Such application shall specify the location of the proposed project, shall state the reasons why the project is necessary or desirable and the uses to which the project is to be put, shall contain, in general terms a description of the buildings, structures or facilities which it is proposed to furnish, and shall be accompanied by a site plan and drawings of the proposed buildings and other improvements adequate to show the nature and extent of the project.

Whenever the department is so asked to approve the formation of such a corporation or the carrying out of a project by an insurance company, savings bank or group of savings banks, it shall, after a public hearing of which reasonable notice shall be given, make such determinations as may be required by the provisions of said chapter 121A, and shall determine whether conditions exist which warrant the carrying out of the proposed project, whether such project is consistent with the terms and requirements of the Land Disposition Agreement as defined in section two of chapter ___ of the acts and resolves of 2011, An Act Relative To Urban Redevelopment in the City of Quincy, whether such project is consistent with the urban renewal plan, whether such project would be in any way detrimental to the best interests of the public or the city or to the public safety and convenience, and whether the project will constitute a public use and benefit. If the persons intending to associate as aforesaid or an insurance company, savings bank or group of savings banks intending to carry out a project in said Urban Renewal District determine to proceed in accordance with the changes suggested, they shall amend their application accordingly. If the proposed change is not a major one under the Land Disposition Agreement as defined in section two of chapter ___ of the acts and resolves of 2011, An Act Relative To Urban Redevelopment in the City of Quincy, the mayor of the City of Quincy and the department may approve or disapprove the application as amended without further hearing or report; otherwise the department shall proceed as if it were a new application.

131 by such a certificate.

133 insurance company, savings bank or group of savings banks carrying out such project may apply
134 to the department for leave to change the type and character of the buildings in such project.
135 The department shall transmit to the mayor of the City of Quincy a copy of such application.
136 The department, if it receives a certificate evidencing the approval of the application by the
137 mayor, shall approve such application, and the corporation may act in accordance with such
138 approval. In the event that the change amounts to a major change under the Land Disposition
139 Agreement as defined in section two of chapter ___, of the acts and resolves of 2011, An Act
140 Relative To Urban Redevelopment in the City of Quincy, the change must be approved by the
141 mayor and the city council.

142 When any decision under this or the preceding section becomes final, the department
143 shall file with the city clerk of the City of Quincy a copy of such decision attested by such
144 department with, in cases where approval of such decision by the mayor or city council is
145 required, a copy of such approval likewise attested. Within 30 days after such filing, any person,
146 whether previously a party to the proceeding or not, who is aggrieved by such decision, or any
147 municipal officer or board, may file a petition in the supreme judicial or superior court sitting in
148 Norfolk County for a writ of certiorari against the department to correct errors of law therein and

the provisions of section four of chapter two hundred and forty-nine of the General Laws shall apply to said petition except as herein provided with respect to the time for the filing thereof. The remedy provided by this paragraph shall be exclusive.

Section 12D. The provisions and requirements of the foregoing Sections 12A, 12B and 12C shall apply in lieu of the provisions and requirements of section 6, section 6B and section 6C of chapter 121A of the General Laws with respect to projects in said Urban Renewal District approved under the Land Disposition Agreement as defined in section two of chapter ___ of the acts and resolves of 2011, An Act Relative To Urban Redevelopment in the City of Quincy.”
