Thank you Senate President Rosenberg, I look forward to working with you and the members of this august chamber.

I am both humbled and honored to have the opportunity to serve as the next Senator of the 2nd Plymouth and Bristol District, which includes: the City of Brockton, the towns of Easton, East Bridgewater, Halifax, Hanover, Hanson, Plympton, and Whitman. This could not have been possible without the support of so many wonderful people.

This is a very emotional experience for me. As many of you know, the late Senator Thomas Kennedy was a close confidant and mentor. His legacy is one that I can never hope to match, but I will work hard each and every day to live up to it.

I look forward to continuing my work on the serious issue and epidemic of addressing the opioid addiction crisis that has devastated too many families. I can also assure you, that I will continue to advocate on behalf of the working people of my district who overwhelmingly supported my candidacy.

In light of the occasion of tomorrow being Veterans Day, I would not only like to thank our veterans for their service, but reaffirm my commitment to continuing to support legislation that will benefit them.

In closing, I would like to thank everyone for their support and I am ready to take on this new endeavor.

God Bless the Commonwealth.

God Bless the United States of America.

On motion of Mr. Pacheco, the above remarks were ordered printed in the Journal of the Senate.
