68
69 (f) The Division of Unemployment Assistance and the Division of Health Care Finance
70 and Policy may waive or mitigate an employer’s Fair Share Contributions, Free Rider

75 hardship appeal and waiver process for employers for the Fair Share Contribution (“FSC”)
76 requirement and will direct the Division of Unemployment Assistance to waive or reduce an

79 personal finances. Pending an appeal decision, the Division of Unemployment Assistance shall
80 not continue to accrue or collect interest, penalties or fees on the Fair Share Contribution once a
81 business has entered into a payment agreement. DUA shall notify all businesses at least thirty
