An Act relative to the chapter 90 program..

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Clause (2) of the first paragraph of section 34 of chapter 90 of the General  
2 Laws, as appearing in the 2006 Official Edition, is hereby amended by striking out the  
3 introductory paragraph and subdivision (a) and inserting in place thereof the following:-

4 Not less than 90 per cent of the balance then remaining shall be used exclusively-

5 (a) For expenditure, under the direction of the department, for maintaining, repairing,  
6 improving and constructing town and county ways and bridges, sidewalks adjacent to the ways  
7 and bridges, bikeways and for design and engineering expenses, together with any money which  
8 any town or county may appropriate for such purposes. The ways, bridges, bikeways and  
9 sidewalks shall remain town and county ways, bridges, bikeways and sidewalks. The remaining  
10 10 per cent of the balance may be used in a manner and for the purposes described above or may  
11 be used for expenditures, under the direction and approval of the department, for other projects  
12 eligible for funding as a transportation enhancement project as described in the Intermodal  
13 Surface Transportation Efficiency Act of 1991, P.L. 102-240, salt storage sheds, public use off-  
14 street parking facilities related to mass transportation, expenses related to highway transportation

15 enhancement and mass transportation purposes, for care, repair, storage, replacement, purchase  
16 and long-term leasing of road building machinery, equipment and tools, for the erection and  
17 maintenance of direction signs and warning signs and for necessary or beneficial improvements  
18 to unpaved town and county ways together with any money which a town or county may  
19 appropriate for such purposes to be used on the same ways, sheds, bikeways, bridges, machinery,  
20 equipment, tools and facilities. The department shall send written notification to each town  
21 advising of the funds apportioned to said town for eligible projects no later than April 1 of each  
22 year. Each town shall submit to the members of the general court a written plan outlining the  
23 projects for which such funds shall be applied no later than April 15 of each year, and further,  
24 each town shall submit to the members of the general court a written report explaining how funds  
25 authorized pursuant to this chapter were spent and advising as to the amount, if any, of any  
26 unexpended funds no later than December 15 of each year. No revenue credited to the Highway  
27 Fund shall be transferred from said fund to any other fund for any other purpose; provided,  
28 however, that such revenue shall be transferred in order to cover fringe benefit costs pursuant to  
29 section 5D or subsection (f) of section 6B of chapter 29. The department shall withhold or  
30 withdraw the unexpended balance of any funds assigned by it under this subdivision if a town  
31 fails to comply with the official standards for traffic control established by the department or  
32 with any traffic control agreement negotiated between the department and a town, as required by  
33 the United States Secretary of Commerce under 23 U.S.C. 109. In this subdivision, the word  
34 “town” shall include city; provided, that towns with a population of less than 10,000 persons  
35 according to the 2000 United States Census shall be allowed to petition said department for a  
36 waiver in the department’s discretion from the percentage limitation.
