The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act to limit retroactive denials of health insurance claims.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 38 of chapter 118E, as appearing in the 2006 Official Edition of the
2 General Laws, is hereby amended by adding the following new paragraph:—

3 In this paragraph, "retroactive denial of a previously paid claim" means any attempt by
4 the Division to retroactively collect payments already made to a health care provider with respect
5 to a claim by requiring repayment of such payments, reducing other payments currently owed to
6 the provider, withholding or setting off against future payments, or reducing or affecting the
7 future claim payments to the provider in any other manner. The Division shall not impose on any
8 health care provider any retroactive denial of a previously paid claim or any part thereof unless:

9 (a) The Division has provided the reason for the retroactive denial in writing to the
10 health care provider; and

11 (b) The time which has elapsed since the date of payment of the challenged claim
12 does not exceed 12 months. The retroactive denial of a previously paid claim may be permitted
13 beyond 12 months from the date of payment only for the following reasons:

14 (1) The claim was submitted fraudulently;

15 (2) The claim payment was incorrect because the provider or the insured was
16 already paid for the health care services identified in the claim;

17 (3) The health care services identified in the claim were not delivered by the
18 physician/provider;

19 (4) The claim payment is the subject of adjustment with another insurer,
20 administrator, or payor; or

21 (5) The claim payment is the subject of legal action.

22 The Division shall notify a health care provider at least 15 days in advance of the
23 imposition of any retroactive denials of previously paid claims. The health care provider shall
24 have 6 months from the date of notification under this paragraph to determine whether the
25 insured has other appropriate insurance, which was in effect on the date of service.

26 Notwithstanding the contractual terms between the Division and provider, the Division shall
27 allow for the submission of a claim that was previously denied by another insurer due to the
28 insured's transfer or termination of coverage.

29 SECTION 2. Subsection 4(c) of section 108 of chapter 175, as appearing in the 2006
30 Official Edition of the General Laws, is hereby amended by adding at the end thereof the
31 following new subsection:—

32 4(d) In this section "retroactive denial of a previously paid claim" means any attempt by
33 an insurer to retroactively collect payments already made to a health care provider with respect
34 to a claim by requiring repayment of such payments, reducing other payments currently owed to
35 the provider, withholding or setting off against future payments, or reducing or affecting the
36 future claim payments to the provider in any other manner.

37 No insurer shall impose on any health care provider any retroactive denial of a previously
38 paid claim or any part thereof unless:

39 (a) The insurer has provided the reason for the retroactive denial in writing to the
40 health care provider; and

41 (b) The time which has elapsed since the date of payment of the challenged claim
42 does not exceed 12 months. The retroactive denial of a previously paid claim may be permitted
43 beyond 12 months from the date of payment only for the following reasons:

45 (2) The claim payment was incorrect because the provider or the insured was
46 already paid for the health care services identified in the claim;

47 (3) The health care services identified in the claim were not delivered by the
48 physician/provider;

49 (4) The claim payment was for services covered by Title XVIII, Title XIX, or Title
50 XXI of the Social Security Act;

51 (5) The claim payment is the subject of adjustment with another insurer,
52 administrator, or payor; or

53 (6) The claim payment is the subject of legal action.

54 An insurer shall notify a health care provider at least 15 days in advance of the imposition
55 of any retroactive denials of previously paid claims. The health care provider shall have 6
56 months from the date of notification under this paragraph to determine whether the insured has
57 other appropriate insurance, which was in effect on the date of service. Notwithstanding the
58 contractual terms between the insurer and provider, the insurer shall allow for the submission of
59 a claim that was previously denied by another insurer due to the insured's transfer or termination
60 of coverage.
