1294 convincing evidence that the applicant will provide value to the commonwealth, no category 2
1295 license shall be awarded.

1296 (b) If a category 2 license is awarded to an applicant with a simulcasting license under
1297 chapter 128C as of July 1, 2011, a condition of said license shall be to maintain the simulcasting

1299 commission shall suspend the category 2 license.

1300 (c) If a category 2 license is awarded to an applicant with live racing, pursuant to chapter
1301 128A as of July 1, 2011, a condition of the license shall be to maintain and complete the annual
1302 live racing season pursuant to said chapter 128A. Upon failure to conduct live racing, the
1303 commission shall suspend the category 2 license.

1304 (d) For the purposes of subsections (b) and (c), an applicant for a gaming license shall be
1305 considered to be the holder of a license under chapter 128A or chapter 128C if the applicant: (i)
1306 owns 50.1 or more per cent of the common stock of the company which obtained a license under
1307 chapter 128A or 128C; and (ii) includes a person who owns more than 5 per cent of the common

1311 assignable without the approval of the commission; provided, however, that for 5 years after the
1312 initial issuance of a category 2 license, the commission shall only approve such a transfer if: (i)
1313 the licensee experiences a change in ownership; or (ii) the licensee fails to maintain suitability or
1314 other circumstances which the commission may consider, which, in the opinion of a majority of

1315 members of the commission, impact a licensee's ability to successfully operate a gaming
1316 establishment.

1317 (f) A category 2 license issued pursuant to this chapter shall be for a period of 5 years.
1318 The commission shall establish procedures for renewal and set the renewal fee based on the cost
1319 of fees associated with the evaluation of a licensee; provided, however, that the cost of renewal
1320 shall not be less than \$100,000. Any renewal fees shall be deposited into the Gaming Revenue
1321 Fund.

1322 Section 21. (a) The commission shall prescribe the form of the gaming license, which
1323 shall include, but not be limited to, the following license conditions for each licensee. The

1326 the commission including all evaluation criteria and eligibility requirements;

1340 that material that the gaming licensee considers a trade secret or detrimental to the gaming

1342 disclosure and the gaming licensee may require nondisclosure agreements with the commission
1343 before disclosing such material;

1344 (8) cooperate with the commission and the attorney general with respect to the
1345 investigation of any criminal matter; provided, however, that the gaming licensee shall, upon
1346 receipt of a criminal or civil process compelling testimony or production of documents in

1349 entities from seeking any remedy or damages against a gaming licensee;

1350 (9) allow the commission or the division and state police officers assigned to the
1351 commission or the division to conduct warrantless searches of the licensee's gaming area;

1356 be discriminated against by an applicant or gaming licensee as a consequence for having
1357 supplied such information;

1358 (11) provide an office for the commission at the gaming establishment and the designated

1372 gaming behavior;

1373 (17) keep conspicuously posted in the gaming area a notice containing the name and a
1374 telephone number for problem gambling assistance; provided, however, that the commission
1375 may require the gaming licensee to provide this information in more than 1 language;

1376 (18) provide a process for individuals to exclude their names and contact information
1377 from the gaming licensee's database or any other list held by the gaming licensee for use in
1378 marketing or promotional communications;

1379 (19) institute additional public health strategies as required by the commission;

1380 (20) abide by an affirmative-action program of equal opportunity by which the gaming
1381 licensee guarantees to provide equal employment opportunities to all employees qualified for
1382 licensure in all employment categories, including a person with a disability, under the laws of the
1383 commonwealth.

