25           66 § 15 Attorney's fees.

26           66 § 16 Legislative review of exemptions from public meeting and public records  
27 requirements.

28           66 § 1 General state policy on public records

29           (1) It is the policy of this state that all state, county, and municipal records are open for  
30 personal inspection and copying by any person. Providing access to public records is a duty of  
31 each agency.

32           (2)(a) Automation of public records must not erode the right of access to those records.  
33 As each agency increases its use of and dependence on electronic recordkeeping, each agency  
34 must provide reasonable public access to records electronically maintained and must ensure that  
35 exempt or confidential records are not disclosed except as otherwise permitted by law.

36           (b) When designing or acquiring an electronic recordkeeping system, an agency must  
37 consider whether such system is capable of providing data in some common format such as, but  
38 not limited to, the American Standard Code for Information Interchange.

39           (c) An agency may not enter into a contract for the creation or maintenance of a public  
40 records database if that contract impairs the ability of the public to inspect or copy the public  
41 records of the agency, including public records that are online or stored in an electronic  
42 recordkeeping system used by the agency.

43           (d) Subject to the restrictions of copyright and trade secret laws and public records  
44 exemptions, agency use of proprietary software must not diminish the right of the public to  
45 inspect and copy a public record.

46           (e) Providing access to public records by remote electronic means is an additional method  
47 of access that agencies should strive to provide to the extent feasible. If an agency provides

48 access to public records by remote electronic means, such access should be provided in the most  
49 cost-effective and efficient manner available to the agency providing the information.

50 (f) Each agency that maintains a public record in an electronic recordkeeping system  
51 shall provide to any person, pursuant to this chapter, a copy of any public record in that system  
52 which is not exempted by law from public disclosure. An agency must provide a copy of the  
53 record in the medium requested if the agency maintains the record in that medium, and the  
54 agency may charge a fee in accordance with this chapter. For the purpose of satisfying a public  
55 records request, the fee to be charged by an agency if it elects to provide a copy of a public  
56 record in a medium not routinely used by the agency, or if it elects to compile information not  
57 routinely developed or maintained by the agency or that requires a substantial amount of  
58 manipulation or programming, must be in accordance with c. 66 § 4(4).

59 (3) If public funds are expended by an agency in payment of dues or membership  
60 contributions for any person, corporation, foundation, trust, association, group, or other  
61 organization, all the financial, business, and membership records of that person, corporation,  
62 foundation, trust, association, group, or other organization which pertain to the public agency are  
63 public records and subject to the provisions of c. 66 § 4.

64 66 § 2 Definitions

65 As used in this chapter, the term:

66 (1) "Actual cost of duplication" means the cost of the material and supplies used to

68 duplication.

70 department, division, board, bureau, commission, or other separate unit of government created or  
71 established by law including, for the purposes of this chapter, the Commission on Ethics, the  
72 Public Service Commission, and the Office of Public Counsel, and any other public or private

74 agency.

75           (3)(a) "Criminal intelligence information" means information with respect to an

78           (b) "Criminal investigative information" means information with respect to an  
79 identifiable person or group of persons compiled by a criminal justice agency in the course of  
80 conducting a criminal investigation of a specific act or omission, including, but not limited to,  
81 information derived from laboratory tests, reports of investigators or informants, or any type of  
82 surveillance.

83           (c) "Criminal intelligence information" and "criminal investigative information" shall not  
84 include:

85           1. The time, date, location, and nature of a reported crime.

92 certain information required by law or agency rule to be given to the person arrested be  
93 maintained in a confidential manner and exempt from the provisions of c. 66 § 4(1) until released  
94 at trial if it is found that the release of such information would:

95           a. Be defamatory to the good name of a victim or witness or would jeopardize the safety  
96 of such victim or witness; and

97           b. Impair the ability of a state attorney to locate or prosecute a codefendant.

98           6. Informations and indictments except as ordered by the court, a grand juror, reporter,  
99 stenographer, interpreter, or officer of the court shall not disclose that an indictment for a felony  
100 has been found against a person not in custody or under recognizance, except by issuing or  
101 executing process on the indictment, until the person has been arrested.

