The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act creating an earned income tax credit for early educators.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 6 of Chapter 62 of the Massachusetts General Laws is hereby
2 amended by inserting at the end thereof the following new subsection:

3 (q)(1) As used in this subsection, the following words shall have the following
4 meanings:-

5 "Eligible child care center" shall have the same meaning as the term is defined in 606
6 Code of Massachusetts Regulations 7.02.

7 "Eligible child care worker" shall mean any person who meets each of the following
8 requirements: (1) the person has been approved by the department of early education and care for
9 the regular care and education of children unrelated to the educator in a location outside the
10 children's own home for all or part of the day, regardless of his or her level of certification; (2)
11 the person has been employed continuously for six months of the tax year for an average of
12 twenty hours or more per week in an eligible child care center; and (3) the person qualifies for

13 the earned income tax credit, so called, allowed under the provisions of subsection (h) of this
14 section.

15 (2) There is hereby established a child care tax credit program under which a taxpayer
16 who is an eligible child care worker shall be allowed a credit against the taxes imposed by this
17 chapter. The credit afforded by this subsection shall be in addition to the credit allowed under
18 subsection (h) of this section. If other credits under this section including the credit established
19 pursuant to subsection (h) are utilized by the taxpayer for the taxable year, the credit afforded by
20 this subsection shall be applied last. The credit allowed by this subsection shall equal 15 per cent
21 of the federal earned income credit received by the taxpayer for the taxable year. If the amount
22 of the credit allowed hereunder exceeds the taxpayer's liability, the commissioner shall treat such
23 excess as an overpayment and shall pay the taxpayer the amount of such excess, without interest.

24 (3) In order to receive the credit provided for in this subsection, the eligible child care
25 worker shall file with his income tax return an attestation form, developed and made available by
26 the department of revenue, verifying that the taxpayer is an eligible child care worker.