1384 (21) formulate for commission approval and abide by an affirmative marketing program
1385 by which the gaming licensee identifies specific goals, expressed as an overall program goal
1386 applicable to the total dollar amount or value of contracts entered into, for the utilization of: (i)

1388 participate as contractors in the design of the gaming establishment; (ii) minority business
1389 enterprises, women business enterprises and veteran business enterprises to participate as
1390 contractors in the construction of the gaming establishment; and (iii) minority business
1391 enterprises, women business enterprises and veteran business enterprises to participate as
1392 vendors in the provision of goods and services procured by the gaming establishment and any
1393 businesses operated as part of the gaming establishment; provided, however, that the specific
1394 goals for the utilization of such minority business enterprises, women business enterprises and
1395 veteran business enterprises shall be based on the availability of such minority business
1396 enterprises, women business enterprises and veteran business enterprises engaged in the type of
1397 work to be contracted by the gaming licensee;

1398 (22) formulate for commission approval and abide by an affirmative action program of
1399 equal opportunity whereby the licensee establishes specific goals for the utilization of minorities,
1400 women and veterans on construction jobs; provided, however, that such goals shall be equal to or
1401 greater than the goals contained in executive office of administration and finance administration
1402 Bulletin Number 14; provided further, that in furtherance of the specific goals for the utilization
1403 of minorities, women and veterans on construction jobs, the gaming licensee shall send to each
1404 labor union or representative of workers with which the gaming licensee or its agent has a
1405 collective bargaining agreement or other contract or understanding, a notice advising the labor
1406 union or workers' representative of the gaming licensee's commitments;

1407 (23) provide to the commission, on a quarterly basis, a detailed statistical report on the
1408 number, gender and race of individuals hired to perform labor as part of the construction of the
1409 gaming establishment; and

1410 (24) collect and annually provide to the commission a detailed statistical report on the
1411 total dollar amounts contracted with and actually paid to minority business enterprises, women
1412 business enterprises and veterans business enterprises in: (i) design contracts; (ii) construction
1413 contracts; and (iii) contracts for every good and service procured by the gaming establishment;
1414 provided, however, that such statistical report shall also identify the amounts so contracted as a
1415 percentage of total dollar amounts contracted with and actually paid to all firms.

1416 (b) No person shall transfer a gaming license, a direct or indirect real interest, structure,
1417 real property, premises, facility, personal interest or pecuniary interest under a gaming license
1418 issued under this chapter or enter into an option contract, management contract or other
1419 agreement or contract providing for such transfer in the present or future, without the notification

to, and approval by, the commission. The commission may promulgate rules and regulations that create exemptions from the approval requirement; provided, however, that: (i) in no event shall a bona fide commercial financial institution licensed by the division of banks which becomes a substantial party of interest with a gaming licensee be considered a transferee; (ii) the commission may require the transferor, transferee, or both, to pay to the commission an amount representing the commonwealth's share of the increased value for the transferred licenses, property or interest; provided, further, that the commission shall consider as a factor in determining the amount of the payment the market value of the gaming license, property or interest when it was acquired and at the time of the transfer; provided further, that the commission may place additional conditions or restrictions on a transfer that the commission considers suitable; provided further, that the commission may reject a transfer if the commission considers the transfer unsuitable; and (iii) any payments collected by the commission on behalf of the commonwealth based on the transfer shall be deposited in the same manner as license fees are deposited.

(c) The commission may include any reasonable additional requirements to the license conditions.

Section 22. The sale, assignment, transfer, pledge or other disposition of any security issued by a corporation, which holds a gaming license shall be conditional and shall be ineffective if disapproved by the commission. If at any time the commission finds that an individual owner or holder of a security of a corporate licensee or of a holding or intermediary company with respect thereto is not qualified under this chapter and if as a result the corporate licensee is no longer qualified to continue as a gaming licensee, the commission shall take any

1442 action necessary to protect the interests of the commonwealth including, but not limited to,
1443 suspension or revocation of the gaming license of the corporation.

1444 Each corporation which has been issued a gaming license pursuant to this chapter shall
1445 file a report of any change of its corporate officers or members of its board of directors with the
1446 commission. No officer or director shall be entitled to exercise any powers of office until
1447 qualified by the commission.

