HOUSE No. 5151

The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

An Act making appropriations for the fiscal year 2021 for the maintenance of the departments, boards, commissions, institutions and certain activities of the commonwealth, for interest, sinking fund and serial bond requirements and for certain permanent improvements.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to forthwith make appropriations for the fiscal year beginning July 1, 2020, and to make certain changes in law, each of which is immediately necessary or appropriate to effectuate said appropriations or for other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for the maintenance of the several departments, boards, commissions and institutions of the commonwealth and other services of the commonwealth, and for certain permanent improvements and to meet certain requirements of law, the sums set forth in this act, for the several purposes and subject to the conditions specified in this act, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to the provisions of law regulating the disbursement of public funds and the approval thereof for the fiscal year ending June 30, 2021. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and persons with a disability. All officials and employees of an agency, board, department, commission or division receiving monies under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government, as well as in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission or division of the commonwealth, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or

termination, rates of compensation, in-service or apprenticeship training programs and all terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Articles of Amendment to the Constitution of the Commonwealth and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2021 are necessary and sufficient to provide the means to defray the appropriations and expenditures from such funds for said fiscal year as set forth and authorized in sections 2, 2B and 2E. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section, and include a full statement comparing such actual and projected receipts in the annual report for said fiscal year pursuant to section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

SECTION 3.

SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2021 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,128,617,436 and shall be apportioned to cities and towns in accordance with this section.

Notwithstanding any general or special law to the contrary, on or after December 15, 2020, the secretary of administration and finance may substitute federal funds held in the Massachusetts Coronavirus Relief Fund, established by section 98 of chapter 124 of the acts of 2020, for funds distributed to cities and towns as unrestricted general government aid pursuant to this section, and reduce spending from the General Fund authorized in item 1233-2350 of section 2 accordingly. The secretary of administration and finance may require municipalities to cooperate for the purpose of federal compliance.

Notwithstanding section 2 of chapter 70 of the General Laws, or any other general or special law to the contrary, except section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2021 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts distributed from said item 7061-0008 of said section 2 shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2021, the foundation budget category of "low income enrollment" for the purpose of calculating foundation enrollment shall be the number of students identified as economically disadvantaged by qualifying as a match in the commonwealth's direct certification system, as maintained in the executive office of health and human services virtual gateway system: supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), Medicaid (MassHealth) and foster care. Notwithstanding section 3 of chapter 70 of the General Laws, foundation budget rates shall be those set in chapter 41 of the acts of 2019, inflated by the "foundation inflation index" as calculated and applied for the fiscal year 2020 foundation budget. The target local share shall be calculated using the same methodology used in fiscal year 2020. Preliminary local contribution shall be the municipality's fiscal year 2020 minimum required local contribution, increased or decreased by the municipal revenue growth factor used in the governor's H2 budget recommendation for fiscal year 2021; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; provided further, if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points; provided further, that if a municipality's combined effort yield is greater than 175 per cent of its foundation budget, then the minimum required local contribution for fiscal year 2021 shall be the target contribution for that municipality in fiscal year 2021. Minimum required local contribution for fiscal year 2021 shall be, for any municipality with a fiscal year 2021 preliminary contribution greater than its fiscal year 2021 target contribution, the preliminary local contribution reduced by 100 per cent of the gap between the preliminary local contribution and the target local contribution. No minimum required local contribution shall be greater than 90 per cent of the district's foundation budget amount. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal year 2021, the "foundation aid increment" shall be the difference between: (i) the positive difference between a district's foundation budget and its

required district contribution; and (ii) prior year aid. There shall be no "minimum aid increment" in fiscal year 2021.

Chapter 70 aid for fiscal year 2021 shall be the sum of prior year aid plus the foundation aid increment. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994 and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014; provided, that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted under section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district, or agricultural school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

SECTION 3A. Subdivision (2) of section 178K of chapter 6 of the General Laws, as appearing in the 2018 Official Edition, is hereby amended by striking out, in lines 119 and 120, the words “and the department of mental health” and inserting in place thereof the following words:- , the department of mental health and the department of developmental services.

1 SECTION 4. Chapter 6A of the General Laws is hereby amended by inserting after
2 section 16BB the following section:-

3 Section 16CC. (a). As used in this section the following words shall, unless the context
4 clearly requires otherwise, have the following meanings:

5 “Act”, any action or decision made by an owner, employee or agent of a long term care
6 facility or assisted living residence, or by a government agency, or any condition within a long
7 term care facility or assisted living residence which affects the service to a resident.

8 “Administrative action”, any action taken to resolve issues through negotiation and
9 mediation with a long term care facility or assisted living residence.

