An Act to provide health insurance parity for municipalities and local taxpayers.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Chapter 32B is hereby amended by adding at the end thereof the following
2 new section:

3 Section 20

4 Effective January 1, 2009, upon acceptance of this section in the manner provided for in
5 Section 10 of this chapter, a governmental unit is authorized to include, as part of the health
6 plans (HMOs, PPOs, indemnity plans) that it offers to its employees and retirees, co-payments,
7 deductibles and tiered provider network co-payments (or other plan design features) that are no
8 greater in dollar amount than the highest co-payments, deductibles and tiered provider network
9 co-payments (or other plan design features) provided in any of the same class (HMOs, PPOs,
10 indemnity plans) of health plans offered by the Group Insurance Commission pursuant to G.L. c.
11 32A. For purposes of this section, a “Point of Service” plan offered by a governmental unit
12 shall be considered to fall within the PPO class.

13 The above authorized dollar amounts for co-payments, deductibles and tiered provider
14 network co-payments (or other plan design features) shall be increased whenever the Group
15 Insurance Commission increases the dollar amount of co-payments and/or deductibles and/or
16 tiered provider network co-payments (or other plan design features) on the health plans that it
17 offers.

18 A governmental unit may include in its health plans co-payments, deductibles and tiered
19 provider network co-payments (or other plan design features) up to the above-referenced
20 amounts without bargaining pursuant to M.G.L. c. 150E concerning the decision to do so.

21 Nothing herein shall prohibit a governmental unit from including in its health plans
22 higher co-payments, deductibles or tiered provider network co-payments (or other plan design
23 features) than those authorized by the preceding paragraphs of this section; but such higher co-
24 payments, deductibles or tiered provider network co-payments (or other plan design features)
25 may be included only after the governmental unit has satisfied any bargaining obligations
26 pursuant to M.G.L. 150E.

27 Section 2. Section 18 of Chapter 32B is hereby amended by striking the first twenty
28 words of the first paragraph of said section and by striking the second paragraph of said section
29 in its entirety.

30 Section 3. Section 18A of Chapter 32B is hereby amended by striking it in its entirety.
