

HOUSE No. 3809

The Commonwealth of Massachusetts

In the Year Two Thousand Nine

An Act relative to insurance coverage for autism..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 32A of the General Laws is hereby amended by adding the
2 following section:-

3 Section 24. (a) The commission shall provide to any active or retired employee of the
4 commonwealth who is insured under the group insurance commission benefits on a
5 nondiscriminatory basis to residents of the commonwealth and to all policyholders having a
6 principal place of employment in the commonwealth for the diagnosis and treatment of Autism
7 Spectrum Disorder in individuals.

8 (b) Any such policy shall be deemed to be providing such benefits on a
9 nondiscriminatory basis if the policy does not contain any annual or lifetime dollar or unit of
10 service limitation on coverage for the diagnosis and treatment of said Autism Spectrum
11 Disorders which is less than any annual or lifetime dollar or unit of service limitation imposed on
12 coverage for the diagnosis and treatment of physical conditions. (c) This section will not be
13 construed as limiting benefits that are otherwise available to an individual under a health
14 insurance policy.

15 (d) Coverage under this section will not be subject to any limits on the number of visits
16 an individual may make to an autism services provider. (e) This section will not be construed as
17 affecting any obligation to provide services to an individual under an individualized family
18 service plan, an individualized education program, or an individualized service plan. (f)

19 Definitions - As used in this section:

20 1. "Applied behavior analysis" means the design, implementation, and evaluation of
21 environmental modifications, using behavioral stimuli and consequences, to produce socially
22 significant improvement in human behavior, including the use of direct observation,
23 measurement, and functional analysis of the relationship between environment and behavior.

24 2. "Autism services provider" means any person, entity, or group that provides treatment
25 of autism spectrum disorders.

26 3. "Autism spectrum disorders" means any of the Pervasive Developmental Disorders
27 (PDD) as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental
28 Disorders (DSM), including Autistic Disorder, Asperger's Disorder, and PDD Not Otherwise
29 Specified.

30 4. "Board Certified Behavior Analyst" means a behavior analyst credentialed by the
31 Behavior Analyst Certification Board as a Board Certified Behavior Analyst.

32 5. "Diagnosis of autism spectrum disorders" means medically necessary assessments,
33 evaluations, including neuropsychological evaluations, genetic testing or other tests to diagnose
34 whether an individual has one of the autism spectrum disorders.

35 6. “Habilitative or rehabilitative care” means professional, counseling, and guidance
36 services and treatment programs, including applied behavior analysis supervised by a Board
37 Certified Behavior Analyst, that are necessary to develop, maintain, and restore, to the maximum
38 extent practicable, the functioning of an individual.

39 7. “Pharmacy care” means medications prescribed by a licensed physician and any
40 health-related services deemed medically necessary to determine the need or effectiveness of the
41 medications, to the same extent that pharmacy care is provided by the policy for other medical
42 conditions.

43 8. “Psychiatric care” means direct or consultative services provided by a psychiatrist
44 licensed in the state in which the psychiatrist practices.

45 9. “Psychological care” means direct or consultative services provided by a psychologist
46 licensed in the state in which the psychologist practices.

47 10. “Therapeutic care” means services provided by licensed or certified speech therapists,
48 occupational therapists, physical therapists or social workers.

49 11. “Treatment of Autism Spectrum Disorders” will include the following care
50 prescribed, provided, or ordered for an individual diagnosed with one of the autism spectrum
51 disorders by a licensed physician or a licensed psychologist who determines the care to be
52 medically necessary:

53 a. habilitative or rehabilitative care;

54 b. pharmacy care;

55 c. psychiatric care;

56 d. psychological care; and

57 e. therapeutic care.

58 SECTION 2. Chapter 175 of the General Laws is hereby amended by inserting the
59 following new section after section 47T:-

60 Section 47U

61 (a) Any individual policy of accident and sickness insurance issued pursuant to section
62 108, which provides hospital expense and surgical expense insurance, and any group blanket or
63 general policy of accident and sickness insurance issued pursuant to section 110, which provides
64 hospital expense and surgical expense insurance, which is issued or renewed within or without
65 the commonwealth, shall provide benefits on a nondiscriminatory basis to residents of the
66 commonwealth and to all policyholders having a principal place of employment in the
67 commonwealth for the diagnosis and treatment of Autism Spectrum Disorder in individuals.

68 (b) Any such policy shall be deemed to be providing such benefits on a
69 nondiscriminatory basis if the policy does not contain any annual or lifetime dollar or unit of
70 service limitation on coverage for the diagnosis and treatment of said Autism Spectrum
71 Disorders which is less than any annual or lifetime dollar or unit of service limitation imposed on
72 coverage for the diagnosis and treatment of physical conditions.