102           (a) The word "active" shall have the following meaning:

103           1. Criminal intelligence information shall be considered "active" as long as it is related to  
104 intelligence gathering conducted with a reasonable, good faith belief that it will lead to detection  
105 of ongoing or reasonably anticipated criminal activities.

106           2. Criminal investigative information shall be considered "active" as long as it is related  
107 to an ongoing investigation which is continuing with a reasonable, good faith anticipation of  
108 securing an arrest or prosecution in the foreseeable future.

109           In addition, criminal intelligence and criminal investigative information shall be  
110 considered "active" while such information is directly related to pending prosecutions or appeals.

111 The word "active" shall not apply to information in cases which are barred from prosecution  
112 under the provisions of the statute of limitation.

113 (4) "Criminal justice agency" means: (a) Any law enforcement agency, court, or  
114 prosecutor;

115 (b) Any other agency charged by law with criminal law enforcement duties;

116 (c) Any agency having custody of criminal intelligence information or criminal  
117 investigative information for the purpose of assisting such law enforcement agencies in the  
118 conduct of active criminal investigation or prosecution or for the purpose of litigating civil  
119 actions under the Racketeer Influenced and Corrupt Organization Act, during the time that such  
120 agencies are in possession of criminal intelligence information or criminal investigative  
121 information pursuant to their criminal law enforcement duties; or

122 (d) The Department of Corrections.

123 (5) "Custodian of public records" means the elected or appointed state, county, or  
124 municipal officer charged with the responsibility of maintaining the office having public records,  
125 or his or her designee.

127 control the capabilities of data processing hardware, including, but not limited to, operating  
128 systems, compilers, assemblers, utilities, library routines, maintenance routines, applications, and  
129 computer networking programs.

130 (7) "Duplicated copies" means new copies produced by the process of reproducing an  
131 image or images from an original to a final substrate through the electrophotographic,

132 xerographic, laser, or offset process or any combination of these processes, by which an operator  
133 can make more than one copy without rehandling the original.

134 (8) "Exemption" means a provision of general law which provides that a specified record  
135 or meeting, or portion thereof, is not subject to the access requirements of c. 66 § 4(1).

136 (9) "Information technology resources" means data processing hardware and software  
137 and services, communications, supplies, personnel, facility resources, maintenance, and training.

138 (10) "Paratransit" means those elements of public transit which provide service between  
139 specific origins and destinations selected by the individual user with such service being provided  
140 at a time that is agreed upon by the user and provider of the service. Paratransit service is  
141 provided by taxis, limousines, "dial-a-ride," buses, and other demand-responsive operations that  
142 are characterized by their nonscheduled, nonfixed route nature.

143 (11) "Proprietary software" means data processing software that is protected by copyright

148 ordinance or in connection with the transaction of official business by any agency.

149 (13) "Redact" means to conceal from a copy of an original public record, or to conceal  
150 from an electronic image that is available for public viewing, that portion of the record  
151 containing exempt or confidential information.

152 (14) "Sensitive," for purposes of defining agency-produced software that is sensitive,  
153 means only those portions of data processing software, including the specifications and  
154 documentation, which are used to:

155 (a) Collect, process, store, and retrieve information that is exempt from c. 66 § 4(1);

156 (b) Collect, process, store, and retrieve financial management information of the agency,  
157 such as payroll and accounting records; or

158 (c) Control and direct access authorizations and security measures for automated systems.

159 66 § 3 Custodial requirements; maintenance, preservation, and retention of public records

160 (1) Public records shall be maintained and preserved as follows:

161 (a) All public records should be kept in the buildings in which they are ordinarily used.

162 (b) Insofar as practicable, a custodian of public records of vital, permanent, or archival  
163 records shall keep them in fireproof and waterproof safes, vaults, or rooms fitted with  
164 noncombustible materials and in such arrangement as to be easily accessible for convenient use.

165 (c)1. Record books should be copied or repaired, renovated, or rebound if worn,  
166 mutilated, damaged, or difficult to read.

167 2. Whenever any state, county, or municipal records are in need of repair, restoration, or  
168 rebinding, the head of the concerned state agency, department, board, or commission; the board  
169 of county commissioners of such county; or the governing body of such municipality may  
170 authorize that such records be removed from the building or office in which such records are  
171 ordinarily kept for the length of time required to repair, restore, or rebind them.

