22 Said easement consisting of 6,096± s.f., according to said plan.

23 Section 2. The abandonment and release of the easement shall be in accordance with the
24 terms and conditions, as the commissioner of the division of capital asset management and
25 maintenance shall prescribe, in consultation with the Massachusetts Water Resource Authority.

26 Section 3. The consideration for the release shall be the before and after market value of
27 the premises known and numbered as 649-655 Squire Road, Revere, Massachusetts, as
28 determined by the commissioner of the division of capital asset management and maintenance
29 pursuant to an independent professional appraisal and the inspector general shall review and
30 approve the appraisal. The inspector general shall prepare a report of his review of the
31 methodology utilized for the appraisal and shall file the report with the commissioner of the
32 division of capital asset management and maintenance within 30 days of receipt of the appraisal
33 report. The commissioner of the division of capital asset management and maintenance shall
34 submit the appraisal report and the comments of the inspector general, if any, to the House and
35 Senate Committees on Ways and Means and the Joint Committee on State Administration and
36 regulatory oversight at least 15 days before execution of the release.

37 Section 4. The owner of land benefiting from the partial release of the easement shall be
38 responsible for any costs for surveys, appraisals, recording and other expenses relating to the
39 release, or for any costs and liabilities of any nature and kind of its development, maintenance or
40 operation.