73 (c) This section will not be construed as limiting benefits that are otherwise available to
74 an individual under a health insurance policy.

75 (d) Coverage under this section will not be subject to any limits on the number of visits
76 an individual may make to an autism services provider.

77 (e) This section will not be construed as affecting any obligation to provide services to an
78 individual under an individualized family service plan, an individualized education program, or
79 an individualized service plan.

80 (f) Definitions - As used in this section:

81 1. "Applied behavior analysis" means the design, implementation, and evaluation of
82 environmental modifications, using behavioral stimuli and consequences, to produce socially
83 significant improvement in human behavior, including the use of direct observation,
84 measurement, and functional analysis of the relationship between environment and behavior.

85 2. "Autism services provider" means any person, entity, or group that provides treatment
86 of autism spectrum disorders.

87 3. "Autism spectrum disorders" means any of the Pervasive Developmental Disorders
88 (PDD) as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental
89 Disorders (DSM), including Autistic Disorder, Asperger's Disorder, and PDD Not Otherwise
90 Specified.

91 4. "Board Certified Behavior Analyst" means a behavior analyst credentialed by the
92 Behavior Analyst Certification Board as a Board Certified Behavior Analyst.

93 5. "Diagnosis of autism spectrum disorders" means medically necessary assessments,
94 evaluations, including neuropsychological evaluations, genetic testing or other tests to diagnose
95 whether an individual has one of the autism spectrum disorders.

96 6. "Habilitative or rehabilitative care" means professional, counseling, and guidance
97 services and treatment programs, including applied behavior analysis supervised by a Board

98 Certified Behavior Analyst, that are necessary to develop, maintain, and restore, to the maximum
99 extent practicable, the functioning of an individual.

100 7. “Pharmacy care” means medications prescribed by a licensed physician and any
101 health-related services deemed medically necessary to determine the need or effectiveness of the
102 medications, to the same extent that pharmacy care is provided by the policy for other medical
103 conditions.

104 8. “Psychiatric care” means direct or consultative services provided by a psychiatrist
105 licensed in the state in which the psychiatrist practices.

106 9. “Psychological care” means direct or consultative services provided by a psychologist
107 licensed in the state in which the psychologist practices.

108 10. “Therapeutic care” means services provided by licensed or certified speech therapists,
109 occupational therapists, physical therapists or social workers.

110 11. “Treatment of Autism Spectrum Disorders” will include the following care
111 prescribed, provided, or ordered for an individual diagnosed with one of the autism spectrum
112 disorders by a licensed physician or a licensed psychologist who determines the care to be
113 medically necessary:

114 a. habilitative or rehabilitative care;

115 b. pharmacy care;

116 c. psychiatric care;

117 d. psychological care; and

118 e. therapeutic care.

119 SECTION 3. Chapter 176A of the General Laws is hereby amended by inserting after
120 section 8AA, the following section:-

121 Section 8AB. (a) Any contract between a subscriber and the corporation under an
122 individual or group hospital service plan which is issued or renewed within or without the
123 commonwealth shall provide benefits on a nondiscriminatory basis to residents of the
124 commonwealth and to all policyholders having a principal place of employment in the
125 commonwealth for the diagnosis and treatment of Autism Spectrum Disorder in individuals.

126 (b) Any such policy shall be deemed to be providing such benefits on a
127 nondiscriminatory basis if the policy does not contain any annual or lifetime dollar or unit of
128 service limitation on coverage for the diagnosis and treatment of said Autism Spectrum
129 Disorders which is less than any annual or lifetime dollar or unit of service limitation imposed on
130 coverage for the diagnosis and treatment of physical conditions.

131 (c) This section will not be construed as limiting benefits that are otherwise available to
132 an individual under a health insurance policy.

133 (d) Coverage under this section will not be subject to any limits on the number of visits
134 an individual may make to an autism services provider.

135 (e) This section will not be construed as affecting any obligation to provide services to an
136 individual under an individualized family service plan, an individualized education program, or
137 an individualized service plan.

138 (f) Definitions - As used in this section:

139 1. “Applied behavior analysis” means the design, implementation, and evaluation of
140 environmental modifications, using behavioral stimuli and consequences, to produce socially
141 significant improvement in human behavior, including the use of direct observation,
142 measurement, and functional analysis of the relationship between environment and behavior.

143 2. “Autism services provider” means any person, entity, or group that provides treatment
144 of autism spectrum disorders.

145 3. “Autism spectrum disorders” means any of the Pervasive Developmental Disorders
146 (PDD) as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental
147 Disorders (DSM), including Autistic Disorder, Asperger’s Disorder, and PDD Not Otherwise
148 Specified.

