**In the Year Two Thousand Eleven**  
—————

An Act making appropriations for the fiscal year 2011 to provide for supplementing certain existing appropriations and for certain other activities and projects.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           June 6, 2011

2           To the Honorable Senate and House of Representatives:

3           I am filing for your consideration a bill entitled “An Act Making Appropriations for the  
4 Fiscal Year 2011 to Provide for Supplementing Certain Existing Appropriations and for Certain  
5 Other Activities and Projects.”

6           The legislation I am filing includes supplemental funding requests totaling \$52.2 million  
7 (\$48.6 million after accounting for offsetting revenues), including the following:

- 8           •       \$10 million for a reserve to fund emergency response costs for the June 1 storms
- 9           •       \$10 million in grants and investments to reduce youth violence across the
- 10          Commonwealth

- 11 • \$12 million for a reserve to mitigate deficiencies at various sheriffs' offices
- 12 • \$10 million for estimated child care caseload deficiencies
- 13 • \$1.2 million to support one-time staging costs in line with reforms in the state's
- 14 family homelessness programs
- 15 • \$500,000 for the Commonwealth Corps, including language for administration of
- 16 this program by the Massachusetts Service Alliance

17 In addition, this legislation includes funding corresponding to recently ratified collective  
18 bargaining agreements with the following organizations:

- 19 • UMASS Amherst Council 93 Local 1776
- 20 • Local S-28, International Association of Fire Fighters
- 21 • Essex County Correction Officer Association

22 As noted I am requesting that you fund a \$10 million reserve for emergency response  
23 costs for the June 1 storms affecting a number of communities in the western and central regions  
24 of the state. In addition, I am re-filing language that I requested in my FY12 budget proposal that  
25 would allow me to temporarily utilize Rainy Day funds for the purposes of funding emergency  
26 response costs. The reserve and this language are essential tools to ensure that the state can fund  
27 all such costs, particularly at a time of year such as now when most agency budgets are fully  
28 committed and agencies must scramble to identify resources for response efforts.

29 I also propose to allow communities to expedite emergency borrowings by eliminating  
30 the requirement for approval from the municipal legislative body and the Municipal Finance

31 Oversight Board (MFOB) for short-term borrowing in the event of an emergency, and by  
32 allowing emergency borrowing for capital purposes for a longer term with the approval of the  
33 MFOB. Additionally, communities that have not adopted the local option alternate property tax  
34 assessment date could provide fiscal year 2012 property tax relief to property owners affected by  
35 the tornadoes.

36 The \$10 million investment to promote efforts to reduce youth violence is a critical  
37 funding need and reflects the legislation I filed for this purpose last month. I am also requesting  
38 the \$1.2 million to fund staging units so that the Department of Housing and Community  
39 Development can immediately begin implementing the family homelessness reforms that I have  
40 proposed, and both the House and Senate budgets for next year reflect.

41 Sufficient revenues are estimated to be available to finance these appropriations. I urge  
42 your prompt and favorable consideration of this bill.

43

44 Respectfully submitted,

45 Deval Patrick

46 Whereas, The deferred operation of this act would tend to defeat its purposes, which are  
47 forthwith to make supplemental appropriations for fiscal year 2011 and to make certain changes  
48 in law, each of which is immediately necessary to carry out those appropriations or to  
49 accomplish other important public purposes, therefore it is hereby declared to be an emergency  
50 law, necessary for the immediate preservation of the public convenience.

51 SECTION 1. To provide for supplementing certain items in the general appropriation act  
52 and other appropriation acts for fiscal year 2011, the sums set forth in section 2 are hereby  
53 appropriated from the General Fund unless specifically designated otherwise in this act or in  
54 those appropriation acts, for the several purposes and subject to the conditions specified in this  
55 act or in those appropriation acts, and subject to the laws regulating the disbursement of public  
56 funds for the fiscal year ending June 30, 2011. These sums shall be in addition to any amounts  
57 previously appropriated and made available for the purposes of those items.

