409 regulations adopted pursuant to this act.

410 (j) The authority may investigate, for purposes of prosecutions any suspected criminal
411 violation of this act; provided, however, that nothing in this section shall be deemed to limit the
412 investigatory and prosecutorial powers of other state and local officials and agencies, including
413 district attorneys and police departments.

414 (k) The authority may recommend to the commission the denial of any application, the
415 limitation, conditioning, restriction, suspension, or revocation of any license, permit, registration

456 confidential or privileged status for having been disclosed to the authority.

457 (c) No statement, and no publication of any document, described in this section shall
458 impose liability for defamation or constitute a ground for recovery in any civil action. If any
459 document or communication described above contains any information that is privileged or

461 document or communication is disclosed to the authority or the commission or any of their
462 agents or employees.

463 (d) The attorney general, every district attorney, and every state and local law
464 enforcement agency shall notify the authority of any investigation or prosecution of any person if

474 unsuitable persons, or persons whose operations are conducted in an unsuitable manner or in
475 unsuitable or prohibited places or locations, as provided in commission regulations. All expenses
476 associated with the licensing of any applicant shall be borne by the applicant. Pursuant to its

497 of the operating entity or the premises as the commission may require. In no event shall the
498 commission permit person or entity previously convicted of a felony to be a party in interest of
499 the operating entity or of the premises or of any holding or intermediary company of the
500 operating entity or the premises. A separate license shall be required for any person described

518 development and operation of the resort casino and the applicable rules and regulations
519 prescribed by the commission.

520 (h) No application for any gaming license established under this act shall be granted
521 without a majority vote of those voting in a local referendum of the host community in
522 accordance with the procedures established under the general laws.

523 (i) A person may apply to be a licensed operator by filing an application with the
524 commission, in the form and with such accompanying application fees as the commission may
525 establish. Information on the application will be used as the basis for a thorough background

544 license. No licensed operator shall enter into any agreement for the receipt of goods or services,

554 found suitable under the provisions of this act, may be issued a state gaming license or found
555 suitable, as appropriate. The burden of proving his qualification to receive any license or be
556 found suitable is on the applicant. A license to operate a gaming establishment must not be
557 granted unless the applicant has satisfied the commission that he or she has adequate business

562 associated with gaming, as appropriate. The commission may limit the license or place such
563 conditions thereon as it may deem necessary in the public interest. The commission may, if it
564 considers necessary, issue a probationary license. No state gaming license may be assigned either
565 in whole or in part. The commission may limit or place such conditions as it may deem necessary
566 in the public interest upon any registration, finding of suitability or approval for which
567 application has been made. A licensee may be granted a temporary gaming license to operate a

584 and kept posted at all times in a conspicuous place in the area where gaming is conducted in the

587 this act, the commission may cause to be made such investigation into and conduct such hearings
588 concerning the qualifications of the applicant in accordance with its regulations as it may deem

622 shall cooperate with the commission and the authority in the performance of their duties.

623 (y) The authority and its employees and agents, upon approval of the director, shall have
624 the authority, without notice and without warrant to inspect and examine all premises wherein
625 gaming is conducted; or gaming devices or equipment are manufactured, sold, distributed, or

642 thirty A of the General Laws. Any such determination shall contain a notice of this right to
643 request a hearing and may specify a time limit, not to exceed twenty-one days, within which said
644 person shall request said hearing. If no such request is timely made, the determination shall be
645 deemed assented to. If a timely request is received, the commission shall within a reasonable
646 time act upon a request in accordance with the provisions of said Chapter 30 A. A person

745 correction for not more than five years and by a fine of not more than five thousand dollars, or by
746 imprisonment in a house of correction for not more than ten years and by a fine of not more than
747 ten thousand dollars if the total value is more than one thousand dollars.

748 (m) In addition to any other penalty imposed under this section, a violation of this section
749 by a licensed gaming establishment shall subject to forfeiture to the commonwealth any or all of
750 the gaming equipment related to the violation. A district attorney may petition the superior court
751 in the name of the commonwealth in the nature of a proceeding in rem to order forfeiture of any
752 such gaming equipment subject to forfeiture under the provisions of this paragraph. Such petition
753 shall be filed in the court having jurisdiction over said gaming equipment or having final
754 jurisdiction over any related criminal proceedings brought under any provision of this chapter. In
755 all such suits where the property is claimed by any person, other than the commonwealth, the
756 commonwealth shall have the burden of proving to the court the existence of probable cause to
757 institute the action, and any such claimant shall then have the burden of proving that the gaming
758 equipment is not forfeitable. The court shall order the commonwealth to give notice by certified

