction, or was under age 21 at
820 the time of offense and has no more than 1 prior operating under the influence conviction, the
821 suspension shall be for 3 years.

822 If the person has 2 prior operating under the influence convictions, the suspension shall
823 be for 5 years.

824 If the person has 3 or more prior operating under the influence convictions, the
825 suspension shall be for life.

826 If the person has a prior conviction under sections 24L or 24J of this chapter, the
827 suspension shall be for 10 years.

828 If the person has a prior operating under the influence conviction pursuant to section 24K
829 of this chapter or a conviction under section 24L of this chapter the suspension shall be for life.

830 No hardship licenses on suspensions for test refusals shall be granted, except for
831 candidates that have properly received dispositions pursuant to subsection 3 of section 24D of
832 this chapter. Any suspensions under this section shall be consecutive with any suspension or
833 suspension for the underlying operation under the influence offense. Notwithstanding that, if the
834 charges against the person are dismissed, or the person is found not guilty, the person may
835 immediately file a motion before the judge that heard the case, for the purpose of seeking
836 restoration of the license or right to operate. At said hearing, if the court finds that the charges
837 were resolved in favor of the defendant, that there are no alcohol related charges pending in any
838 court, and that there is no evidence before the court based on a preponderance of the evidence
839 that reinstatement of the license or right to operate would endanger the public, there shall be a
840 presumption that the court shall order that this particular suspension be terminated.

841 Any person refusing a test under this section shall have a right, at his request, to a hearing
842 before the registrar to determine if grounds exist for the suspension. Any hearing request shall
843 be made within 15 days of the incident giving rise to this suspension. The hearing shall be
844 limited to the issues of whether reasonable grounds exist for the officer's belief that the person
845 placed under arrest was operating under the influence on a public way at the time of the incident,
846 whether the person was advised of the consequences of the refusal, and did the person refuse or
847 fail to consent to such test. The registrar shall compile a record of the hearing. If the ruling is in
848 the person's favor, absent any other reason for suspension, the registrar shall restore the person's
849 license or right to operate. The registrar may promulgate such rules and regulations as is
850 necessary regarding the conduct of these hearings.

851 If the registrar rules that the suspension for refusal was proper, the appellant may file a
852 petition for judicial review in the district court having jurisdiction over the underlying operation
853 under the influence charge within 30 days of the registrar’s decision. Review by the court shall
854 be on the record established at the hearing before the registrar. If the court finds that the
855 department exceeded its constitutional or statutory authority, made an erroneous interpretation of
856 the law, acted in an arbitrary and capricious manner, or made a determination which is
857 unsupported by the evidence in the record, the court may reverse the registrar’s determination.

858 If a test indicates that a person was operating with a blood alcohol content of .08% or
859 above, the registrar shall immediately suspend the person’s license or right to operate for 30
860 days, or until the conclusion of the court case, whichever is shorter.

861 A person whose license or right to operate is suspended under this subsection may appeal
862 the suspension within 10 days of the arraignment to the court where the charges are pending.
863 The appeal shall be limited to the issues of whether a blood test, taken within a reasonable period
864 of time after the arrest, shows a result of less than .08%, or that the test results were not
865 consistent with the requirements of subsection (1) of this section.

866 If the charges against the person are dismissed, or the person is found not guilty, the
867 person may immediately file a motion before the judge that heard the case, for the purpose of
868 seeking restoration of the license or right to operate. At said hearing, if the court finds that the
869 charges were resolved in favor of the defendant, that there are no alcohol related charges pending
870 in any court, and that there is no evidence before the court based on a preponderance of the
871 evidence that reinstatement of the license or right to operate would endanger the public, there
872 shall be a presumption that the court shall order that this particular suspension be terminated.

873 (3) Chemical analysis of the breath of a person charged with a violation of this
874 chapter shall not be considered valid under the provisions of this chapter, unless such analysis
875 has been performed by a certified operator, using infrared breath-testing devices according to
876 methods approved by the secretary of public safety. The secretary of public safety shall
877 promulgate rules and regulations regarding satisfactory methods, techniques and criteria for the
878 conduct of such tests, and shall establish a statewide training and certification program for all
879 operators of such devices and a periodic certification program for such breath testing devices;
880 provided, however, that the secretary may terminate or suspend such certification at his
881 discretion.