1448 Section 23. (a) A category 1 or category 2 licensee shall issue an annual report to the
1449 commission explicitly stating its progress on meeting each of the stated goals and stipulations put
1450 forth in the licensee's original application. Inability to meet stated goals within a reasonable
1451 time frame, as determined by the commission, shall result in additional fees as deemed fair and
1452 reasonable by the commission. Failure to meet stated goals may also result in revocation of the
1453 license at any time by the commission.

1454 Nothing in this section shall preclude the commission at any time from reviewing the
1455 business operations of a gaming licensee to ensure that the conditions of licensure are being met
1456 including, but not limited to, the suitability of the gaming licensee and any affiliates and the
1457 fiscal stability of the gaming establishment.

1458 (b) The commission may condition, suspend or revoke a gaming license upon a finding
1459 that a licensee: (i) has committed a criminal or civil offense under this chapter or under any other
1460 laws of the commonwealth; (ii) is not in compliance with gaming regulations or is under criminal
1461 investigation in another jurisdiction; (iii) has breached a condition of licensure; (iv) has affiliates,
1462 close associates or employees that are not qualified or licensed under this chapter with whom the
1463 gaming licensee continues to conduct business or employ; (v) is no longer capable of

1464 maintaining operations at a gaming establishment; or (vi) whose business practice, upon a
1465 determination by the commission, is injurious to the policy objectives of this chapter.

1466 (c) Whenever any person contracts to transfer any property relating to an ongoing gaming
1467 establishment, including a security holding in a gaming licensee or holding or intermediary
1468 company, under circumstances which require that the transferee obtain licensure under this
1469 chapter, the contract shall not specify a closing or settlement date which is earlier than the 121
1470 days after the submission of a completed application for licensure or qualification, which
1471 application shall include a fully executed and approved trust agreement.

1472 The commission shall hold a hearing and render a decision on the interim authorization of
1473 the new applicant. If the commission grants interim authorization, then the closing or settlement
1474 may occur without interruption of operations of the gaming establishment. If the commission
1475 denies interim authorization, there shall be no closing or settlement until the commission makes
1476 a determination on the qualification of the applicant, and if the commission then denies
1477 qualification the contract shall thereby be terminated for all purposes without liability on the part
1478 of the transferor. The commission shall promulgate further regulations for interim authorization
1479 of a gaming establishment.

1480 (d) No person or affiliate shall be awarded, purchase or otherwise hold or have a financial
1481 interest in more than 1 gaming license issued by the commission.

1482 Section 24. (a) An applicant for a gaming license shall maintain an existing racing facility
1483 on the premises; provided, however, that the gaming licensee shall increase the number of live
1484 racing days to a minimum of 125 days according to the following schedule: (i) in the first
1485 calendar year of operation, a gaming licensee shall hold 105 racing days; (ii) in the second

1486 calendar year of operation, a gaming licensee shall hold 115 racing days; and (iii) in the third and
1487 subsequent calendar years of operation, a gaming licensee shall hold 125 racing days;

1488 (b) A category 2 licensee may increase the number of live racing days if the gaming
1489 licensee is holding a minimum of 125 racing days within 3 years of receiving a category 2
1490 license. If a gaming licensee does not conduct live racing for the minimum number of days set
1491 forth in subsection (a), the commission shall suspend the gaming license.

1492 (c) After 3 years of operation of the gaming establishment and in consultation with the
1493 parties to the purse agreement, the commission may adjust the amount of required racing days at
1494 a gaming establishment based on fields, demand and racing performance.

1495 (d) A gaming licensee with a live racetrack shall have an annual purse agreement in
1496 effect by December 31 of each year for the following year's racing; provided, however, that if
1497 the parties to a purse agreement at a gaming establishment cannot in good faith negotiate an
1498 agreement by December 31, the purse agreement shall be arbitrated by the commission.

