An Act promoting accessible housing for persons with disabilities..

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to increase accessible affordable housing for people with disabilities, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. To provide for a capital outlay program to support housing  
2 production and modification for persons with disabilities, elders, homeless individuals and  
3 families, and low and moderate income citizens of the commonwealth, the sums set forth for the  
4 several purposes and subject to the conditions specified in this act, are hereby made available  
5 subject to the laws regulating the disbursement of public funds.

6           7004-0029.. For state financial assistance in the form of loans for the  
7 development of community-based housing for individuals with mental illness and intellectual  
8 disabilities; provided, that the loan program shall be administered by the department of housing  
9 and community development, hereinafter referred to in this item as the department, through  
10 contracts with the Massachusetts Development Finance Agency established in chapter 23G of the  
11 General Laws, the Community Economic Development Assistance Corporation established in  
12 chapter 40H of the General Laws, operating agencies established pursuant to chapter 121B of the

13 General Laws and the Massachusetts Housing Finance Agency established in chapter 708 of the  
14 acts of 1966; provided further, that those agencies may develop or finance community-based  
15 housing, or may enter into subcontracts with nonprofit organizations established pursuant to  
16 chapter 180 of the General Laws or organizations in which such nonprofit corporations have a  
17 controlling financial or managerial interest or for-profit organizations; provided, however, that  
18 preference for the subcontracts shall be given to nonprofit organizations; provided further, that  
19 the department shall consider a balanced geographic plan for such community-based housing  
20 when issuing the loans; provided further, that the department shall consider development of a  
21 balanced range of housing models by prioritizing funds for integrated housing as defined by the  
22 appropriate housing and service agencies including, but not limited to, the department of housing  
23 and community development, the Massachusetts rehabilitation commission, the department of  
24 mental health and the department of developmental services, in consultation with relevant and  
25 interested clients, their families, advocates and other parties as necessary; provided further, that  
26 loans issued pursuant to this item shall: (1) not exceed 50 per cent of the financing of the total  
27 development costs; (2) be issued only when a contract or agreement for the use of the property  
28 for such housing provides for repayment to the commonwealth at the time of disposition of the  
29 property in an amount equal to the commonwealth's proportional contribution from the Facilities  
30 Consolidation Fund to the cost of the development through payments made by the state agency  
31 making the contract; (3) only be issued when a contract or agreement for the use of the property  
32 for the purposes of such housing provides for the recording of a deed restriction in the registry of  
33 deeds or the registry district of the land court of the county in which the real property is located,  
34 for the benefit of the departments, running with the land, that the land be used to provide  
35 community-based housing for eligible individuals as determined by the department of mental

36 health and the department of developmental services; provided, that the property shall not be  
37 released from such restriction until the balance of the principal and interest for the loan has been  
38 repaid in full or until a mortgage foreclosure deed has been recorded; (4) be issued for a term not  
39 to exceed 30 years during which time repayment may be deferred by the loan issuing authority  
40 unless, at the end of any fiscal year, cash collections from all sources in connection with a  
41 community-based housing project, except for contributions, donations or grant moneys, exceed  
42 105 per cent of cash expenditures on behalf of the project, including debt service, operating  
43 expenses and capital reserves, in which event such excess cash shall be paid to the  
44 commonwealth within 45 days of the end of the fiscal year, payable first to interest due  
45 hereunder and thereafter to principal advanced pursuant to the loan; provided further, that if on  
46 the date the loans become due and payable to the commonwealth an outstanding balance exists,  
47 and if, on such date, the department, in consultation with the executive office of health and  
48 human services, determines that there still exists a need for such housing and that there is  
49 continued funding available for the provision of services to such development, the department  
50 may, by agreement with the owner of the development, extend the loans for such periods, each  
51 period not to exceed 10 years, as the department shall determine; provided, however, that the  
52 project shall remain affordable housing for the duration of the loan term, including any extension  
53 thereof, as set forth in the contract or agreement entered into by the department; and provided  
54 further, that in the event the terms of repayment detailed in this item would cause a project  
55 authorized by this item to become ineligible to receive federal funds which would otherwise  
56 assist in the development of that project, the department may waive the terms of repayment  
57 which would cause the project to become ineligible; and (5) have interest rates fixed at a rate, to  
58 be determined by the department, in consultation with the state treasurer; provided further, that

59 expenditures from this item shall not be made for the purpose of refinancing outstanding  
60 mortgage loans for community-based housing in existence prior to the effective date of this act;  
61 provided further, that community-based housing projects developed pursuant to this item shall  
62 not be refinanced during the term of any loan issued pursuant to this item unless the balance of  
63 the principal and interest for such loan has been repaid in full at the time of such refinancing;  
64 provided further, that the community-based housing projects may be refinanced if the  
65 refinancing would result in a reduction of costs paid by the commonwealth; provided further,  
66 that a refinanced loan shall be due and payable on a date not later than the date on which the  
67 original loan was due and payable, except in accordance with clause (4) when necessary to effect  
68 extraordinary repairs or maintenance which shall be approved by the commissioner of  
69 developmental services or the commissioner of mental health, as the case may be, and the  
70 department; provided further, that the loans shall be provided only for projects conforming to the  
71 provisions of this item; provided further, that the loans shall be issued in accordance with a  
72 facilities consolidation plan prepared by the secretary of health and human services, reviewed  
73 and approved by the department and filed with the secretary for administration and finance and  
74 the house and senate committees on ways and means and the joint committee on housing;  
75 provided further, that no expenditure shall be made from this item without the prior approval of  
76 the secretary for administration and finance; provided further, that the department, the  
77 department of mental health and the Community Economic Development Assistance Corporation  
78 may identify appropriate financing mechanisms and guidelines for grants or loans from this item  
79 to promote private development to produce housing, to provide for independent integrated living  
80 opportunities, to write down building and operating costs and to serve households at or below 15  
81 per cent of area median income for the benefit of department of mental health clients; provided

82 further, that not more than \$10,000,000 may be expended from this item for a pilot program of  
83 community-based housing loans to serve mentally ill homeless individuals in the current or  
84 former care of the department of mental health; provided further, that in implementing the pilot  
85 program, the department shall consider a balanced geographic plan when establishing  
86 community-based residences; provided further, that the housing services made available pursuant  
87 to such loans shall not be construed as a right or an entitlement for any individual or class of  
88 persons to the benefits of the pilot program; provided further, that eligibility for the pilot  
89 program shall be established by regulations promulgated by the department; provided further,  
90 that the department shall promulgate regulations pursuant to chapter 30A of the General Laws  
91 for the implementation, administration and enforcement of this item, consistent with the facilities  
92 consolidation plan prepared by the secretary of health and human services, and after consultation  
93 with the secretary and the commissioner of the division of capital asset management and  
94 maintenance..... \$60,000,000