882 Said regulations shall include, but shall not be limited to the following:

883 The chemical analysis of the breath of a person charged be performed by a certified
884 operator using a certified infrared breath-testing device in the following sequence:

- 885 (1) one adequate breath sample analysis
- 886 (2) one calibration standard analysis
- 887 (3) a second adequate breath sample analysis

888 No person shall perform such a test unless certified by the secretary of public safety

889 No breath testing device, mouthpiece or tube shall be cleaned with any substance
890 containing alcohol.

891 The secretary of public safety shall prescribe uniform formats, electronic or otherwise,
892 for reports of such chemical analysis to be used by law enforcement officers and others acting in
893 accordance with the provisions of this chapter. The reports generated in these formats shall be

894 sequentially numbered. Each chief of police or other officer or official having charge or control
895 of a law enforcement agency shall be responsible for the proper availability of these formats.
896 Each party so responsible shall prepare or cause to be prepared such records and reports relating
897 to such uniform formats and their disposition in such manner and at such times as the secretary
898 of public safety shall prescribe.

899 Upon any failed or refused test under this section the police shall confiscate any license
900 or permit issued by the commonwealth in the possession of the defendant, serve the defendant
901 with a notice of suspension on behalf of the registrar, and impound the operator's vehicle for a
902 12 hour period following the incident. The operator shall be responsible for all costs associated
903 with towing, storage and maintenance of the vehicle. In addition, in each case, the police shall
904 prepare a report to the registrar under the pains and penalties of perjury, indicating the following:

- 905 a) the grounds the arresting officer had to believe that the defendant was operating
906 under the influence on a public way;
- 907 b) the defendant was advised of the consequences of refusing the test;
- 908 c) the results of any failed test;
- 909 d) whether or not the operator refused or failed to consent to the test;
- 910 e) the identity of the officer who advised the defendant of his rights;
- 911 f) the identity and certification of the officer who conducted the breath test;
- 912 g) the identity of any witness to the test or refusal;

913 h) that the test was administered in accordance with the regulations and standards
914 promulgated by the secretary of safety; and

915 i) There was every reason to believe the equipment was functioning properly at the
916 time the test was administered.

917 The reports specified in this subsection shall be reported to the registrar forthwith in order
918 to expedite the suspension of the license or right to operate, and shall be admissible as prima
919 facie evidence in any administrative action before the registrar.

920 If a test is an analysis of blood rather than breath, in cases where a test indicates a blood
921 alcohol content of .08% or above, or .02% or above if the operator is under age 21 at the time of
922 offense, the police shall report said result to the registrar, who shall suspend the license
923 consistent with the provisions of this section.

924 (4) Notwithstanding the findings of any charge, the following additional provisions
925 shall apply to persons under age 21 after having been arrested for an operating under the
926 influence offense:

927 Upon evidence that a person under the age of 21 had a blood alcohol content of .02% or
928 above or refused to submit to a chemical test or analysis of his breath or blood under this section,
929 shall have his license or right to operate a motor vehicle suspended by the registrar for a period
930 of an additional 180 days. Any person who is less than 18 years of age at the time of such
931 offense shall have his license suspended by the registrar for an additional 1 year.

932 If a person has not been previously arrested for or charged with operating under the
933 influence, such person shall, if he consents, be assigned to a program specifically designed by the

934 department of public health for the treatment of underage drinking drivers. Upon entry into a
935 program, authorized by this subsection, or a program required by section 24D of this chapter, the
936 suspension of a license or right to operate as required by this subsection shall be waived by the
937 registrar for a person under 21 years of age and over 18 years of age. The suspension shall be
938 reduced to 180 days for a person who was under the age of 18 at the time of such offense. Upon
939 the failure of a person who, at the time of offense was under the age of 21, to successfully
940 complete such program, the registrar shall forthwith suspend such license or permit to operate for
941 180 days, or for 1 year if the person was under age 18 at the time of offense.

