61 those proposed by Weston and approved by the Department, and shall fall within one or more of  
62 the following six categories:

87   financial books and records of Weston, their successors, lessees, and assigns, and the original

98   Weston and the department shall execute and cause to be recorded an amendment to the existing  
99   restriction, said amendment placing under restriction that portion of the currently unrestricted  
100   30,000 square feet of land owned by Weston that lies outside the boundaries of the land proposed  
101   to be released under Section 1. Upon the recording thereof, this portion shall be governed by the