759 or registered mail to the owner of said gaming equipment and to such other persons as appear to
760 have an interest therein, and the court shall promptly, but not less than two weeks after notice,
761 hold a hearing on the petition. Upon the motion of the owner of said gaming equipment the court
762 may continue the hearing on the petition pending the outcome of any criminal trial related to the
763 violation of this chapter. At such hearing the court shall hear evidence and make conclusions of
764 law, and shall thereupon issue a final order, from which the parties shall have a right of appeal.
765 In all such suits where a final order results in a forfeiture, said final order shall provide for
766 disposition of said gaming equipment, by the commonwealth in any manner not prohibited by
767 law, including official use by an authorized law enforcement or in other public agency, or sale at
768 public auction or by competitive bidding. The proceeds of any such sale shall be used to pay the
769 reasonable expenses of the forfeiture proceedings, seizure, storage, maintenance of custody,
770 advertising, and notice, and the balance thereof shall be deposited in the gaming regulatory
771 account established by this chapter.

772 SECTION 9. Revenues. License Fees. Penalties.

773 (a) Each gaming establishment shall pay to the commission a minimum sum equal to
774 27% of gross gaming revenues, post payout and pre-expenses, from all table games, slot
775 machines or video gaming devices.

776 (b) There is hereby established a gaming investigative account. Any and all expenses
777 associated with the licensing of any applicant and monitoring of any licensee shall be borne by
778 the applicant or licensee. Pursuant to its regulations, the commission shall require each applicant
779 to deposit with the commission, together with the application therefore, an application fee which
780 shall be deposited in the gaming investigative account. Such fee shall constitute the anticipated

781 costs and charges incurred in the investigation and processing of the application, and any
782 additional sums as required by the commission and the authority to pay final costs and charges.
783 Expenses may be advanced from the gaming investigative account by the commission to the
784 authority. Any money received from an applicant in excess of the costs and charges incurred in
785 the investigation or the processing of the application shall be refunded pursuant to regulations
786 adopted by the commission. At the conclusion of the investigation the bureau shall provide the
787 applicant a written accounting of the costs and charges so incurred.

788 (c) Two-thirds all fees, revenue, and penalties collected pursuant to this act, with the
789 exception of those revenues collected as stated in Section 9 (a) of this act, shall be deposited in
790 the general fund. Funds deposited in the general fund, pursuant to this act, shall, subject to
791 appropriation, be expended for the support of the commission and the bureau in carrying out
792 their duties and responsibilities under this act. One-third of all fees, revenue, and penalties
793 collected pursuant to this act, with the exception of those revenues collected as stated in section
794 nine (a) of this act, shall go directly to cities and towns in the form of local aid toward general
795 operations using the lottery formula.

796 (d) All revenue received from any game or gaming device which is leased for operation
797 on the premises of the licensee-owner to a person other than the owner thereof, or located in an
798 area or space on the premises which is leased by the licensee-owner to any such person, must be
799 attributed to the owner for the purposes of this section and be counted as part of the gross
800 revenue of the owner. The lessee is liable to the owner for his proportionate share of the license
801 fees.

802 (e) In addition to any other tax or fee imposed by this act, there is also hereby imposed an
803 annual fee of 5 million dollars for gaming license holders, and an annual license fee of \$1,000
804 upon every slot machine maintained for use or in use in any licensed gaming facility in the
805 commonwealth.

806 (f) All gaming license fees and penalties imposed by the provisions of this act must be
807 paid to the state treasurer, two-thirds to be deposited into the general fund and the remaining
808 third directly to a special account to be distributed to the cities and towns of the Commonwealth.
809 Fees shall be paid annually on or before June twentieth. Penalties imposed under this act shall be
810 paid within thirty days of the final determination of the commission of the violation.

811 (g) There is hereby imposed upon each slot machine operated in this state an annual
812 excise tax of five hundred dollars. If a slot machine is replaced by another, the replacement is
813 not considered a different slot machine for the purpose of imposing this tax. The commission
814 shall collect the tax annually on or before June twentieth, as a condition precedent to the issuance
815 of a state gaming license to operate any slot machine for the ensuing fiscal year beginning July
816 first, from a licensee whose operation is continuing; collect the tax in advance from a licensee
817 who begins operation or puts additional slot machines into play during the fiscal year prorated
818 monthly after July thirty-first; include the proceeds of the tax in its reports of state gaming taxes
819 collected. The commission shall pay over not less than one half of the tax as collected to the
820 treasurer of the municipality within which the gaming facility is located to be deposited to the
821 general fund of said municipality. Not more than one half of the tax as collected shall go to
822 communities surrounding the host community for the purposes of traffic and public safety
823 concerns resulting from the operation of the gaming facility as prescribed according to the
824 commission.