942 The license, permit, or right to operate of a person convicted of any violation under
943 section 24, 24A, 24B, 24C, 24I or 24J of this chapter, who was under the age of 18 at the time of
944 such violation and whose license or permit to operate was not already suspended under this
945 section for failing or refusing a test, shall have such license or right to operate suspended for an
946 additional period of 180 days for a first offense and for a period of 1 year for a second or
947 subsequent offense.

948 (5) When a complaint is issued alleging a person has violated section 24D, 24J, or
949 24K of this chapter, or violated section 8(1) (a), 8A, or 8B of chapter 90B, upon the failure of a
950 police officer to suspend or take custody of the defendant's license or permit, the judge shall
951 immediately suspend and take custody of the defendant's license or right to operate in the
952 following instances:

953 (a) If the prosecutor makes a prima facie showing at arraignment that the defendant
954 was operating a motor vehicle with a blood alcohol content of .08 or greater, or if the defendant
955 is under 21 years of age a blood alcohol content of .02 or greater, as shown by a test of his breath

956 or blood; and the prosecutor presents written certification of oral testimony from the person who
957 administered the test that:

958 (1) the defendant was given a test;

959 (2) the person administering the test was trained and certified in the administration of
960 the test;

961 (3) the test was performed in accordance with regulations and standards promulgated
962 by the secretary of public safety;

963 (4) the equipment used for the test was regularly serviced and maintained; and

964 (5) the person administering the test had every reason to believe the equipment was
965 functioning properly at the time the test was administered.

966 The written certification shall be prima facie evidence of the facts contained therein.

967 Upon a showing of the above facts, the judge shall take immediate physical possession of
968 the license or permit and shall direct the prosecuting officer to immediately notify the
969 Department of Criminal Justice Information Systems and the registrar of such suspension. The
970 defendant's license or right to operate shall be suspended for a period not to exceed 30 days; or

971 (b) If the prosecutor makes a prima facie showing at arraignment that the defendant
972 was arrested for operating on any such way or place while under the influence of intoxicating
973 liquor and refused a test of his breath or blood, the judge shall take immediate physical
974 possession of the license or permit and shall direct the prosecuting officer to immediately notify
975 the Department of Criminal Justice Information Systems and the registrar of such suspension.
976 The defendant's license or right to operate shall be suspended as follows:

977 If the person was age 21 or over at the time of offense, and has no prior operating under
978 the influence offenses, the suspension shall be for 180 days.

979 If the person has one prior operating under the influence offense, or was under the age of
980 21 at the time of offense and has no more than 1 prior operating under the influence offenses, the
981 suspension shall be for 1 year.

982 If the person has 2 prior operating under the influence offenses, the suspension shall be
983 for 18 months.

984 No license shall be restored under any circumstances and no restricted or hardship
985 permits shall be issued during the suspension period imposed by this paragraph. If the charges
986 against the person are dismissed, or the person is found not guilty, the person may immediately
987 file a motion before the judge that heard the case, for the purpose of seeking restoration of the
988 license or right to operate. At said hearing, if the court finds that the charges were resolved in
989 favor of the defendant, that there are no alcohol related charges pending in any court, and that
990 there is no evidence before the court based on a preponderance of the evidence that reinstatement
991 of the license or right to operate would endanger the public, there shall be a presumption that the
992 court shall order that this particular suspension be terminated.

993 Any person whose license or right to operate has been suspended under this section shall
994 have a right, at his request, to a hearing before the registrar to determine if grounds exist for the
995 suspension. Any hearing request shall be made within 10 days of the incident giving rise to this
996 suspension. The hearing shall be limited to the issues of whether or not a blood test administered
997 pursuant to section 24E of this chapter, within a reasonable period of time after a test of his

998 breath, shows that that the blood alcohol content was less than .08% or less than .02% if the
999 person was under the age of 21 at the time of the offense.

1000 If, after a hearing, the court finds the defendant's blood alcohol content was less than
1001 .08% or less than .02% if the person was under the age of 21 at the time of offense, the court
1002 shall restore the defendant's license or right to operate and shall direct the prosecuting officer to
1003 immediately notify the Department of Criminal Justice Information Systems and the registrar of
1004 such restoration.