207 Emergency Spending Authority

208 SECTION 3. Chapter 29 of the General Laws is hereby amended by adding the  
209 following section:-

210 Section 72. (a) In addition to other emergency powers allowed by law, the governor may  
211 declare a state of emergency whenever a catastrophic event, natural disaster, pandemic outbreak,  
212 terrorist threat or other occurrence or imminent danger threatens the health, safety or welfare of  
213 the people, or the fiscal or economic stability of the commonwealth. In such an emergency, the  
214 governor may direct any agency, authority, or political subdivision of the commonwealth to take  
215 appropriate action to eliminate the immediate threat or danger and to aid its citizens, including  
216 but not limited to temporary re-deployment of personnel, contractors or other resources. Upon  
217 notice in writing of the declaration of emergency to the comptroller and the clerks of the senate  
218 and the house of representative, there shall be appropriated an amount requested by the governor

219 not to exceed \$25,000,000 from the Commonwealth Stabilization Fund, and the comptroller shall  
220 transfer that amount into a separate emergency account for the costs incurred under this section.

221 (b) Agencies, authorities and political subdivisions directed by the governor to act under  
222 this section need not comply with procurement and personnel restrictions for obligations incurred  
223 in performance of directives under this section for the period of the emergency, but shall consult  
224 with the operational services division to use, to the greatest extent possible, existing state  
225 contractors and certified small, minority or women-owned businesses, to provide necessary  
226 goods or services under this section to obtain the most cost effective prices and quality services  
227 available. The comptroller may take whatever actions are necessary to enable obligations and  
228 payments under this section, shall advise agencies about the most efficient payment processes,  
229 including electronic payment options, and shall direct agencies in the proper accounting for all  
230 encumbrances and payments under this section in the state accounting system. Expenditures may  
231 be charged to other items of appropriation and to other subsidiaries as directed by the secretary  
232 of administration and finance in consultation with the comptroller. Every 60 days after an  
233 emergency is declared under this section, and until the governor declares that the emergency has  
234 terminated, the governor shall report in writing the specific amounts and purposes of  
235 expenditures under this section to the house and senate committees on ways and means.

236 (c) Any funds remaining in the emergency account at the conclusion of the fiscal year in  
237 which the emergency arises shall not revert at the end of the fiscal year, unless the emergency  
238 has terminated, but shall remain available for expenditure without further appropriation until the  
239 emergency ceases and all payments for all costs incurred under this section, at which time any  
240 remaining funds shall be transferred to the Commonwealth Stabilization Fund. Funds expended  
241 under this section shall be offset by federal reimbursements to the extent available.

242           Emergency Municipal Borrowing

243           SECTION 4. Section 8 of chapter 44 of the General Laws, as amended by sections 32  
244 and 33 of chapter 188 of the acts of 2010, is hereby further amended by striking out clause (9)  
245 and inserting in place thereof the following 2 clauses:-

246           (9) For emergency appropriations that are approved by the director, not more than 2 years  
247 as determined by the director. As used in this clause, emergency means a sudden, unavoidable  
248 event or series of events which could not reasonably have been foreseen or anticipated at the  
249 time of submission of the annual budget for approval. Emergency shall not include the funding  
250 of collective bargaining agreements or items that were previously disapproved by the  
251 appropriating authority for the fiscal year in which the borrowing is sought. Notwithstanding  
252 any other provision of this section or any other general or special law to the contrary, debt for the  
253 purposes mentioned in this clause may be authorized by the treasurer of the city, town or district,  
254 with the approval of the chief executive officer in a city or town, or the prudential committee, if  
255 any, otherwise by the commissioners in a district.

256           (9A) For emergency appropriations approved by a majority of the members of the  
257 municipal finance oversight board, up to the period fixed by law for such debt as determined by  
258 the board, but this clause shall apply only to appropriations for capital purposes, including but  
259 not limited to the acquisition, construction, reconstruction or repair of any public building, work,  
260 improvement or asset and upon a demonstration by the city, town or district that the process for  
261 authorizing debt in the manner otherwise provided by law imposes an undue hardship in its  
262 ability to respond to the emergency. As used in this clause, emergency means a sudden,  
263 unavoidable event or series of events which could not reasonably have been foreseen or

264 anticipated at the time of submission of the annual budget for approval. Notwithstanding any  
265 other provision of this section or any other general or special law to the contrary, debt for the  
266 purposes mentioned in this clause, may be authorized by the treasurer of the city, town or  
267 district, with the approval of the chief executive officer in a city or town, or the prudential  
268 committee, if any, otherwise by the commissioners in a district.
