The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to the safety inspections of the Long Island Bridge in the city of Boston..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Massachusetts Department of Transportation shall perform quarterly routine
2 and special member inspections of the safety and longevity of the Long Island Bridge within the
3 City of Boston, connecting Moon Island and Long Island.

4 SECTION 2. If any of the critical structural elements of the Long Island Bridge are
5 determined to be in serious condition by the Massachusetts Department of Transportation, then
6 the City of Boston is instructed to implement an alternate, economically feasible, means for
7 transportation via water shuttle/barge access to Long Island within 90 days of inspection.
