“Substantial action”, adopting, publicizing and implementing a formal plan to cease

SECTION 2. Notwithstanding any general or special law to the contrary, within 90 days
of the effective date of this act, the public fund shall make its best efforts to facilitate the
identification of all scrutinized companies in which the public fund has direct or indirect
holdings. The identification of scrutinized companies shall be the responsibility of an
independent, third-party research firm, as identified by the public fund, and based on the criteria
set forth in this act. By the first meeting of the public fund following the 90 day period, the
public fund shall assemble all scrutinized companies in which it has direct or indirect holdings
into a scrutinized companies list. The public fund shall update the scrutinized companies list on a
quarterly basis based on evolving information from the aforementioned independent, third-party
research firm.
SECTION 3. Notwithstanding any general or special law to the contrary, the public fund shall adhere to the following procedure for companies on the scrutinized companies list:

(a)(1) The public fund shall determine the companies on the scrutinized companies list, created pursuant to section 2, in which the public fund owns direct or indirect holdings.

(2) The public fund shall sell, redeem, divest or withdraw all publicly-traded securities of each company identified in paragraph (1) with active business operations in Iran, except as provided in subsection (c) and section 6, according to the following schedule: (i) at least 50 per cent of such assets shall be removed from the public fund’s assets under management within 6 months after the company’s most recent appearance on the scrutinized companies list; and (ii) 100 per cent of such assets shall be removed from the public fund’s assets under management within 12 months after the company’s most recent appearance on the scrutinized companies list; provided, however, that this paragraph shall only apply while such company continues to have scrutinized active business operations in Iran.

(3) During the time period outlined in paragraph (2), the public fund may sign onto engagement letters or participate in shareholder resolutions regarding the scrutinized business operations of companies identified in paragraph (1) with active or inactive business operations in Iran in which the public fund still owns direct or indirect holdings;

(4) If a company identified in paragraph (1) with only inactive business operations in Iran converts such operations to active business operations in Iran, paragraph (2) shall immediately apply. The company shall also be immediately placed onto the scrutinized companies list.
(b) At no time shall the public fund acquire securities of companies on the scrutinized companies list that have active business operations in Iran, except as provided in subsections (c) and (d).

(c) No company which the United States government affirmatively declares to be excluded from its present or any future federal sanctions regime relating to the government of Iran shall be subject to divestment or an investment prohibition pursuant to subsections (a) and (b).

(d) Notwithstanding anything herein to the contrary, subsections (a) and (b) shall not apply to indirect holdings in actively managed investment funds; provided, however, that the public fund shall submit letters to the managers of such investment funds containing companies with scrutinized active business operations in Iran requesting that they consider removing such companies from the investment fund or create a similar actively managed fund with indirect holdings devoid of such companies. If the manager creates a similar fund, the public fund shall replace all applicable investments with investments in the similar fund in an expedited timeframe consistent with prudent investing standards. For the purposes of this section, private equity funds shall be deemed to be actively managed investment funds.

SECTION 4. Notwithstanding any general or special law to the contrary, with respect to actions taken in compliance with this act, the public fund shall be exempt from any conflicting statutory or common law obligations, including any such obligations with respect to choice of asset managers, investment funds or investments for the public fund’s securities portfolios and all good faith determinations regarding companies as required by this act.
SECTION 5. Notwithstanding any general or special law to the contrary, the public fund shall be permitted to cease divesting from certain scrutinized companies pursuant to subsection (a) of section 3, reinvest in certain scrutinized companies from which it divested pursuant to said subsection (a) of said section 3 or continue to invest in certain scrutinized companies from which it has not yet divested upon clear and convincing evidence showing that the total and aggregate value of all assets under management by, or on behalf of, the public fund becomes: (i) equal to or less than 99.5 per cent, or (ii) 100 per cent less 50 basis points of the hypothetical value of all assets under management by, or on behalf of, the public fund assuming no divestment for any company had occurred under said subsection (a) of said section 3. Cessation of divestment, reinvestment or any subsequent ongoing investment authorized by this section shall be strictly limited to the minimum steps necessary to avoid the contingency set forth in the preceding sentence.

For any cessation of divestment, and in advance of such cessation, authorized by this subsection, the public fund shall provide a written report to the attorney general, the senate and house committees on ways and means and the joint committee on public service, updated semi-annually thereafter as applicable, setting forth the reasons and justification, supported by clear and convincing evidence, for its decisions to cease divestment of holdings in companies on the scrutinized companies list or to reinvest or remain invested in companies with scrutinized active business operations in Iran.

SECTION 6. The public fund shall file a copy of the scrutinized companies list with the clerks of the senate and the house of representatives and the attorney general within 30 days after the list is created. Annually thereafter, the public fund shall file a report with the clerks of the senate and the house of representatives and the attorney general that includes: (1) the most recent
scrutinized companies list; (2) all investments sold, redeemed, divested or withdrawn in compliance with subsection (a) of section 3; (3) all prohibited investments from which the public fund has not yet divested pursuant to subsection (b) of section 3; and (4) any progress made under subsection (d) of section 3.

SECTION 7. This act shall expire upon: (i) the United States Department of State removing Iran from its list of state sponsors of terrorism and certifying that Iran is no longer pursuing a nuclear capability in violation of its international commitments and obligations; or (ii) the President of the United States declaring that this act interferes with the conduct of the United States foreign policy.