10 “Assisted living residence”, any entity that meets the requirements of chapter 19D and is
11 subject to certification by the department of elder affairs.

12 “Designee”, staff of the long term care ombudsman or a member of a designated local
13 long term care ombudsman program, whether on a compensated or volunteer basis.

14 “Long term care facility”, any facility subject to licensure by the department of public
15 health pursuant to section 71 of chapter 111.

16 “Resident”, any person who is receiving treatment or care in a long term care facility or
17 assisted living residence including, but not limited to, application or admission, retention,
18 confinement, commitment, period of residence, transfer, discharge and instances directly related
19 to such status.

20 (b) The secretary of health and human services shall, subject to appropriation or the
21 receipt of federal funds, establish a statewide long term care ombudsman office for the purpose
22 of advocating on behalf of residents. The statewide long term care ombudsman shall receive,
23 investigate and resolve through administrative action complaints filed by residents, individuals
24 acting on their behalf or any individual organization or government agency that has reason to
25 believe a long term care facility or assisted living residence, organization or government agency
26 has engaged in activities, practices or omissions that constitute violations of applicable statutes
27 or regulations or may have an adverse effect upon the health, safety, welfare or rights of
28 residents of such long term care facilities or assisted living residences. The secretary of health
29 and human services shall appoint an ombudsman to act as the director of the ombudsman office
30 who shall be a person qualified by training and experience to perform the duties of the office.
31 Said ombudsman shall not be subject to section 9A of chapter 30 or chapter 31.

32 (c) The ombudsman, or a designee, shall be permitted access at any time deemed
33 reasonable and necessary by the ombudsman to any consenting individual resident; provided,
34 that there is neither a commercial purpose nor effect to the access and the purpose is to do any of
35 the following: (i) visit, talk with and make personal, social and legal services available to a

resident; (ii) inform residents of their rights and entitlements and their correspondent obligations, under federal and state laws, by means of educational materials and discussion in groups and with individual residents; (iii) assist residents in asserting their legal rights regarding claims for public assistance, medical assistance and social security benefits, or assist residents in action against agencies responsible for such programs, as well as in all other matters in which residents are aggrieved and may include advising litigation; or (iv) engage in other methods of assisting, advising and representing residents so as to extend to them full enjoyment of their rights.

Upon entering, the ombudsman, or designee, shall notify the long term care facility or assisted living residence staff of their presence and, upon request, shall produce identification. Prior to entering the room of an individual resident, the ombudsman, or designee, shall identify themselves and explain the purpose of the visit. The ombudsman, or designee, shall have the right to visit privately with the resident provided the resident has given permission for the visit. The ombudsman, or designee, shall respect the confidentiality of communications and shall not subject the resident to photographing, filming, videotaping or audiotaping without consent. The long term care facility or assisted living residence may not release information in a resident's medical record to the ombudsman, or designee, without consent of the resident or the resident's representative.

(d) The ombudsman, or designee, shall have the right of entry into long term care facilities and assisted living residences at any time it is considered necessary and reasonable by the ombudsman, or designee, for the purpose of: (i) investigating and resolving through administrative action complaints made by residents or on their behalf; (ii) interviewing residents, with their consent, in private; (iii) offering the services of the ombudsman, or designee, to any resident, in private; (iv) interviewing employees or agents of the long term care facility or assisted living residence; (v) consulting regularly with the long term care facility or assisted living residence administration; or (vi) providing services authorized by law or by regulation.

The ombudsman, or designee, shall have access to any resident's records with consent of the resident or the resident's representative, and to records of any public agency necessary to the duties of the office, including records on patient abuse complaints. If the ombudsman, or designee, reasonably believes that a complaint situation exists which may only be resolved by the inspection of the resident's personal, financial or medical records, and if the resident lacks the capacity to give consent, and the resident has no legal representative, or the ombudsman has reason to believe that the resident's representative is not acting in the best interest of the resident, the ombudsman or designee shall have access to the records of the resident without the resident's written authorization.

(e) The ombudsman shall establish procedures to protect the confidentiality of residents' records and files. Such procedures shall meet the following requirements: (i) no information or records maintained by the ombudsman office shall be disclosed unless the ombudsman, or designee, authorizes such disclosure; and (ii) the ombudsman, or designee, shall not disclose the

identity of any complainant or resident involved in any complaint unless the complainant or resident or a legal representative of either provides consent in writing, or through the use of ancillary aids and services as necessary, or communication of such consent orally or visually, and that consent is documented to allow such disclosure and specifies to whom the identity may be disclosed, or a court orders such disclosure.

The ombudsman, or designee, may initiate an investigation of any long term care facility or assisted living residence even in the absence of a specific complaint.

