An Act relative to the economic value and revenue generation of the Atlantic striped bass.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1                   SECTION 1. Section 100A of Chapter 130 is hereby amended by adding at the  
2   end thereof the following new section:-

3                   Section 100A½ – Conservation and management measures concerning the  
4   commercial taking of the striped bass including by not limited to the length of the commercial  
5   season, the number of permits issued for the commercial season and the total number of striped  
6   bass by fish count or poundage allowed to be landed shall take into account the following  
7   measures: the prevention of overfishing, the rebuilding of overfished stocks, the impact of these  
8   proposed rules and regulations on the economic value of the recreational catch, the impact on the  
9   economy of the Commonwealth of Massachusetts and the impact on tax revenues generated for  
10   the Commonwealth by the recreational fishery from the sales, meals, hotel/motel, fuel and  
11   income taxes. The Director and the Marine Fisheries Advisory Board must take into  
12   consideration the economic importance of the recreational striped bass fishery to the  
13   Commonwealth and the potential effects of proposed management measures on the tax revenues

14 of the Commonwealth. All such approved rules and regulations shall be accompanied with a  
15 fiscal note detailing any said potential or anticipated impacts and said fiscal note shall be  
16 forwarded to the House and Senate Committees on Ways and Means, the Joint Committee on  
17 Revenue, the Joint Committee on Environment, Natural Resources and Agriculture and the Joint  
18 Committee on Tourism, Arts and Cultural Development.