149 4. "Board Certified Behavior Analyst" means a behavior analyst credentialed by the
150 Behavior Analyst Certification Board as a Board Certified Behavior Analyst.

151 5. “Diagnosis of autism spectrum disorders” means medically necessary assessments,
152 evaluations, including neuropsychological evaluations, genetic testing or other tests to diagnose
153 whether an individual has one of the autism spectrum disorders.

154 6. “Habilitative or rehabilitative care” means professional, counseling, and guidance
155 services and treatment programs, including applied behavior analysis supervised by a Board
156 Certified Behavior Analyst, that are necessary to develop, maintain, and restore, to the maximum
157 extent practicable, the functioning of an individual.

158 7. “Pharmacy care” means medications prescribed by a licensed physician and any
159 health-related services deemed medically necessary to determine the need or effectiveness of the

160 medications, to the same extent that pharmacy care is provided by the policy for other medical
161 conditions.

162 8. “Psychiatric care” means direct or consultative services provided by a psychiatrist
163 licensed in the state in which the psychiatrist practices.

164 9. “Psychological care” means direct or consultative services provided by a psychologist
165 licensed in the state in which the psychologist practices.

166 10. “Therapeutic care” means services provided by licensed or certified speech therapists,
167 occupational therapists, physical therapists or social workers.

168 11. “Treatment of Autism Spectrum Disorders” will include the following care
169 prescribed, provided, or ordered for an individual diagnosed with one of the autism spectrum
170 disorders by a licensed physician or a licensed psychologist who determines the care to be
171 medically necessary:

172 a. habilitative or rehabilitative care;

173 b. pharmacy care;

174 c. psychiatric care;

175 d. psychological care; and

176 e. therapeutic care.

177 SECTION 4. Chapter 176B of the General Laws is hereby amended by inserting after
178 section 4R, the following section:-

179 Section 4S. (a) Any subscription certificate under an individual or group medical service
180 agreement which is issued or renewed within or without the commonwealth shall provide
181 benefits on a nondiscriminatory basis to residents of the commonwealth and to all policyholders
182 having a principal place of employment in the commonwealth for the diagnosis and treatment of
183 Autism Spectrum Disorder in individuals.

184 (b) Any such policy shall be deemed to be providing such benefits on a
185 nondiscriminatory basis if the policy does not contain any annual or lifetime dollar or unit of
186 service limitation on coverage for the diagnosis and treatment of said Autism Spectrum
187 Disorders which is less than any annual or lifetime dollar or unit of service limitation imposed on
188 coverage for the diagnosis and treatment of physical conditions.

189 (c) This section will not be construed as limiting benefits that are otherwise available to
190 an individual under a health insurance policy.

191 (d) Coverage under this section will not be subject to any limits on the number of visits
192 an individual may make to an autism services provider.

193 (e) This section will not be construed as affecting any obligation to provide services to an
194 individual under an individualized family service plan, an individualized education program, or
195 an individualized service plan.

196 (f) Definitions - As used in this section:

197 1. "Applied behavior analysis" means the design, implementation, and evaluation of
198 environmental modifications, using behavioral stimuli and consequences, to produce socially

199 significant improvement in human behavior, including the use of direct observation,
200 measurement, and functional analysis of the relationship between environment and behavior.

201 2. “Autism services provider” means any person, entity, or group that provides treatment
202 of autism spectrum disorders.

203 3. “Autism spectrum disorders” means any of the Pervasive Developmental Disorders
204 (PDD) as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental
205 Disorders (DSM), including Autistic Disorder, Asperger’s Disorder, and PDD Not Otherwise
206 Specified.

207 4. "Board Certified Behavior Analyst" means a behavior analyst credentialed by the
208 Behavior Analyst Certification Board as a Board Certified Behavior Analyst.

209 5. “Diagnosis of autism spectrum disorders” means medically necessary assessments,
210 evaluations, including neuropsychological evaluations, genetic testing or other tests to diagnose
211 whether an individual has one of the autism spectrum disorders.

212 6. “Habilitative or rehabilitative care” means professional, counseling, and guidance
213 services and treatment programs, including applied behavior analysis supervised by a Board
214 Certified Behavior Analyst, that are necessary to develop, maintain, and restore, to the maximum
215 extent practicable, the functioning of an individual.

216 7. “Pharmacy care” means medications prescribed by a licensed physician and any
217 health-related services deemed medically necessary to determine the need or effectiveness of the
218 medications, to the same extent that pharmacy care is provided by the policy for other medical
219 conditions.

220 8. “Psychiatric care” means direct or consultative services provided by a psychiatrist
221 licensed in the state in which the psychiatrist practices.

