The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to the regulation of salaries of employees of the town of Weston serving in the armed forces of the United States.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law to the contrary, an employee in
2 the service of the town of Weston, including school department employees, who has been
3 granted a military leave of absence, either before or after the effective date of this act, because
4 the employee is a member of the army national guard, the air national guard or a reserve
5 component of the armed forces of the United States called to active service in the armed forces
6 of the United States after September 11, 2001, may, at the discretion of the Weston board of
7 selectmen, subject to appropriation, be paid at his or her regular base salary as such a public
8 employee, and shall not lose any seniority or any accrued vacation leave, sick leave, personal
9 leave, compensatory time or earned overtime. If the board elects to make payments under this
10 act, an eligible employee shall be paid his regular base salary as such a public employee for each
11 pay period of such military leave of absence after September 11, 2001, reduced by any amount
12 received from the United States as pay or allowance for military service performed during the

13 same pay period, excluding overtime pay, shift differential pay, hazardous duty pay or any other
14 additional compensation. For the purposes of this section, the words "active service" shall not
15 include active duty for training in the army national guard or air national guard or as a reservist
16 in the armed forces of the United States. Provided, however, that nothing in this section shall
17 limit or reduce a person's entitlement to benefits under section 59 of chapter 33 of the General
18 Laws, and nothing in this section shall entitle a person to benefits in excess of the maximum
19 benefit provided under said section 59 of said chapter 33 for any period during which that person
20 is receiving benefits under this section.

21 SECTION 2. If this act shall take effect on or after July 1, 2011, then payment by the
22 town of any amounts consistent with section 1 of this act shall be ratified, validated and
23 confirmed in all respects as though this act had been in full force and effect at the time such
24 payments were made.

25 SECTION 3. This act shall take effect upon passage.
