An Act enhancing emergency responses for children and seniors.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1: Chapter 71 of the General Laws is hereby amended by inserting after  
2 section 90, as so appearing, the following section:-

3           Section 91. (a) As used in this section, unless the context clearly requires otherwise,  
4 “automated external defibrillator” or “AED” shall mean a medical device, approved by the  
5 United States food and drug administration, that: (i) is capable of recognizing the presence or  
6 absence, in a patient, of ventricular fibrillation and rapid ventricular tachycardia; (ii) is capable  
7 of determining, without intervention by an operator, whether defibrillation should be performed  
8 on the patient; (iii) upon determining that defibrillation should be performed, automatically  
9 charges and requests delivery of an electrical impulse to the patient’s heart; and (iv) then, upon  
10 action by an operator, delivers an appropriate electrical impulse to the patient’s heart to perform  
11 defibrillation.

12 (b) All public, vocational, technical and charter schools shall provide and maintain  
13 on-site in each instructional school facility AED equipment in quantities and types deemed by  
14 the commissioner of elementary and secondary education in consultation with the commissioner  
15 of public health to be adequate to ensure ready and appropriate access for use during  
16 emergencies.

17 (c) All public, vocational, technical and charter schools shall have AED providers, as  
18 defined in section 12V½ of chapter 112, available. The provisions of said section 12V½ shall be  
19 applicable to any action under this section.

20 (d) Whenever school facilities pursuant to this section are used for school-sponsored  
21 or school-approved curricular or extracurricular events or activities and whenever a school-  
22 sponsored athletic contest is held at any location, the public school officials and administrators  
23 responsible for such school facility or athletic contest shall ensure the presence of at least 1 staff  
24 person who is an AED provider, as defined in section 12V½ of chapter 112. Where a school-  
25 sponsored competitive athletic event is held at a site other than a public school facility, the public  
26 school officials shall assure that an AED is provided on-site.

27 (e) Each school facility subject to this section shall be deemed an “AED Agency” as  
28 defined in section 12V½ of chapter 112 and shall be subject to the requirements and limitations  
29 of such section.

30 (f) Any employee or other agent of the school who, in accordance with the  
31 provisions of this section, voluntarily and without expectation of monetary compensation renders  
32 emergency medical or first aid treatment using an AED which has been made available pursuant

33 to this section, to a person who is unconscious, ill or injured, shall be liable only pursuant to  
34 section 12V of chapter 112.

35 SECTION 2: Chapter 19A of the General Laws is hereby amended by inserting after  
36 section 40, as so appearing, the following section:-

37 Section 41. Any senior centers, councils on aging, and elder care drop in centers, as  
38 defined by the Executive Office of Elder Affairs, that provide direct care to the elder population  
39 by providing supportive day care as well as a safe place for Massachusetts elders to remain  
40 independent, productive and in the community for as long as possible, shall provide and  
41 maintain, on-site in each facility, an automated external defibrillator (AED), as defined in section  
42 91 of chapter 71, on its premises and shall have AED providers, as defined in section 12V½ of  
43 chapter 112, available. The provisions of section 12V½ of said chapter 112 shall be applicable to  
44 any action under this section.

45 SECTION 3: Chapter 15D of the General Laws is hereby amended by inserting after  
46 section 16, as so appearing, the following section:-

47 Section 17. Any child care center subject to the licensing requirements of chapter 15D  
48 shall provide and maintain on-site an automated external defibrillator (AED) as defined in  
49 section 91 of chapter 71, on its premises and shall have AED providers, as defined in section  
50 12V½ of chapter 112, available. The provisions of said section 12V½ of said chapter 112 shall  
51 be applicable to any action under this section.
