32 striking out the first paragraph and inserting in place thereof the following paragraph:-

33 If in the opinion of the commissioner, it is necessary for an unemployed individual to
34 obtain further industrial, vocational, adult basic education, general equivalency diploma or
35 English for speakers of a second language training to realize sustainable employment, the total
36 benefits which that individual may receive shall be extended by up to 26 times the individual's
37 benefit rate, if the individual is attending a retraining course approved by the commissioner, and
38 if the training program shall be completed within 2 years or within 3 years if the program
39 includes a combination of adult basic education, general equivalency diploma or English for
40 speakers of other languages with vocational or industrial training; provided that no English for
41 speakers of other languages program shall be denied approval under this section solely because it
42 is not combined with another program. These additional benefits shall be paid to the individual
43 only when attending the course and only if the individual has exhausted all rights to regular and
44 extended benefits under this chapter and has no rights to benefits or compensation under this
45 chapter or under any other state unemployment compensation law or under any federal law. This
46 extension shall be available only to individuals who have applied to the commissioner for
47 training no later than the fifteenth week of a new or continued claim, but the commissioner shall
48 specify by regulation the circumstances in which the 15-week application period shall be tolled,
49 including, but not limited to, where staff of the division of unemployment assistance, or its
50 agents, have given the applicant misinformation that causes the applicant to miss the 15-week
51 deadline; the applicant is working with, or has attempted to initiate a working relationship with, a
52 one-stop career center for the purpose of securing a spot in a training program, but has not yet
53 been able to enroll in an appropriate program; the applicant needs to address the physical,
54 psychological and legal effects of domestic violence; and other good cause to be determined by
55 the commissioner. The claimant shall begin training in the first available appropriate program for

56 which funding is available and which is a reasonable distance from the claimant's residence, as
57 determined by the commissioner, but the commissioner, in his discretion, may extend the period
58 once for not more than two weeks for any applicant whose initial application is denied. Any
59 benefits paid to an individual under this paragraph which would not be chargeable to the account
60 of any particular employer under section 14 shall be charged to the solvency account. An
61 individual eligible to receive a trade readjustment allowance under Chapter 2 of Title II of the
62 Trade Act of 1974, 19 USC 2251-2322, as amended, shall not be eligible to receive additional

70 the terms of employment within six months after an employee has provided evidence in
71 connection with a claim for benefits under this chapter, or has testified at any hearing conducted
72 under any provision of this chapter, shall create a rebuttable presumption that such notice or
73 other action is a reprisal against the employee for providing evidence. Such presumption shall be
74 rebutted only by clear and convincing evidence that such employer's action was not a reprisal
75 against the employee and that the employer had sufficient independent justification for taking
76 such action, and would have in fact taken such action, in the same manner and at the same time
77 the action was taken, regardless of the employee's providing evidence in connection with a claim
78 for benefit under this chapter. An employing unit found to have threatened, coerced or taken

79 reprisal against any employee pursuant to this paragraph shall rescind any adverse alteration in
80 the terms of employment for such employee and shall offer reinstatement to any terminated
81 employee and shall also be liable for damages and costs of the suit, including a reasonable
82 attorney's fee.

83 SECTION 10. Section 71 of said chapter 151A, as so appearing, is hereby amended by
84 striking out the second paragraph and inserting in place thereof the following paragraph:-

85 Notice of any such redetermination shall be promptly given to the parties entitled to
86 notice of the original determination, in the manner prescribed in this chapter with respect to
87 notice of an original determination. If the amount of benefits would be increased upon such
88 redetermination an appeal therefrom solely with respect to the matters involved in such increase
89 may be filed in the manner and subject to the limitations provided in sections 39 to 40, inclusive.
90 If the amount of benefits would be decreased upon such redetermination, the matters involved in
91 such decrease shall be subject to review in connection with an appeal by the claimant thereon or
92 from any determination upon a subsequent claim for benefits which may be affected in amount
93 or duration by such redetermination. Any proposed decrease or increase of the amount of
94 benefits based upon such a redetermination shall not take effect if any party seeks timely review
95 in accordance with section 39(b). Subject to the same limitations and for the same reasons, the
96 commissioner may reconsider the determination in any case in which a decision has been
97 rendered by the board of review or a court, and may apply to said board or such court which
98 rendered such decision to revoke or modify such decision and the board of review or court may
99 affirm, modify or revoke such decision.
