SEE HOUSE, NO. 3121 OF 2011-2012.]

**The Commonwealth of Massachusetts**

—————  
**In the Year Two Thousand Thirteen**  
—————

An Act providing for more efficient wetlands protection by avoiding unnecessary duplication in local wetlands ordinances or bylaws.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 8C of chapter 40 of the General Laws, as appearing in the 2010  
2 Official Edition, is hereby amended by inserting at the end thereof the following:-

3           A conservation commission may administer and enforce a local wetlands ordinance or  
4 by-law that is adopted by a municipality, only to the extent that it imposes standards or other  
5 requirements that are more stringent than or otherwise exceed those set forth in section 40 of  
6 chapter 131 and the department of environmental protection regulation promulgated pursuant to  
7 section 40 of chapter 131, and only if, prior to adoption by a municipality, the department of  
8 environmental protection shall review and approve any such proposed local wetlands ordinance  
9 or by-law based upon findings that the proposed ordinance or by-law has a generally recognized  
10 scientific basis, is a recommended best management practice technique, and is warranted given  
11 the unique resources that the local ordinance or by-law identifies as being in need of special or  
12 enhanced protection in that municipality.

13           SECTION 2. Ordinances or by-laws effective as of the date of this act shall be  
14 enforceable to the extent allowed by section 1 of this Act, provided that, within one year from  
15 the effective date of this act, the department of environmental protection makes the findings set  
16 forth in section 1 with respect to the particular ordinance or by-law and municipality in question.