1005 (6) Any person whose license or right to operate has been suspended because the
1006 person refused to submit to a test of his breath or blood under this section shall have the right, at
1007 his request, to a hearing before the court in which the underlying charges are pending to
1008 determine if grounds exist for the suspension. Any hearing request shall be made within 10 days
1009 of the hearing giving rise to this suspension. The hearing shall be limited to the following issues:

1010 (a) whether or not the police officer had reasonable grounds to believe that the person
1011 had been operating a motor vehicle while under the influence of intoxicating liquor on a public
1012 way;

1013 (b) whether or not the person was placed under arrest; and

1014 (c) whether or not the person refused to submit to a test of his breath or blood.

1015 If, after a hearing, the court finds in the negative on any one of the issues, the court shall
1016 restore the defendant's license or right to operate and shall direct the prosecuting officer to
1017 immediately notify the Department of Criminal Justice Information Systems and the registrar of
1018 such restoration.

1019 Chapter 90, § 24F – Ignition Interlock Devices

1020 (1) Any person whose license or right to operate is suspended for 2 or more operating
1021 under the influence offenses, or who is operating on a restricted license for such offenses, shall
1022 be required to have an ignition interlock device installed on each vehicle that he may own, lease,
1023 or operate as a mandatory condition of issuance of a new license or right to operate. The
1024 restriction shall remain on the license during the hardship license period and an additional 2
1025 years upon the full restoration of the license. In cases where the person has not been granted a
1026 hardship license, the ignition interlock requirement shall be for a 2 year period following the
1027 reinstatement of the license or right to operate.

1028 Each device shall be subject to inspection, maintenance, and monitoring as the registrar
1029 may prescribe. No ignition interlock device utilized under this section shall allow a vehicle to
1030 start if a person’s blood alcohol content exceeds .02%. The registrar shall promulgate such rules
1031 and regulations as deemed necessary regarding this section.

1032 The registrar may, after hearing, suspend the license or right to operate of any person
1033 who:

1034 (a) removes an ignition interlock device without the written consent of the registrar;

1035 or

1036 (b) who fails to have it inspected, maintained or monitored on at least 2 occasions
1037 during the requirement period,

1038 if the licensee has:

1039 (a) operated a vehicle with a blood alcohol content that caused the certified ignition
1040 interlock device to prevent the vehicle from starting on at least 2 occasions; or

1041 (b) recorded a blood alcohol content in excess of .02% on at least 2 occasions.

1042 The suspension shall be for an extended period or for life. A person aggrieved by the
1043 decision of the registrar pursuant to this section may file an appeal in the superior court. If the
1044 court determines that the registrar abused his discretion, the court may vacate the suspension or
1045 reduce the period ordered by the registrar.

1046 (2) No person required to have an ignition interlock device shall operate a motor
1047 vehicle without such a device on a public way.

1048 A person convicted under this subsection shall be imprisoned in a jail or house of
1049 correction for not less than 150 days but not more than 2 ½ years, or the state prison for not less
1050 than 2 ½ years but not more than 5 years with a minimum mandatory term of 150 days. A fine of
1051 not less than \$1,000 but not more than \$15,000 shall be imposed.

1052 (3) No person shall interfere with or tamper with an ignition interlock device with the
1053 intent to disable such device.

1054 A person convicted under this subsection shall be punished by imprisonment in a jail or
1055 house of correction for not less than 6 months but not more than 2 ½ years, or state prison for not
1056 less than 3 years but not more than 5 years.

1057 (4) No person shall knowingly breathe into an ignition interlock device, or start a
1058 motor vehicle equipped with an ignition interlock device, for the purpose of providing an

1059 operable motor vehicle to a person under a license restriction requiring an ignition interlock
1060 device.

1061 A person convicted under this subsection shall be punished as follows:

1062 (a) First offense: The defendant shall be imprisoned in a jail or house of correction

1100 interest held by a creditor in the property at the time of the filing of the forfeiture action. In all
1101 actions where a proceeding results in forfeiture, the final order shall provide for disposition of