1499 Section 25. (a) No gaming licensee shall conduct gaming without an operations
1500 certificate issued by the commission. An operations certificate shall only be issued upon
1501 compliance with the requirements of this chapter including, but not limited to: (i) implementation
1502 of all management controls required by the commission including, without limitation, controls on
1503 accounting, wagering and auditing; (ii) implementation of all security precautions required by
1504 the commission; (iii) an up to date listing of all gaming employees; (iv) licensing or registering
1505 of all gaming employees; (v) the provision of office space at the gaming establishment for use by
1506 the commission employees; (vi) the hours of operation of the gaming establishment; and (vii)
1507 that its personnel and procedures are efficient and prepared to entertain the public.

1508 The operations certificate shall be conspicuously posted and shall state the number of slot
1509 machines, table games or other authorized games, if applicable.

1510 (b) A gaming licensee may operate a gaming establishment from 6:00 am to 5:59 am;
1511 provided, however, that the gaming establishment shall register its hours of operation with the
1512 commission.

1513 (c) Each gaming establishment shall arrange its gaming area in such a manner as to
1514 promote optimum security for the gaming establishment operations including, but not limited to:
1515 (i) a closed circuit television system according to specifications approved by the commission,
1516 with access on the licensed premises to the system or its signal provided to the commission; (ii)
1517 rooms or locations approved by the commission for use by commission employees; and (iii)
1518 design specifications that ensure that visibility in a gaming area is not obstructed in any way that
1519 might interfere with the ability of the commission or the division to supervise gaming
1520 establishment operations.

1521 (d) Each applicant for a gaming license shall submit to the commission: (i) a description
1522 of its minimum system of internal procedures and administrative and accounting controls for
1523 gaming and any simulcast wagering operations; (ii) a certification by the applicant's chief legal
1524 officer that the submitted procedures conform to this chapter and any regulations promulgated
1525 hereunder; and (iii) a certification by the applicant's chief financial officer that the submitted
1526 procedures provide adequate and effective controls, establish a consistent overall system of
1527 internal procedures and administrative and accounting controls and conform to generally
1528 accepted accounting principles and any additional standards required by the commission. Each
1529 applicant shall submit the above descriptions and certifications at least 30 business days before

1530 such operations are scheduled to commence unless otherwise directed by the commission;
1531 provided, however, that no gaming licensee shall commence gaming operations or alter its
1532 minimum internal controls until such system of minimum controls is approved by the
1533 commission. The commission shall establish regulations for the information required in the
1534 internal control submission.

1535 Any proposed changes to a gaming licensee's system of internal procedures and controls
1536 shall be submitted to the commission along with 2 new certifications from its chief legal and
1537 financial officers. If the commission does not object, the gaming licensee may make the
1538 proposed changes 15 business days after submitting a description of the changes to the
1539 commission.

1540 (e) Gaming equipment shall not be possessed, maintained or exhibited by any person on
1541 the premises of a gaming establishment except in a gaming area approved by the commission or
1542 in a restricted area used for the inspection, repair or storage of such equipment and specifically
1543 designated for that purpose.

1544 (f) Each gaming establishment shall contain a count room and such other secure facilities
1545 as may be required by the commission for the counting and storage of cash, coins, tokens,
1546 checks, plaques, gaming vouchers, coupons and other devices or items of value used in wagering
1547 and approved by the commission that are received in the conduct of gaming and for the
1548 inspection, counting and storage of dice, cards, chips and other representatives of value.

1549 (g) A dealer may accept tips or gratuities from a patron at the table game where such
1550 dealer is conducting play; provided, however, that such tips or gratuities shall be placed in a pool
1551 for distribution among other dealers. The commission shall determine how tips and gratuities

1552 shall be set aside for the dealer pool as well as the manner of distribution among dealers. No key
1553 gaming employee or any other gaming official who serves in a supervisory position shall solicit
1554 or accept a tip or gratuity from a player or patron in the gaming establishment where the
1555 employee is employed.

1556 (h) No person under the age of 21 shall be permitted to wager or be in a gaming area;
1557 provided, however, that a person 18 years or over of age who is a licensed employee of the
1558 gaming establishment may be in a gaming area if in the performance of the duties the employee
1559 is licensed to undertake.