222 9. “Psychological care” means direct or consultative services provided by a psychologist
223 licensed in the state in which the psychologist practices.

224 10. “Therapeutic care” means services provided by licensed or certified speech therapists,
225 occupational therapists, physical therapists or social workers.

226 11. “Treatment of Autism Spectrum Disorders” will include the following care
227 prescribed, provided, or ordered for an individual diagnosed with one of the autism spectrum
228 disorders by a licensed physician or a licensed psychologist who determines the care to be
229 medically necessary:

230 a. habilitative or rehabilitative care;

231 b. pharmacy care;

232 c. psychiatric care;

233 d. psychological care; and

234 e. therapeutic care.

235 SECTION 5. Said chapter 176G is hereby amended by inserting after section 4Q, as so
236 appearing, the following section:-

237 Section 4R. (a) A health maintenance contract issued or renewed within or without the
238 commonwealth shall provide benefits on a nondiscriminatory basis to residents of the

239 commonwealth and to all policyholders having a principal place of employment in the
240 commonwealth for the diagnosis and treatment of Autism Spectrum Disorder in individuals.

241 (b) Any such policy shall be deemed to be providing such benefits on a
242 nondiscriminatory basis if the policy does not contain any annual or lifetime dollar or unit of
243 service limitation on coverage for the diagnosis and treatment of said Autism Spectrum
244 Disorders which is less than any annual or lifetime dollar or unit of service limitation imposed on
245 coverage for the diagnosis and treatment of physical conditions.

246 (c) This section will not be construed as limiting benefits that are otherwise available to
247 an individual under a health insurance policy.

248 (d) Coverage under this section will not be subject to any limits on the number of visits
249 an individual may make to an autism services provider.

250 (e) This section will not be construed as affecting any obligation to provide services to an
251 individual under an individualized family service plan, an individualized education program, or
252 an individualized service plan.

253 (f) Definitions - As used in this section:

254 1. "Applied behavior analysis" means the design, implementation, and evaluation of
255 environmental modifications, using behavioral stimuli and consequences, to produce socially
256 significant improvement in human behavior, including the use of direct observation,
257 measurement, and functional analysis of the relationship between environment and behavior.

258 2. "Autism services provider" means any person, entity, or group that provides treatment
259 of autism spectrum disorders.

260 3. "Autism spectrum disorders" means any of the Pervasive Developmental Disorders
261 (PDD) as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental
262 Disorders (DSM), including Autistic Disorder, Asperger's Disorder, and PDD Not Otherwise
263 Specified.

264 4. "Board Certified Behavior Analyst" means a behavior analyst credentialed by the
265 Behavior Analyst Certification Board as a Board Certified Behavior Analyst.

266 5. "Diagnosis of autism spectrum disorders" means medically necessary assessments,
267 evaluations, including neuropsychological evaluations, genetic testing or other tests to diagnose
268 whether an individual has one of the autism spectrum disorders.

269 6. "Habilitative or rehabilitative care" means professional, counseling, and guidance
270 services and treatment programs, including applied behavior analysis supervised by a Board
271 Certified Behavior Analyst, that are necessary to develop, maintain, and restore, to the maximum
272 extent practicable, the functioning of an individual.

273 7. "Pharmacy care" means medications prescribed by a licensed physician and any
274 health-related services deemed medically necessary to determine the need or effectiveness of the
275 medications, to the same extent that pharmacy care is provided by the policy for other medical
276 conditions.

277 8. "Psychiatric care" means direct or consultative services provided by a psychiatrist
278 licensed in the state in which the psychiatrist practices.

279 9. "Psychological care" means direct or consultative services provided by a psychologist
280 licensed in the state in which the psychologist practices.

281 10. “Therapeutic care” means services provided by licensed or certified speech therapists,
282 occupational therapists, physical therapists or social workers.

283 11. “Treatment of Autism Spectrum Disorders” will include the following care
284 prescribed, provided, or ordered for an individual diagnosed with one of the autism spectrum
285 disorders by a licensed physician or a licensed psychologist who determines the care to be
286 medically necessary:

287 a. habilitative or rehabilitative care;

288 b. pharmacy care;

289 c. psychiatric care;

290 d. psychological care; and

291 e. therapeutic care.

292 SECTION 6. All policies, contracts and certificates of health insurance subject to the
293 provisions of section 24 of chapter 32A, section 47U of chapter 175, section 8AB of chapter
294 176A, section 4S of chapter 176B, and section 4R of chapter 176G of the General Laws which
295 are delivered, issued, or renewed on or after January 1, 2010 shall conform with the provisions of
296 this act. Form filings implementing this act shall be subject to the approval of the commissioner
297 of insurance.

298 SECTION 7. This act shall take effect on January 1, 2010.
