An Act relative to profits from crime.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 258C of the General Laws, as appearing in the 2008 Official  
2 Edition, is hereby amended by inserting after section 13 the following new section:-

3           Section 14. (a) The following words as used in this section shall have the following  
4 meanings, unless the context otherwise requires:

5           (1)   “Contracting party”, any person, firm, corporation, partnership, association or  
6 other legal entity which contracts for, pays, or agrees to pay a defendant consideration which it  
7 knows or reasonably should know may constitute proceeds related to a crime.

8           (2)     “Conviction”, whether or not a sentence is imposed, a finding or verdict of guilty  
9     or of not guilty by reason of insanity, a plea of guilty, or an adjudication of delinquency or of  
10    youthful offender status as defined in section 52 of chapter 119.

11           (3)     “Crime”, any violation of Massachusetts law that is punishable by imprisonment  
12    in state prison and any federal offense committed in the commonwealth that is punishable by  
13    death or imprisonment for a term of more than 1 year. Crime shall also include any offense  
14    committed by a juvenile which would be a crime as defined herein if the juvenile were an adult.

15           (4)     “Defendant”, a person who is the subject of pending criminal charges or has been  
16    convicted of a crime.

17           (5)     “Division”, the division of victim compensation and assistance within the  
18    department of the attorney general.

19           (6)     “Proceeds related to a crime”, any assets, material objects, monies, and property  
20    obtained through the use of unique knowledge or notoriety acquired by means and in  
21    consequence of the commission of a crime from whatever source received by or owing to a  
22    defendant or his representative, whether earned, accrued, or paid before or after the disposition  
23    of criminal charges against the defendant.

24           (7)     “Victim”, any natural person who suffers physical, emotional or financial harm,  
25    or the threat of physical, emotional or financial harm as the result of the commission of a crime,  
26    and the estate, legal guardian, and other family members of such person.

(b) A contracting party shall, within 30 days of the agreement or 30 days before a payment, submit to the division a copy of its contract or a summary of the terms of any oral agreement or payment.

(c) Within 30 days from the receipt of a contract, agreement or notice of payment to a defendant or his representative, or upon its own initiative if no contract or agreement or notice is submitted, the division shall determine whether the terms of the contract or agreement or payment include proceeds related to a crime as defined in section 1, and, if so, whether such proceeds are substantially related to a crime, rather than relating only tangentially to, or containing only passing references to, a crime.

(d) Within 15 days of the determination required by section 3, the division shall notify the contracting party of its determinations by certified mail.

(e) A contracting party aggrieved by the division's determination under section 3 may request reconsideration of the determination by the program director. Such request for reconsideration must be filed within 15 days of the date of mailing of the notice of the division's determination. The division shall notify the contracting party by certified mail of the determination upon reconsideration within 20 days of the request for reconsideration. Such notice shall include information regarding the contracting party's right to a petition for judicial review of the determination of the program director in accordance with section 14 of chapter 30A.

(f) If the provisions of subsection (b) are violated, the division may petition the superior court for an order of enforcement. Such action shall be brought in the county in which the defendant resides, the county in which the crime was committed, or in Suffolk County. Upon

a finding that a contracting party has violated subsection (b), the court shall, in addition to any other relief, order that an appropriate amount of money or other consideration be paid to, or an appropriate bond be posted with, the division, or impose on the contracting party a civil penalty of the value of the contract or agreement. If the court finds such violation to have been knowing or willful, it shall impose a civil penalty up to 3, but not less than 2, times the value of the contract or agreement. To the extent monies or other consideration received by the division as a result of such order exceed the value of the contract or agreement, they shall be deposited into the victim compensation fund maintained by the attorney general in accordance with section 4(c) of chapter 258C.

(g) The division, upon receipt of a contract or other agreement to pay or notice of payment to a defendant, shall take reasonable steps to notify all known victims of the crime about the existence of a contract, agreement or notice of payment. Notifications shall be made by certified mail to the victim's last known address. The division shall also provide publication in a newspaper of general circulation in the county in which the crime was committed to publicize the existence of proceeds related to the crime. Such notice shall be made by the division once every 6 months for 1 year from the date of receipt of the contract, agreement or notice of payment. The division may provide for such additional notice as it deems necessary. Failure to notify a victim, as required herein, or failure on the part of the division to take any other action required by this section, shall not result in the imposition of liability on the division or any division employee.

(h) Notwithstanding any other provision of the General Laws with respect to the timely commencement of an action, including, but not limited to, section 2A of chapter 260 of the General Laws and section 2 of chapter 229 of the General Laws, any victim shall also have

the right to bring a civil action to recover money damages from a defendant or his representative within 3 years of the last mandatory publication provided for in subsection (g).

(i) In order to make the determinations required by subsection (c) of this, or to determine whether any provision of this section is being violated or to make any other determination required by this section, the division shall be authorized to issue written civil investigative demands which may be served by certified mail, and which shall be returned within 15 days from the date of service. Whenever a person fails to comply with a civil investigative demand served on him pursuant to this section, the division may petition the superior court for an order of enforcement. Such action shall be brought in the county in which the defendant resides, the county in which the crime was committed, or in Suffolk County.

(j) The division shall have the right to apply for any remedies available under civil practice law and rules that are appropriate to furthering the purpose of this section.

(k) Any action taken by a defendant, or his representative, whether by way of execution of a power of attorney, creation of corporate entities or otherwise, that results in defeating the purpose of this section shall be null and void.

(l) The division shall have the authority to promulgate rules and regulations pursuant to chapter 30A as may be necessary to carry out the provisions of this section.

SECTION 2. Section 2A of chapter 260 of the General Laws is hereby amended by inserting after the first sentence the following sentence: -

91           “Actions for torts against a criminal defendant by the victim as defined by subsection (a)  
92   of section 14 of chapter 258C shall be tolled during any period of incarceration, parole or  
93   probation of the defendant for the crime committed against the victim.”
