

HOUSE No. 4393

The Commonwealth of Massachusetts

PRESENTED BY:

Matthew C. Patrick, Bruce E. Tarr

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act relative to Energy Efficiency of Residential Properties.

PETITION OF:

NAME:	DISTRICT/ADDRESS:
Matthew C. Patrick	3rd Barnstable
Bruce E. Tarr	First Essex and Middlesex
James B. Eldridge	Middlesex and Worcester

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

An Act relative to Energy Efficiency of Residential Properties.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Chapter 25A of the General Laws is hereby amended by adding the following section:-

2

3 Section 16. Any city, town or county may establish a residential energy preservation fund for the
4 purpose of loaning money to residential property owners to improve the energy efficiency of their
5 property. Repayment of the loan shall be governed by a betterment agreement between the city, town or
6 county and the owner of the residential property.

7

8 The legislative body of a city, town or county may submit to their voters the question of whether
9 to designate said entities as a clean energy assessment district. In such a district, only those property
10 owners who have entered into written agreements with the city, town or county would be subject to a
11 special assessment.

12

13 Upon a vote of approval by a majority of the qualified voters of the city, town or county voting at
14 an annual or special election duly warned for that purpose, the city, town or county may incur
15 indebtedness for or otherwise fund projects relating to renewable energy efficiency as defined by or
16 undertaken by owners of real property within the boundaries of the city, town or county.

17

18 Upon an affirmative vote made pursuant to the previous paragraph, an owner of real property
19 within the boundaries of a clean energy assessment district may enter into a written agreement with the
20 city, town or county that shall constitute the owner's consent to be subject to a special assessment.

21

22 The owners of real property who have entered into written agreements with the city, town or
23 county shall be obligated to cover the costs of operating the district. A city, town or county may use other
24 available funds to operate the district.

25

26 A property owner who has entered into a written agreement with the city, town or county may
27 enter into a private agreement for the installation or construction of a project relating to removable
28 energy.

29

30 A city, town or county that incurs indebtedness for or otherwise finances projects under the
31 section shall not be liable for the failure of performance of a project.

32

33 Two or more cities, towns and counties, by vote of their respective legislative bodies may
34 establish and enter into agreements for incurring indebtedness or otherwise financing projects under this
35 section.
