[SIMILAR MATTER FILED IN PREVIOUS SESSION SEE HOUSE, NO. 3085 OF 2009-2010.]

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act Relative to Studying Electricity Reliability.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law to the contrary, the executive 2 office of housing and economic development shall conduct a study to examine the cost reliability 3 and economic impact of electricity. The study shall include, but not be limited to: an analysis of 4 the economic and reliability implications of implementation of administrative, regulatory and 5 legislative rulemaking as it pertains to electricity; and the implications, economic and otherwise 6 of reaching the administration's goals relating to zero net energy growth, greenhouse gas 7 reductions or scheduled increases in renewable power, demand resources and energy efficiency. 8 The study shall be completed with stakeholder input, including representatives from various 9 sectors of the Massachusetts economy. The study shall be completed and submitted to the joint 10 committee on telecommunications, utilities, and energy no later than December 31, 2011.
