Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 51G of Chapter 111 of the General Laws is hereby amended in

- 7 3. An analysis of the clinical safety of retaining the essential health service or hospital
- 8 and any threats to public health and safety that would be caused by the proposed closing or
- 9 discontinuance

10 SECTION 2. Section 51G of Chapter 111 of the General Laws is hereby amended in
11 Subsection (4) by adding, after the word “hospital” in the fourth sentence thereof the following:

12 The department may, if it determines that an essential health service can be
13 retained in a clinically safe manner without depriving the hospital of a fair net operating income,
14 deny the proposed discontinuance and require the retention of the essential health service either

16 In the event that a hospital proposed for closure is owned or controlled by an
