<i>William Smitty Pignatelli</i>	<i>4th Berkshire</i>	<i>2/4/2011</i>

**HOUSE . . . . . No. 1511**

By Mr. Peterson of Grafton, a petition (accompanied by resolve, House, No. 1511) of George N. Peterson, Jr., and others for an investigation by a special commission (including members of the General Court) on the health impacts of wind turbines. Public Health.

**The Commonwealth of Massachusetts**

**In the Year Two Thousand Eleven**

Resolve An Act to protect the health of the citizens of the Commonwealth.

1 Resolved, Whereas there are serious incidents across the Commonwealth involving the  
2 impact of large windmill turbines on the health of its citizens, and

3 Whereas people, who live in close proximity to wind turbines or who are concerned  
4 about the siting of windmills, are concerned about the health impacts of wind turbines,

5 Therefore be it resolved that there shall be a Special Commission on the Health Impacts  
6 of Wind Turbines on the citizens of the Commonwealth. Said Commission shall be comprised of  
7 the House and Senate Chairmen of the Joint Committee on Public Health as well as the House  
8 and Senate ranking minority member on the committee, the House and Senate Chairman of the  
9 Joint Telecommunication and Energy Committee and the ranking House and Senate minority  
10 member, the Commissioner of Department of Public Health or his designee, a scientist who shall  
11 be knowledgeable about the health affects of windmills who shall be appointed by the Governor,  
12 three epidemiologists one each who shall be appointed by the Governor, the Senate President and  
13 the Speaker of the House, the CEO of the Barnstable County Department of Public Health, the  
14 Executive Director or designee of the Berkshire Regional Planning Commission, a municipal

15 health agent to be appointed by the Massachusetts Association of Boards of Health, a member of  
16 the Massachusetts Medical Society who shall serve as chair, a member of the Massachusetts  
17 Municipal Association knowledgeable about the health effects of wind turbines and three citizens  
18 of the Commonwealth living within 3000 feet of an operating wind turbine one of each to be  
19 appointed by the Regional Planning Agencies of the counties of Barnstable, Berkshire and  
20 Worcester.

21 Said study shall commence within 30 days of the enactment of this bill and said  
22 Commission shall file a report no later than September 30, 2012. Said Commission shall study  
23 all facets of health impacts of windmills including but not limited to the effects of low frequency  
24 noise on humans and animals, sleep disorders, difficulty with equilibrium, headaches, childhood  
25 night terrors, effects on the inner ear, learning and mood disorders, panic attacks, irritability,  
26 concentration, and memory, noise, flicker, proximity, size of wind turbine, and wind conditions.  
27 Said study shall make recommendations to the Great and General Court on legislation designed  
28 to protect the health of the citizens of the Commonwealth including an acceptable distance to site  
29 a wind turbine project from dwellings, and businesses, and from municipal, commercial and  
30 residential property lines, an optimum wind turbine size and design that reduces or lessens health  
31 impacts and, a recommendation as to whether wind turbine projects should be reviewed by local  
32 boards of health as part of the permitting process and any other matter that may come before the  
33 Study Commission that will enhance the protection of the public health .