172           3. Any public official who causes a record book to be copied shall attest and certify under  
173 oath that the copy is an accurate copy of the original book. The copy shall then have the force  
174 and effect of the original.

175           (2)(a) The Division of Library and Information Services of the Department of State shall  
176 adopt rules to establish retention schedules and a disposal process for public records.

177           (b) Each agency shall comply with the rules establishing retention schedules and disposal  
178 processes for public records which are adopted by the records and information management  
179 program of the division.

180           (c) Each public official shall systematically dispose of records no longer needed, subject  
181 to the consent of the records and information management program of the division Secretary of  
182 State.

183           (d) The division may ascertain the condition of public records and shall give advice and  
184 assistance to public officials to solve problems related to the preservation, creation, filing, and  
185 public accessibility of public records in their custody. Public officials shall assist the division by  
186 preparing an inclusive inventory of categories of public records in their custody. The division  
187 shall establish a time period for the retention or disposal of each series of records. Upon the  
188 completion of the inventory and schedule, the division shall, subject to the availability of  
189 necessary space, staff, and other facilities for such purposes, make space available in its records  
190 center for the filing of semicurrent records so scheduled and in its archives for noncurrent  
191 records of permanent value, and shall render such other assistance as needed, including the  
192 microfilming of records so scheduled.

193 (3) Agency orders that comprise final agency action and that must be indexed or listed  
194 pursuant to the Secretary of State have continuing legal significance; therefore, notwithstanding  
195 any other provision of this chapter, each agency shall permanently maintain records of such  
196 orders pursuant to the applicable rules of the Secretary of State.

197 (4)(a) Whoever has custody of any public records shall deliver, at the expiration of his or  
198 her term of office, to his or her successor or, if there be none, to the records and information  
199 management program of the Secretary of State all public records kept or received by him or her  
200 in the transaction of official business.

201 (b) Whoever is entitled to custody of public records shall demand them from any person  
202 having illegal possession of them, who must forthwith deliver the same to him or her. Any  
203 person unlawfully possessing public records must within 10 days deliver such records to the  
204 lawful custodian of public records unless just cause exists for failing to deliver such records.

205 66 § 4 Inspection and copying of records; photographing public records; fees; exemptions

206 (1)(a) Every person who has custody of a public record shall permit the record to be  
207 inspected and copied by any person desiring to do so, at any reasonable time, under reasonable  
208 conditions, and under supervision by the custodian of the public records.

209 (b) A custodian of public records or a person having custody of public records may  
210 designate another officer or employee of the agency to permit the inspection and copying of  
211 public records, but must disclose the identity of the designee to the person requesting to inspect  
212 or copy public records.

213 (c) A custodian of public records and his or her designee must acknowledge requests to  
214 inspect or copy records promptly and respond to such requests in good faith. A good faith  
215 response includes making reasonable efforts to determine from other officers or employees  
216 within the agency whether such a record exists and, if so, the location at which the record can be  
217 accessed.

218 (d) A person who has custody of a public record who asserts that an exemption applies to  
219 a part of such record shall redact that portion of the record to which an exemption has been  
220 asserted and validly applies, and such person shall produce the remainder of such record for  
221 inspection and copying.

222 (e) If the person who has custody of a public record contends that all or part of the record  
223 is exempt from inspection and copying, he or she shall state the basis of the exemption that he or  
224 she contends is applicable to the record, including the statutory citation to an exemption created  
225 or afforded by statute.

226 (f) If requested by the person seeking to inspect or copy the record, the custodian of  
227 public records shall state in writing and with particularity the reasons for the conclusion that the  
228 record is exempt or confidential.

229 (g) In any civil action in which an exemption to this section is asserted, if the exemption  
230 is alleged to exist under or by virtue of c. 66 § 5(1)(d) or (f), (2)(d),(e), or (f), or (4)(c), the public  
231 record or part thereof in question shall be submitted to the court for an inspection in camera. If  
232 an exemption is alleged to exist under or by virtue of c. 66 § 5(2)(c), an inspection in camera is  
233 discretionary with the court. If the court finds that the asserted exemption is not applicable, it

234 shall order the public record or part thereof in question to be immediately produced for  
235 inspection or copying as requested by the person seeking such access.

