

HOUSE No. 1798

The Commonwealth of Massachusetts

PRESENTED BY:

Michael F. Kane

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to electric vehicles.

PETITION OF:

NAME:	DISTRICT/ADDRESS:	DATE ADDED:
<i>Michael F. Kane</i>	<i>5th Hampden</i>	<i>1/20/2011</i>

HOUSE No. 1798

By Mr. Kane of Holyoke, a petition (accompanied by bill, House, No. 1798) of Michael F. Kane relative to electric vehicles. Transportation.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to electric vehicles.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Resolved. Notwithstanding any general law, special law or local ordinance to the
2 contrary, the department of public utilities shall conduct an investigation into the electric system
3 capacity and charging infrastructure needed to accommodate the deployment of vehicles that are
4 propelled, in whole or in part, by battery-stored electric energy supplied from the electric grid.
5 The investigation shall solicit public input and shall include, but not be limited to, an
6 investigation of (a) appropriate electric metering technologies needed to accurately and
7 effectively track the charging of electric vehicles; (b) local and state system reliability planning
8 for the deployment of electric vehicles; (c) the potential for time-of-use rates, off-peak electric
9 rates for electric vehicle use, or other mechanisms to encourage off-peak vehicle charging, (d)
10 the barriers and policies to remove barriers to electric vehicle usage and smart charging and; (e)
11 the impact rate and other utility policies will have on greenhouse gas emissions in the
12 commonwealth. Upon completion of the investigation, the department shall issue an order, no
13 later than January 1, 2012, that sets forth regulatory changes that it shall require from each
14 electric utility and a reasonable timeframe and method for implementing those changes.

15 Notwithstanding any general law, special law or local ordinance to the contrary, the
16 executive office of energy and environmental affairs, in cooperation with the department of
17 public utilities, the department of energy resources and the department of transportation, shall
18 conduct an investigation that offers opportunities for public engagement and input, evaluating
19 electric vehicle charging standards and shall issue a report making recommendations for the
20 commonwealth that are consistent with the rest of the country, and shall issue a report to the joint
21 committee on telecommunications, utilities and energy, no later than January 1, 2012.
