An Act regarding higher education opportunities for high school graduates in the commonwealth.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Section 9 of chapter 15A of the General Laws, as most recently amended by section 20 of  
2 chapter 189 of the acts of 2010, is hereby amended by adding the following paragraph:—

3 Notwithstanding any general or special law to the contrary, for the purpose of  
4 determining eligibility for in-state tuition rates and fees at public institutions of higher education,  
5 except the University of Massachusetts Medical School and the University of Massachusetts  
6 School of Law, any person admitted to such public institutions of higher education, other than a  
7 nonimmigrant alien within the meaning of paragraph 15 of subsection (a) of 8 U.S.C., section  
8 1101 of the federal act, who has attended high school in the commonwealth for 3 or more years  
9 and has graduated from a high school in the commonwealth or attained the equivalent thereof in  
10 the commonwealth, shall be eligible to pay in-state tuition rates and fees at the University of

11 Massachusetts, or any other state university or state college or community college in the

13 service under the federal Military Selective Service Act, as amended by 50 U.S.C., App. 453,
