**HOUSE . . . . . No. 1774**

By Mr. Sciortino of Medford and Senator Eldridge, a joint petition (accompanied by bill, House, No. 1774) of Carl M. Sciortino, Jr. and others relative to energy efficiency programs and green jobs. Telecommunications, Utilities and Energy.

**The Commonwealth of Massachusetts**

**In the Year Two Thousand Eleven**

An Act regarding community access to energy efficiency programs and green jobs.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 25 of the General Laws is amended by in Section 21 by inserting  
2 after subsection (e) the following new subsections:-

3  
4 “(f) Energy Efficiency Program Reporting. In implementing its energy efficiency plan,  
5 each electric and natural gas distribution company Program Administrator and any entity that  
6 receives public subsidy and provides energy efficiency services shall, in consultation with the  
7 Energy Efficiency Advisory Council, as defined by section 22 of chapter 25 of the General  
8 Laws, and subject to the approval of the Department of Public Utilities:

9 1. Report the residential and commercial ratepayers and buildings that receive  
10 energy efficiency program benefits to the Department Of Energy Resources. The report shall  
11 specify for each participant the US Census Block Group of the address served; energy efficiency

12 measures provided; program and participant dollars spent per measure; energy savings per  
13 measure; and whether the participant is a renter or owner.

14           2.       Not later than January 1, 2012 and every January 1 and July 1 of each year  
15 thereafter, each electric and natural gas distribution company Program Administrator and any  
16 entity that receives public subsidy and provides energy efficiency services shall submit the data  
17 identified in Section (f)(1) to the Department Of Energy Resources.

18

19           g.       Energy Efficiency Program Database. The Department Of Energy Resources shall  
20 establish and maintain a database to store and manage the data.

21           (h) Statewide Weatherization Goals. The Department Of Energy Resources will  
22 establish statewide goals to weatherize 100% of residential homes and 50% of the businesses in  
23 Massachusetts by 2030 and establish benchmarks for equitable access to energy efficiency  
24 program benefits.

25           1.       The Department Of Energy Resources shall establish annual benchmarks for  
26 reaching the statewide goals and providing equitable access to historically harder-to-reach  
27 segments, including, but not limited to, residential rental properties, low and moderate-income  
28 homeowners and renters (those earning up to 120% state median income), communities whose  
29 primary language is not English, and small commercial businesses, which may not be  
30 participating at rates commensurate with the funds that they are paying into the programs as  
31 ratepayers.

32 i. Not later than January 1, 2012 and every January 1 of each year thereafter, the  
33 Department Of Energy Resources shall provide a report demonstrating whether energy efficiency  
34 programs are reaching ratepayers and buildings equitably, and progress towards reaching the  
35 statewide weatherization goals.

36 2. For purposes of this subsection, weatherize means: the practice of protecting a  
37 building and its interior from sunlight, precipitation, and wind, and of modifying a building to  
38 reduce energy consumption and optimize energy efficiency.

39 3. The Department Of Energy Resources shall promulgate regulations to implement  
40 the requirements of this legislation within twelve months following passage of this legislation.”

41

42 SECTION 2. Chapter 23J of the General Laws is amended in Section 10 by inserting  
43 after subsection (iii) the following new subsection:-

44

45 “(iv) Funds provided to the Pathways Out Of Poverty Initiative shall be used to:

46 1. Collect data on jobs created and demographic information about who is hired;

47 2. Adopt targeted hiring goals;

48 3. Require inclusion of Responsible Employer language in all state Requests For  
49 Proposals and contracts;

50 4. The Secretary of Labor and Workforce Development and Department Of Energy  
51 Resources shall submit within six months after passage of this legislation, a report to the Energy

52 Efficiency Advisory Council and Department of Public Utilities, detailing the energy efficiency  
53 and green industry workforce development needs in the State. The report shall include  
54 recommended legislation to implement the proposed plan on a long-term basis.

55           5.       For purposes of this subsection, a Responsible Employer is: an employer that  
56 complies with all workplace laws and Criminal Offender Record Information requirements,  
57 provides fair wage and benefits levels, properly classifies workers, implements local and targeted  
58 hiring requirements, and abides by comprehensive safety and health plans.

59           6.       The Massachusetts Clean Energy Center shall adopt regulations to implement the  
60 requirements of this legislation within twelve months following passage of this legislation.”