825 (h) If the growth in lottery receipts is less than the average of the prior five years, the
826 difference in revenues will be provided to the lottery from the fees, revenue and penalties
827 collected pursuant to this act, for the purpose of local aid to the municipalities in the
828 Commonwealth, provided the lottery payout percentages do not change and the number of games
829 remains the same or greater. This provision will be applicable for the first 5 years for each
830 gaming facility licensed by the commission.

831 SECTION 10. Reporting Violations of Act.

832 All licensees, all registrants, all persons required to be qualified under this act, and all
833 persons employed by a gaming service industry licensed pursuant to this act, shall have a duty to
834 inform the commission or authority of any action which they believe would constitute a violation
835 of this act. No person who so informs the commission or the authority shall be discriminated
836 against by an applicant licensee or registrant because of the supplying of such information.

837 SECTION 11. Licensing of Gaming Service Industries.

838 (a) All gaming service industries as defined in this act offering goods or services which
839 directly relate to gaming activities or indirectly relate to gaming operations shall be licensed in
840 accordance with rules of the commission and prior to conducting any business whatsoever with a
841 gaming applicant or licensee, its employees or agents, and in the case of a school prior to
842 enrollment of any students or offering of any courses to the public whether for compensation or
843 not. Gaming service industries that directly relate to gaming activities shall include gaming and
844 wagering equipment manufacturers, suppliers and repairers, schools teaching gaming and either
845 playing or dealing techniques, and gaming security services. Gaming service industries that
846 indirectly relate to gaming operations shall include junket enterprises; suppliers of alcoholic

847 beverages, food and nonalcoholic beverages; garbage handlers; vending machine providers; linen
848 suppliers; maintenance companies; shopkeepers located within the approved hotels; limousine
849 services and construction companies contracting with gaming applicants or licensees or their
850 employees or agents.

851 (b) Each gaming service industry, as well as its owners, management and supervisory
852 personnel and other principal employees must qualify under standards promulgated by the
853 commission.

854 (c) The commission may exempt any person or field of commerce from the licensing
855 requirements of this subsection if the person or field of commerce demonstrates that it is
856 regulated by a public agency or that it will provide goods or services in insubstantial or
857 insignificant amounts or quantities, or provides professional services such as accountants,
858 auditors, attorneys, or broker dealers, and that licensing is not deemed necessary in order to
859 protect the public interest or to accomplish the policies established by this act. Upon granting an
860 exemption or at any time thereafter, the commission may limit or place such restrictions
861 thereupon as it may deem necessary in the public interest, and shall require the exempted person
862 to cooperate with the commission and the authority and, upon request, to provide information in
863 the same manner as required of a gaming service industry licensed pursuant to this section.

864 (d) Licensure pursuant to this section of any gaming service industry may be denied to
865 any applicant disqualified in accordance with the criteria contained in section six of this act.

866 SECTION 12. Problem Gambling. Education and Treatment.

867 The department of public health is hereby authorized and directed to conduct a
868 comprehensive study to measure the prevalence of compulsive, obsessive behaviors in

869 Massachusetts; to measure the prevalence of problem gambling in Massachusetts; to measure the
870 prevalence of underage problem gambling in Massachusetts; and, to measure the social cost of
871 problem gambling in Massachusetts; and to develop appropriate treatment modalities and public
872 education strategies that address the findings of said study.

873 SECTION 13. Disclosure Requirements.

874 Every licensed gaming establishment shall disclose clearly and conspicuously on each
875 electronic gaming device the numerical odds of winning or if the odds cannot be calculated, the
876 manner by which a person may be notified of all previous winnings on each electronic gaming
877 device, and the number of previous winners.

878 SECTION 14. Recovery of Gaming Debts by Patrons.

879 (a) Whenever a licensee refuses payment of alleged winnings to a patron, the licensee and
880 the patron are unable to resolve the dispute to the satisfaction of the patron and the dispute
881 involves:

882 1) at least five hundred dollars, the licensee shall immediately notify the authority;

883 2) less than five hundred dollars, the licensee shall inform the patron of his right to
884 request that the authority conduct an investigation.

885 The authority shall conduct whatever investigation it deems necessary and shall
886 determine, in its sole discretion and without need for a hearing whether payment should be done.
887 In the event the authority determines that payment should be made, all costs of the investigation
888 shall be borne by the licensee. Failure of the licensee to notify the authority or inform the patron
889 as provided herein shall subject the licensee to disciplinary action.

890 (b) Any party aggrieved by the determination of the authority may file a petition for
891 reconsideration with the commission setting forth the basis of the request for reconsideration.
892 Any hearing for reconsideration shall be conducted pursuant to regulations adopted by the
893 commission.

894 SECTION 15. Severability.

895 The invalidity of any section, sections or subsections or parts of this act shall not affect
896 the validity of the remainder of this act.
