—————

An Act relative to the economic value and revenue generation of the atlantic striped bass.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Chapter 130: Section 100A is further amended by adding at the end thereof a new section  
2 Section 100B – Conservation and management measures concerning the commercial  
3 taking of the striped bass including by not limited to the length of the commercial season, the  
4 number of permits issued for the commercial season and the total number of striped bass by fish  
5 count or poundage allowed to be landed shall take into account the following measures: the  
6 prevention of overfishing, the rebuilding of overfished stocks, the impact of these proposed rules  
7 and regulations on the economic value of the recreational catch, the impact on the economy of  
8 the Commonwealth of Massachusetts and the impact on tax revenues generated for the  
9 Commonwealth by the recreational fishery from the sales, meals, hotel/motel, fuel and income  
10 taxes. The Director and the Marine Fisheries Advisory Board must take into consideration the  
11 economic importance of the recreational striped bass fishery to the Commonwealth and the  
12 potential effects of proposed management measures on the tax revenues of the Commonwealth.  
13 All such approved rules and regulations shall be accompanied with a fiscal note detailing any

14 said potential or anticipated impacts and said fiscal note shall be forwarded to the House and  
15 Senate Committees on Ways and Means, the Joint Committee on Revenue, the Joint Committee  
16 on Environment, Natural Resources and Agriculture and the Joint Committee on Tourism, Arts  
17 and Cultural Development.
