HOUSE No. 2352

By Mr. Jones of North Reading, a petition (accompanied by bill, House, No. 2352) of Bradley H. Jones, Jr. and others relative to prescription drug coupons. Public Health.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to prescription drug coupons.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 3 of chapter 175H of the General Laws, as appearing in the 2008
2 Official Edition, is hereby amended by inserting at the end thereof the following two
3 paragraphs:-

4 This section shall not apply to a discount, rebate, free product voucher or other reduction
5 in out

6 of pocket expenses, including but not limited to co-payments and deductibles on a
7 prescription drug, biologic or vaccine provided by a pharmaceutical manufacturing company, as
8 defined in section 1 of chapter 111N, that is made available to an individual, if such is provided
9 directly or electronically to the individual or through a so-called “point of sale” or “mail-in”
10 rebate, or through similar means; provided however, that a pharmaceutical manufacturing
11 company shall neither exclude nor favor any individual pharmacy or restricted network of
12 pharmacies in the design of such discount, rebate, free product voucher or other expense
13 reduction offer to an individual; provided further, that this section does not negate the need for a

14 written prescription as otherwise required by law, nor is it intended to constrain a carrier or a
15 health maintenance organization, as defined in chapter 118G, with regard to how its plan design
16 will treat

17 such discounts, rebates, free product voucher or other reduction in out of pocket
18 expenses, including but not limited to co-payments and deductibles.

19 For purposes of the Federal Health Insurance Portability and Accountability Act of 1996
20 and

21 regulations issued there under, nothing in this section shall be deemed to require or allow
22 the use or disclosure of health information in any manner that does not otherwise comply with
23 such Act or such regulations.”.
