An Act to reduce fraud in the delivery of state benefits based on income eligibility.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 7 of the General Laws, as appearing in the 2010 Official Edition,  
2 is amended by adding the following new section at the end thereof:-

3           Section 62. State Benefits Fraud Prevention Pilot Program

4           (a)     All persons applying or reapplying for any state-funded benefits, including grants,  
5 goods or services, based on income eligibility shall be required to complete and submit to the  
6 department or agency to which such application is made an Expenditure Verification  
7 Questionnaire substantially in the form included at Chapter 7 Appendix 2-1, in addition to any  
8 other eligibility application or submission required by said department or agency.

9           (b)     Any person who responds in the affirmative on the Expenditure Verification  
10 Questionnaire shall be subject to review and audit by the agency or the state auditor, or both, to  
11 determine actual eligibility for such benefits based on all assets, savings and income from any  
12 source. Upon receipt of any Expenditure Verification Questionnaire with affirmative response,

the department or agency shall forward one copy of the questionnaire to the division within such department or agency that is responsible for verifying eligibility criteria for further review, one copy of the questionnaire to the state auditor, and one copy of the questionnaire to the Executive Office of Administration and Finance. For ease of analysis, the data within such questionnaires may be forwarded rather than the questionnaires.

(c) Upon completion of such review and audit, any person found to have sufficient income, savings and assets as no longer to meet the income eligibility standards for benefits shall be terminated from such benefit program and no further state funds shall be expended for that purpose. Any such person may reapply for benefits upon a showing that they subsequently have become income eligible after consideration of income from any source. Any person who materially falsely represented their income, savings and assets on the questionnaire, as determined by the Executive Office of Administration and Finance or the state auditor, and is found to have sufficient income, savings and assets as no longer to meet the income eligibility standards for benefits shall be terminated from such benefit program, shall be liable to the Commonwealth for reimbursement of all benefits wrongly received as well as the cost of collecting such reimbursement, and shall be foreclosed from reapplying for any benefits for a period of one year, except nothing in this section shall preclude payment of benefits otherwise eligible for the care and support of children age 17 or under.

(d) Notwithstanding any special or general law to the contrary, the Executive Office of Administration and Finance may contract with collection counsel on a contingent fee basis up to 30 percent of monies collected for review of questionnaire compliance and claims for reimbursement for the receipt of benefits for which the applicant was in fact ineligible.

Section 2. Appendix to Chapter 7, as appearing in the 2010 Official Edition, shall be amended by inserting at the end thereof the following new section:-

Section 2-1. Expenditure Verification Questionnaire

The following questions must be answered completely and accurately to assure the applicant is eligible for benefits. Failure to answer truthfully will result in loss of benefits.