236 (h) Even if an assertion is made by the custodian of public records that a requested record  
237 is not a public record subject to public inspection or copying under this subsection, the requested  
238 record shall, nevertheless, not be disposed of for a period of 30 days after the date on which a  
239 written request to inspect or copy the record was served on or otherwise made to the custodian of  
240 public records by the person seeking access to the record. If a civil action is instituted within the  
241 30-day period to enforce the provisions of this section with respect to the requested record, the  
242 custodian of public records may not dispose of the record except by order of a court of  
243 competent jurisdiction after notice to all affected parties.

244 (i) The absence of a civil action instituted for the purpose stated in paragraph (g) does not  
245 relieve the custodian of public records of the duty to maintain the record as a public record if the  
246 record is in fact a public record subject to public inspection and copying under this subsection  
247 and does not otherwise excuse or exonerate the custodian of public records from any  
248 unauthorized or unlawful disposition of such record.

249 (2)(a) As an additional means of inspecting or copying public records, a custodian of  
250 public records may provide access to public records by remote electronic means, provided  
251 exempt or confidential information is not disclosed.

252 (b) The custodian of public records shall provide safeguards to protect the contents of  
253 public records from unauthorized remote electronic access or alteration and to prevent the  
254 disclosure or modification of those portions of public records which are exempt or confidential  
255 from subsection (1).

256 (c) Unless otherwise required by law, the custodian of public records may charge a fee  
257 for remote electronic access, granted under a contractual arrangement with a user, which fee may  
258 include the direct and indirect costs of providing such access. Fees for remote electronic access  
259 provided to the general public shall be in accordance with the provisions of this section.

260 (3)(a) Any person shall have the right of access to public records for the purpose of  
261 making photographs of the record while such record is in the possession, custody, and control of  
262 the custodian of public records.

263 (b) This subsection applies to the making of photographs in the conventional sense by use  
264 of a camera device to capture images of public records but excludes the duplication of microfilm  
265 in the possession of the clerk of the circuit court where a copy of the microfilm may be made  
266 available by the clerk.

267 (c) Photographing public records shall be done under the supervision of the custodian of  
268 public records, who may adopt and enforce reasonable rules governing the photographing of  
269 such records.

270 (d) Photographing of public records shall be done in the room where the public records  
271 are kept. If, in the judgment of the custodian of public records, this is impossible or  
272 impracticable, photographing shall be done in another room or place, as nearly adjacent as  
273 possible to the room where the public records are kept, to be determined by the custodian of  
274 public records. Where provision of another room or place for photographing is required, the  
275 expense of providing the same shall be paid by the person desiring to photograph the public  
276 record pursuant to paragraph

277 (4)(e).

278 (4) The custodian of public records shall furnish a copy or a certified copy of the record  
279 upon payment of the fee prescribed by law. If a fee is not prescribed by law, the following fees  
280 are authorized:

281 (a)1. Up to 15 cents per one-sided copy for duplicated copies of not more than 14 inches  
282 by 8 1/2 inches;

283 2. No more than an additional 5 cents for each two-sided copy; and

284 3. For all other copies, the actual cost of duplication of the public record.

285 (b) The charge for copies of county maps or aerial photographs supplied by county  
286 constitutional officers may also include a reasonable charge for the labor and overhead  
287 associated with their duplication.

288 (c) An agency may charge up to \$1 per copy for a certified copy of a public record.

289 (d) If the nature or volume of public records requested to be inspected or copied pursuant  
290 to this subsection is such as to require extensive use of information technology resources or  
291 extensive clerical or supervisory assistance by personnel of the agency involved, or both, the  
292 agency may charge, in addition to the actual cost of duplication, a special service charge, which  
293 shall be reasonable and shall be based on the cost incurred for such extensive use of information  
294 technology resources or the labor cost of the personnel providing the service that is actually  
295 incurred by the agency or attributable to the agency for the clerical and supervisory assistance  
296 required, or both.

297 (e)1. Where provision of another room or place is necessary to photograph public  
298 records, the expense of providing the same shall be paid by the person desiring to photograph the  
299 public records.

