—————

An Act relative to equitable school reimbursement funds.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide additional revenues for school districts, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Notwithstanding section 72 of chapter 44 of the General Laws or any other general or
2 special law to the contrary, any funds received by a city, town or regional school district pursuant
3 to said section 72 shall be considered unrestricted revenue of the city, town or regional school
4 district. Commencing in fiscal year 2012, and every year thereafter, a city or town shall deposit
5 in a separate account for expenditures by the school committee not less than 50 per cent of any
6 such funds received. A school committee may receive a percentage of such amount that is larger
7 than said 50 per cent if the committee negotiates an agreement with the executive body of the
8 city or town to receive such a larger percentage. A school committee may make expenditures
9 from the separate account for any lawful educational purpose without further appropriation. Any

10 expenditure from said account shall not be considered net school spending. The receipt of such
11 funds by the school committee from the municipality shall not affect the calculation of the
12 minimum required local contribution and state school aid as defined in section 2 of chapter 70 of
13 the General Laws.