If the ombudsman, or designee, determines that an act of any long term care facility or assisted living residence may adversely affect the health, safety, welfare or rights of a resident, the ombudsman, or designee, shall make specific recommendations for the elimination or correction of such act. (C) Add the amounts determined in clauses (ii) through (iv), inclusive, of subparagraph (A) and subparagraph (B), and the interest and penalties attributable to the respective partners as

determined pursuant to chapters 62, 62C and 63 to determine the amount to be paid by the audited partnership on behalf of such partners.

(2) A partnership that makes an election under this subsection that is not otherwise subject to Massachusetts law shall consent to be subject to the laws of the commonwealth. A partnership that makes this election shall be subject to the responsible persons provisions of section 31A as if such partnership were an individual.

(3) The election made pursuant to this subsection is irrevocable, unless the commissioner consents to a partnership's request to revoke the election, or unless the commissioner determines that the election was made to avoid the imposition of the proper amount of tax.

(4) If properly reported and paid, the amount determined under this subsection with respect to an audited partnership shall be treated as paid on behalf of the partners of the partnership. Such partners may not take any deduction or credit for this amount or based on this amount or claim a refund of this amount. Nothing in this chapter shall preclude a resident partner from claiming a credit against taxes paid to another jurisdiction pursuant subsection (a) of section 6 of chapter 62 for any amount paid by the partnership on the resident partner's behalf to another jurisdiction.

(5) The rules stated in this subsection may be further clarified by the commissioner by regulation.

(f) The direct and indirect partners of an audited partnership that are tiered partnerships, and all of the partners of such tiered partnerships that are subject to tax pursuant to chapter 62 or chapter 63, are subject to the reporting and payment requirements of subsections (b), (c), and (d). The indirect partners and their partners shall make required reports and payments no later than 90 days after the time for filing and furnishing statements to the indirect partners and their partners consistent with the provisions of section 6226 of the Code and the rules promulgated or issued thereunder. Where an audited partnership has not made the election under subsection (e), its partners that are tiered partnerships are entitled to make such election, and to pay an amount on behalf of such partners, consistent with such subsection.

(g) An audited partnership, and a partner of such partnership that makes an election pursuant to subsection (e), is a taxpayer for purposes of chapters 62, 62C, and 63, as relevant, with respect to the duties and obligations imposed by, and any rights resulting from, those chapters and this section.

(h) The commissioner may, in their discretion, enter into an agreement with an audited partnership, or a tiered partnership, to use an alternative reporting and payment method.

(i) In the event that an audited partnership fails to timely make any payment or file any report required by this section or underpays any taxes due, the commissioner may assess 1 or

547 more partners for taxes they owe pursuant to chapter 62 or chapter 63, including interest and
548 penalties, according to the commissioner's best information and belief.

549 (j) Nothing in this section shall limit the ability of the commissioner to audit or assess
550 direct partners, indirect partners, or tiered partnerships with respect to items derived from an
551 audited partnership or the ability of the commissioner to inspect books and records of an audited
552 partnership.

553 (k) For purposes of this section, a partnership representative shall have the sole authority
554 to act on behalf of the audited partnership, and its direct and indirect partners, with respect to
555 actions taken by the audited partnership pursuant to this section, and the audited partnership's
556 direct and indirect partners shall be bound by those actions. The partnership representative shall
557 be deemed to be the partnership representative as determined pursuant to the Code, provided
558 however that the commissioner may modify that determination and provide additional rules for
559 making that determination through regulations or other guidance.

560 (l) An audited partnership or a partner of such partnership may make payments to the
561 commissioner as set forth in chapters 62, 62C, or 63 of a tax expected to be due from a pending
562 partnership-level audit prior to the due date of the federal adjustments report. The payments shall
563 be credited against any tax liability ultimately found to be due, and will limit the accrual of
564 further statutory interest on such amount. If these payments exceed the final tax liability,
565 including any interest and penalties, the audited partnership or partner may be entitled to a refund
566 or credit, as the case may be, pursuant to chapters 62, 62C, or 63, as relevant, provided the
567 audited partnership or partner files a federal adjustments report or claim for a refund no later than
568 1 year following the final determination date.

569 (m) The commissioner may promulgate regulations and issue other guidance to
570 implement or explain the provisions of this section. Such regulations or other guidance may,
571 inter alia, apply the principles set forth in sections 6221 through 6242, inclusive, of the Code and
572 in federal regulations and other guidance promulgated or issued thereunder, to the extent
573 consistent with state law, to prevent the omission or duplication of state tax due as the result of a
574 partnership-level audit and to account for differences between federal and Massachusetts law.
