For fiscal year 2015, the foundation budget categories for each district shall be calculated in the same manner as in fiscal year 2014; provided, that "pre-school enrollment" shall be defined as the number of students enrolled in pre-school programs in a district. The target local share shall be calculated using the same methodology used in fiscal year 2014. Preliminary local contribution shall be the municipality's fiscal year 2014 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; and if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points. Minimum required local contribution for fiscal year 2015 shall be, for any municipality with a fiscal year 2015 preliminary contribution greater than its fiscal year 2015 target contribution, the preliminary local contribution reduced by 50 per cent of the gap between the preliminary local contribution and the target local contribution. No minimum required local contribution shall be greater than 90 percent of the district's foundation budget amount. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal year 2015, the "foundation aid increment" shall be the difference between: (a) the positive difference between a district's foundation budget and its required district contribution; and (b) prior year aid. The "down payment aid increment" shall be 35 per cent of the positive difference between 100 per cent of a district's target aid share and its prior year chapter 70 aid, minus the foundation aid increment. The "minimum aid increment" shall be equal to (a) \$25 multiplied by the district's foundation enrollment minus (b) the sum of the foundation aid increment and down payment aid increment.

Chapter 70 aid for fiscal year 2015 shall be the sum of prior year aid plus the foundation aid increment, if any, plus the down payment aid increment, if any, plus the minimum aid increment, if any. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.