300 2. The custodian of public records may charge the person making the photographs for  
301 supervision services at a rate of compensation to be agreed upon by the person desiring to make  
302 the photographs and the custodian of public records. If they fail to agree as to the appropriate  
303 charge, the charge shall be determined by the custodian of public records.

304 (5) When ballots are produced under this section for inspection or examination, no  
305 persons other than the supervisor of elections or the supervisor's employees shall touch the  
306 ballots. If the ballots are being examined before the end of the contest period, the supervisor of  
307 elections shall make a reasonable effort to notify all candidates by telephone or otherwise of the  
308 time and place of the inspection or examination. All such candidates, or their representatives,  
309 shall be allowed to be present during the inspection or examination.

310 (6) An exemption contained in this chapter or in any other general or special law shall not  
311 limit the access of the Auditor General, the Office of Program Policy Analysis and Government  
312 Accountability, or any state, county, municipal, university, board of community college, school  
313 district, or special district internal auditor to public records when such person states in writing  
314 that such records are needed for a properly authorized audit, examination, or investigation. Such  
315 person shall maintain the exempt or confidential status of that public record and shall be subject  
316 to the same penalties as the custodian of that record for public disclosure of such record.

317 (7) The provisions of this section are not intended to expand or limit the provisions of

318 Mass. Rules of Criminal Procedure, regarding the right and extent of discovery by the  
319 state or by a defendant in a criminal prosecution or in collateral postconviction proceedings. This  
320 section may not be used by any inmate as the basis for failing to timely litigate any  
321 postconviction action.

322 66 § 5 General exemptions from inspection or copying of public records

323 (1) AGENCY ADMINISTRATION

324 (a) Examination questions and answer sheets of examinations administered by a  
325 governmental

326 agency for the purpose of licensure, certification, or employment are exempt from c. 66 §  
327 4(1).

328 A person who has taken such an examination has the right to review his or her own  
329 completed examination.

330 (b)1.a. Sealed bids or proposals received by an agency pursuant to invitations to bid or  
331 requests for proposals are exempt from c. 66 § 4(1) until such time as the agency provides notice  
332 of a decision or intended decision or within 10 days after bid or proposal opening, whichever is  
333 earlier.

334 b. If an agency rejects all bids or proposals submitted in response to an invitation to bid  
335 or request for proposals and the agency concurrently provides notice of its intent to reissue the  
336 invitation to bid or request for proposals, the rejected bids or proposals remain exempt from c. 66  
337 § 4(1) until such time as the agency provides notice of a decision or intended decision  
338 concerning the reissued invitation to bid or request for proposals or until the agency withdraws

339 the reissued invitation to bid or request for proposals. This sub-subparagraph is subject to the  
340 Public Record Law in accordance with c. 66 § 16.

341 2.a. A competitive sealed reply in response to an invitation to negotiate, is exempt from  
342 c. 66 § 4(1) until such time as the agency provides notice of a decision or intended decision or  
343 until 20 days after the final competitive sealed replies are all opened, whichever occurs earlier.

344 b. If an agency rejects all competitive sealed replies in response to an invitation to  
345 negotiate and concurrently provides notice of its intent to reissue the invitation to negotiate and  
346 reissues the invitation to negotiate within 90 days after the notice of intent to reissue the  
347 invitation to negotiate, the rejected replies remain exempt from c. 66 § 4(1) until such time as the

1081 2. If such record is in electronic format, on January 1, 2011, and thereafter, the county

1105 or display of official records or images or copies of official records, a notice stating, in  
1106 substantially similar form, the following:

1107 1. On or after October 1, 2002, any person preparing or filing a record for recordation in  
1108 the official records may not include a social security number or a bank account, debit, charge, or

1110 2. Any person has a right to request a county recorder to remove from an image or copy

1125 or bank account, debit, charge, or credit card numbers, filed with the county recorder.

1126 66 § 10 Copyright of data processing software created by governmental agencies; sale  
1127 price and licensing fee

1128 (1) As used in this section, "agency" has the same meaning as in c. 66 § 2(2), except that  
1129 the term does not include any private agency, person, partnership, corporation, or business entity.

1130 (2) An agency is authorized to acquire and hold a copyright for data processing software  
1131 created by the agency and to enforce its rights pertaining to such copyright, provided that the  
1132 agency complies with the requirements of this subsection.

