An Act enhancing identification of taxicab operators.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 22 of Chapter 40 of the General Laws, as appearing in the 2012 Official Edition,  
2 is hereby amended by adding, at the end of the third paragraph thereof, the following language:-  
3           The licensing authority that issues taxicab licenses or hackney carriage licenses, shall also issue  
4 an official identifying document, separate from a license or hackney license, to be placed in the  
5 rear interior of the vehicle with the drivers identifying picture, name and hackney or licensing  
6 number. This document shall be formatted so as to travel with the operator from cab to cab.  
7           Each cab shall also have affixed in the interior rear of the vehicle the name or the trade name of  
8 the company, company phone number and either the medallion number or vehicle number. Both  
9 designated documents shall be visibly affixed either on the partition behind the head of the driver  
10 or on the head rest of the driver so as to be made visible to passengers inside the vehicle.

11           The licensing authority may designate the manner in which they provide such  
12   documentation to an authorized driver and the manner in which such document is affixed inside  
13   the vehicle.
