By Mr. Markey of Dartmouth, a petition (subject to Joint Rule 12) of Christopher M. Markey that the Division of Capital Asset Management and Maintenance be authorized to release a certain agricultural preservation restriction on land under the control of the Commonwealth and located in the town of Dartmouth. State Administration and Regulatory Oversight.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

AN ACT PROVIDING FOR A PARTIAL RELEASE OF CERTAIN LAND IN THE TOWN OF DARTMOUTH FROM THE OPERATION OF AN AGRICULTURAL PRESERVATION RESTRICTION.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Pursuant to section 40 E of chapter 7 and section 32 of chapter 184 of the
2 General Laws, and notwithstanding any other general or special law to the contrary, the
3 commissioner of capital asset management and maintenance, in consultation with the
4 commissioner of agricultural resources, may execute a certificate releasing from restriction
5 certain portions of land described in an agricultural preservation restriction (the “APR”)
6 conveyed by the Town of Dartmouth (the “Town”) to the Commonwealth of Massachusetts,
7 acting by and through the department of agricultural resources, dated December 27, 2006, and
8 recorded at Book 8638, Page 153, Bristol County southern district registry of deeds. The land
9 described in the recorded restriction consists of all or portions of the Town’s so called
10 “Souza/Lagasse Farm” which is located at Hixville Road, in the Town of Dartmouth. The
11 Town’s title derives from a deed of Theresa B. Lagasse, of Port St. Lucie, Florida, dated October

30, 2003, recorded in the registry, Book 6633, Page 275. The land acquired by the Town and described in said deed is shown on a plan of land entitled “Plan of Land in Dartmouth, MA. Assessor’s Map 61, Lot 42, for Theresa B. Lagasse”, dated 10/21/2003, Seguin Assoc., Marshfield, MA 02050; and recorded in the Bristol County, Southern District, Registry of Deeds in Plan Book 152, Page 71.

SECTION 2. In 2009, the Town, by its Agricultural Preservation Trust Council and Chief Procurement Office, issued a Request for Proposals for sale of Lot 1 as shown on said plan, subject to the APR. Additionally, the Town advertised for sale another portion of the farm – Lot 4 – a parcel of about two acres, which was to be limited to residential use by the future owner of Lot 1 under a recorded resale restriction upon its purchase by the future owner. It was then discovered that not only was Lot 1 included within the description of the APR (which was intended), but also Lot 4 and the other portions of the Town’s land acquired by its source deed from Theresa B. Lagasse.

SECTION 3. The reason and justification for the release is that the portions to be released as more particularly described below in SECTION 4 were included by error in the description of the land to be restricted by the APR, the intention of both the Town and the Commonwealth having been to restrict only Lot 1, containing 74.69 acres, more or less, excepting and excluding from restriction all other portions of the Town’s land obtained in the 2003 source deed recorded at Book 6633, Page 275.

SECTION 4. The areas of land to be released from the provisions of the APR consist of all of the land described in “EXHIBIT A” of the Agricultural Preservation Restriction recorded at Book 8638, Page 164, except for the following areas that shall remain under restriction:

1 –“ Lot 1”, consisting of 74.69 acres of land, more or less;

2 – “Parcel B”, consisting of 1,501.2 square feet, more or less; and

3 – “Parcel C”, consisting of 1,834.8 square feet, more or less.

and being as shown and described on plan of land entitled “Plan of Land in Dartmouth,
MA. Assessor’s Map 61, Lot 42, For Theresa B. Lagasse” dated 10/21/2003, Seguin Assoc.,
Marshfield, MA 02050; and recorded in the Bristol County, Southern District, Registry of Deeds
in Plan Book 152, Page 71.

The Commonwealth’s access easement over the easterly portion of Estate Lot 2 as shown
on said plan, acquired by the Commonwealth as appurtenant to and for the benefit of the
aforesaid Agricultural Preservation Restriction and for the benefit of the Commonwealth and its
successors and assigns, shall continue in full force and effect as an encumbrance on “Estate Lot
2” as shown on said plan.

SECTION5. Except as partially released in accordance with this Act, the APR shall
remain in full force and effect.

SECTION6. This act shall take effect upon its passage.