1133 (a) An agency that has acquired a copyright for data processing software created by the  
1134 agency may sell or license the copyrighted data processing software to any public agency or  
1135 private person. The agency may establish a price for the sale and a licensing fee for the use of  
1136 such data processing software that may be based on market considerations. However, the prices  
1137 or fees for the sale or licensing of copyrighted data processing software to an individual or entity

1138 solely for application to information maintained or generated by the agency that created the  
1139 copyrighted data processing software shall be determined pursuant to c. 66 § 4(4).

1140 (b) Proceeds from the sale or licensing of copyrighted data processing software shall be  
1141 deposited by the agency into a trust fund for the agency's appropriate use for authorized  
1142 purposes. Counties, municipalities, and other political subdivisions of the state may designate  
1143 how such sale and licensing proceeds are to be used.

1144 (c) The provisions of this subsection are supplemental to, and shall not supplant or repeal,  
1145 any other provision of law that authorizes an agency to acquire and hold copyrights.

1146 66 § 11 Registration by federal employer's registration number

1147 Each state agency which registers or licenses corporations, partnerships, or other business  
1148 entities shall include, by July 1, 1978, within its numbering system, the federal employer's  
1149 identification number of each corporation, partnership, or other business entity registered or  
1150 licensed by it. Any state agency may maintain a dual numbering system in which the federal  
1151 employer's identification number or the state agency's own number is the primary identification  
1152 number; however, the records of such state agency shall be designed in such a way that the  
1153 record of any business entity is subject to direct location by the federal employer's identification  
1154 number. The Department of State shall keep a registry of federal employer's identification  
1155 numbers of all business entities, registered with the Division of Corporations, which registry of  
1156 numbers may be used by all state agencies.

1157 66 § 12 Violation of chapter; penalties

1158 (1) Any public officer who:

1159 (a) Violates any provision of this chapter commits a noncriminal infraction, punishable  
1160 by fine not exceeding \$500.

1162 or impeachment and, in addition, commits a misdemeanor of the first degree, punishable by law.

1163 (2) Any person who willfully and knowingly violates:

1164 (a) Any of the provisions of this chapter commits a misdemeanor of the first degree,  
1165 punishable by law.

1166 (b) Section 66 § 13 commits a felony of the third degree, punishable by law.

1167 66 § 13 Protection of victims of crimes or accidents

1168 Police reports are public records except as otherwise made exempt or confidential. Every  
1169 person is allowed to examine nonexempt or nonconfidential police reports. A person who comes  
1170 into possession of exempt or confidential information contained in police reports may not use  
1171 that information for any commercial solicitation of the victims or relatives of the victims of the  
1172 reported crimes or accidents and may not knowingly disclose such information to any third party  
1173 for the purpose of such solicitation during the period of time that information remains exempt or  
1174 confidential. This section does not prohibit the publication of such information to the general  
1175 public by any news media legally entitled to possess that information or the use of such  
1176 information for any other data collection or analysis purposes by those entitled to possess that  
1177 information.

1178 66 § 14 Accelerated hearing; immediate compliance

1179 (1) Whenever an action is filed to enforce the provisions of this chapter, the court shall  
1180 set an immediate hearing, giving the case priority over other pending cases.

1181 (2) Whenever a court orders an agency to open its records for inspection in accordance  
1182 with this chapter, the agency shall comply with such order within 48 hours, unless otherwise  
1183 provided by the court issuing such order, or unless the appellate court issues a stay order within  
1184 such 48-hour period.

1185 (3) A stay order shall not be issued unless the court determines that there is a substantial  
1186 probability that opening the records for inspection will result in significant damage.

1187 (4) Upon service of a complaint, counterclaim, or cross-claim in a civil action brought to  
1188 enforce the provisions of this chapter, the custodian of the public record that is the subject matter  
1189 of such civil action shall not transfer custody, alter, destroy, or otherwise dispose of the public  
1190 record sought to be inspected and examined, notwithstanding the applicability of an exemption  
1191 or the assertion that the requested record is not a public record subject to inspection and  
1192 examination under c. 66 § 4(1), until the court directs otherwise. The person who has custody of  
1193 such public record may, however, at any time permit inspection of the requested record as  
1194 provided in c. 66 § 4(1) and other provisions of law.

