An Act regarding residential habilitation.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 118 E is hereby amended by adding after section 10F, the  
2 following new section:--

3 Section 10G. The division shall provide coverage for residential habilitation services for  
4 individuals age sixty or older, if such individual has been determined by the division to be  
5 clinically eligible for long term care services, and requires said residential habilitation services in  
6 order to remain living in the least restrictive setting appropriate to meet his needs in accordance  
7 with section 6 of this chapter.

8 The term ‘residential habilitation’ shall mean ongoing services and supports provided to  
9 beneficiaries in a residential setting that are designed to assist beneficiaries in acquiring,  
10 maintaining, or improving the skills necessary to live in a community setting. Residential  
11 habilitation provides beneficiaries with daily staff intervention including care, supervision, and  
12 assistance in activities of daily living, instrumental activities of daily living, and community

- 13 integration in a residential setting qualified by the division with 24-hour staffing . Residential
- 14 habilitation may include the provision of medical and health-care services that are integral to
- 15 meeting the daily needs of beneficiaries.
