33 Chapter, an expert witness shall be board certified in the same specialty as the defendant licensed
34 pursuant to section 2 of Chapter 112.

35 Section 5. Chapter 231 of the General Laws is hereby amended by adding after section
36 60K, the following new section:

37 Section 60L. In every action for malpractice, negligence, error, omission, mistake or the

39 shall, at the request of either party, (a) Enter a judgment ordering that money damages or its
40 equivalent for future damages of the judgment creditor be paid in whole or in part by periodic
41 payments rather than by a lump-sum payment if the award equals or exceeds fifty thousand
42 dollars (\$50,000) in future damages. In entering a judgment ordering of the payment of future
43 damages by periodic payments, the court shall make a specific finding as to the dollar amount of
44 periodic payments which will compensate the judgment creditor for such future damages, the
45 court shall require the defendant who is not adequately insured to post security adequate to
46 assure full payment of such damages awarded by the judgment. Upon termination of periodic
47 payments of future damages, the court shall order the return of this security, or so much as
48 remains, to the defendant.

49 (b)(1) The judgment ordering the payment of future damages by periodic payments shall
50 specify the recipient or recipients of the payments, the dollar amount of the payments, the
51 interval between payments, and the number of payments or the period of time over which
52 payments shall be made. Such payments shall only be subject to modification in the event of the
53 death of the judgment creditor.

54 (2) In the event that the court finds that the defendant has exhibited a continuing pattern
55 of failing to make the payments, as specified in paragraph (1), the court shall find the defendant
56 in contempt of court and, in addition to the required periodic payments, shall order the defendant
57 to pay the plaintiff all damages caused by the failure to make such periodic payments, including
58 court costs and attorney's fees.

59 (c) However, money damages awarded for loss of future earnings shall not be reduced
60 or payments terminated by reason of the death of the plaintiff, but shall be paid to persons to
61 whom the plaintiff owed a duty of support, as provided by law, immediately prior to his death.
62 In such cases the court which rendered the original judgment, may, upon petition of any party in
63 interest, modify the judgment to award and apportion the unpaid future damages in accordance
64 with this subdivision.

65 (d) Following the occurrence or expiration of all obligations specified in the periodic
66 payment judgment, any obligation of the defendant to make future payments shall cease and any
67 security given, pursuant to section (a) shall revert to the defendant.

68 Section 6. Said chapter 231 is hereby amended by inserting after section 60L the
69 following section:—

70 Section 60M. In any action for malpractice, negligence, error, omission, mistake or
71 unauthorized rendering of professional services against a provider of health care, in which a
72 verdict is rendered or a finding made or an order for judgment made for pecuniary damages for
73 personal injuries to the plaintiff or for consequential damages, there shall be added by the clerk
74 of the court to the amount of damages interest thereon, at a rate to be determined as set forth
75 below rather than the rate specified in section 6B of chapter 231, from the date of the
76 commencement of the action even though such interest brings the amount of the verdict or
77 finding beyond the maximum liability imposed by law. For all judgments entered after the
78 effective date of this act, the rate of interest to be applied by the clerk shall be at a rate equal to
79 the weekly average 1-year constant maturity Treasury yield, as published by the Board of
80 Governors of the Federal Reserve System for the calendar week preceding the date of judgment.

81 At no point shall the rate of interest established by this section exceed the rate of interest set forth
82 in said section 6B of chapter 231.

83 Section 7. Chapter 231 of the General Laws is hereby amended by adding the following
84 section:

85 Section 60N. In any action for malpractice, error, omission, mistake or the unauthorized
86 rendering of professional services against a provider of health care, the liability of each
87 defendant for damages shall be several only and shall not be joint. Each defendant shall be liable
88 only for the amount of damages allocated to that defendant in direct proportion to that
89 defendant's percentage of fault, and a separate judgment shall be rendered against that defendant
90 for that amount.