1195 66 § 15 Attorney's fees

1196 If a civil action is filed against an agency to enforce the provisions of this chapter and if  
1197 the court determines that such agency unlawfully refused to permit a public record to be  
1198 inspected or copied, the court shall assess and award, against the agency responsible, the  
1199 reasonable costs of enforcement including reasonable attorneys' fees.

1200           66 § 16 Legislative review of exemptions from public meeting and public records  
1201 requirements

1202           (1) This section may be cited as the "Public Record Law."

1203           (2) This section provides for the review and repeal or reenactment of an exemption from  
1204 c. 66 § 4(1). This act does not apply to an exemption that:

1205           (a) Is required by federal law; or

1206           (b) Applies solely to the Legislature or the State Court System.

1207           (3) In the 5th year after enactment of a new exemption or substantial amendment of an  
1208 existing exemption, the exemption shall be repealed on October 2nd of the 5th year, unless the  
1209 Legislature acts to reenact the exemption.

1210           (4)(a) A law that enacts a new exemption or substantially amends an existing exemption  
1211 must state that the record or meeting is:

1212           1. Exempt from the State Constitution;

1213           2. Exempt from c. 66 § 4(1); and

1214           3. Repealed at the end of 5 years and that the exemption must be reviewed by the  
1215 Legislature before the scheduled repeal date.

1216           (b) For purposes of this section, an exemption is substantially amended if the amendment  
1217 expands the scope of the exemption to include more records or information or to include  
1218 meetings as well as records. An exemption is not substantially amended if the amendment  
1219 narrows the scope of the exemption.

1220 (c) This section is not intended to repeal an exemption that has been amended following  
1221 legislative review before the scheduled repeal of the exemption if the exemption is not  
1222 substantially amended as a result of the review.

1223 (5)(a) As part of the review process, the Legislature shall consider the following:

1224 1. What specific records or meetings are affected by the exemption?

1225 2. Whom does the exemption uniquely affect, as opposed to the general public?

1226 3. What is the identifiable public purpose or goal of the exemption?

1227 4. Can the information contained in the records or discussed in the meeting be readily  
1228 obtained by alternative means? If so, how?

1229 5. Is the record or meeting protected by another exemption?

1230 6. Are there multiple exemptions for the same type of record or meeting that it would be  
1231 appropriate to merge?

1232 (b) An exemption may be created, revised, or maintained only if it serves an identifiable  
1233 public purpose, and the exemption may be no broader than is necessary to meet the public  
1234 purpose it serves. An identifiable public purpose is served if the exemption meets one of the  
1235 following purposes and the Legislature finds that the purpose is sufficiently compelling to  
1236 override the strong public policy of open government and cannot be accomplished without the  
1237 exemption:

1238           1. Allows the state or its political subdivisions to effectively and efficiently administer a  
1239 governmental program, which administration would be significantly impaired without the  
1240 exemption;

1241           2. Protects information of a sensitive personal nature concerning individuals, the release  
1242 of which information would be defamatory to such individuals or cause unwarranted damage to  
1243 the good name or reputation of such individuals or would jeopardize the safety of such  
1244 individuals. However, in exemptions under this subparagraph, only information that would  
1245 identify the individuals may be exempted; or

1246           3. Protects information of a confidential nature concerning entities, including, but not  
1247 limited to, a formula, pattern, device, combination of devices, or compilation of information  
1248 which is used to protect or further a business advantage over those who do not know or use it, the  
1249 disclosure of which information would injure the affected entity in the marketplace.

1250           (6) Records made before the date of a repeal of an exemption under this section may not  
1251 be made public unless otherwise provided by law. In deciding whether the records shall be made  
1252 public, the Legislature shall consider whether the damage or loss to persons or entities uniquely  
1253 affected by the exemption of the type specified in subparagraph (6)(b)2. or subparagraph (6)(b)3  
1254 would occur if the records were made public.

1255           (7) Notwithstanding any other law, neither the state or its political subdivisions nor any  
1256 other public body shall be made party to any suit in any court or incur any liability for the repeal  
1257 or revival and reenactment of an exemption under this section. The failure of the Legislature to  
1258 comply strictly with this section does not invalidate an otherwise valid reenactment.