1560 (i) No category 1 or category 2 licensee shall operate unless the gaming establishment
1561 manager or the manager's designee is on the premises and representatives of the commission are
1562 present at the gaming establishment.

1563 (j) Each gaming establishment shall file an emergency response plan with the fire
1564 department and police department of the host community which shall include, but not be limited
1565 to: (i) a layout identifying all areas within the facility and grounds, including support systems
1566 and the internal and external access routes; (ii) the location and inventory of emergency response
1567 equipment and the contact information of the emergency response coordinator for the gaming
1568 establishment; (iii) the location of any hazardous substances and a description of any public
1569 health or safety hazards present on site; (iv) a description of any special equipment needed to
1570 respond to an emergency at the gaming establishment; (v) an evacuation plan; and (vi) any other
1571 information relating to emergency response as requested by the commission, the fire department
1572 or the police department of the host community.

1573 Section 26. (a) Notwithstanding chapter 138 or any other general or special law or rule or
1574 regulation to the contrary, the commission may grant, upon request of an applicant for a gaming
1575 license, a gaming beverage license for the sale and distribution of alcoholic beverages to be
1576 drunk on the premises of a gaming establishment. The division of gaming liquor enforcement of
1577 the alcoholic beverage control commission shall have the authority to enforce, regulate and
1578 control the distribution of alcoholic beverages in a gaming establishment.

1579 (b) The fee for the gaming beverage license and any renewals of the license shall be
1580 determined by the commission. The application fee shall be remitted with the gaming
1581 application fee.

1582 (c) Notwithstanding any regulation to the contrary, a licensee under this section shall be
1583 permitted to distribute alcohol free of charge and for on-premise consumption to patrons in the
1584 gaming area or as a complimentary service or item in the gaming establishment; provided,
1585 however, that the commission, in consultation with the alcoholic beverages control commission,
1586 shall promulgate regulations on such distribution as well as the forms of identification that may
1587 be presented to the gaming licensee to demonstrate proof that a person has attained the age of 21.

1588 (d) The request submitted to the commission for a gaming beverage license by an
1589 applicant for a gaming license shall detail all areas where alcoholic beverages will be served
1590 within the gaming establishment. In issuing a gaming beverage license, the commission shall
1591 describe the scope of the particular license and any restrictions and limitations; provided,
1592 however, that the gaming beverage license shall not permit the sale or distribution of alcoholic
1593 beverages between the hours of 2 a.m. and 8 a.m.

(e) A gaming licensee shall be responsible for violations of the gaming beverage license in the gaming establishment. The commission may revoke, suspend, refuse to renew or refuse to transfer a gaming beverage license for violations of chapter 138 that pertain to the sale and distribution of alcohol drunk on-premises and the regulations adopted by the commission. If, at any time, a gaming licensee elects temporary suspension of their gaming license due to violations of this section, said gaming licensee shall owe the commonwealth the average tax on gross gaming revenue based on an appropriate period of time as determined by the commission for the number of days operation was suspended.

(f) A gaming beverage license shall be nontransferable without prior approval from the commission. If the gaming beverage license is cancelled, revoked or no longer in use, it shall be returned physically, with all the legal rights, privileges and restrictions pertaining to the license, to the commission and the commission may then grant the license to a new gaming licensee under the same conditions as specified in this section.

(g) A license granted under this section shall not decrease the number of such licenses authorized to be granted to the host community under chapter 138.

Section 27. (a) A gaming licensee shall be permitted to issue credit to a patron of a gaming establishment in accordance with regulations promulgated by the commission. Such regulations shall include, but not be limited to: (i) procedures for confirming that a patron has an established credit history and is in good standing; (ii) whether the patron has a good credit history with the gaming establishment; (iii) authorization of any credit instrument; (iv) methods for acknowledging a credit instrument and payment of debt; and (v) information to be provided

1615 by the patron to the gaming establishment to be shared with the commission for auditing
1616 purposes.

1617 (b) Except as otherwise authorized by the commission through regulations under this
1618 chapter, no gaming establishment , nor any person acting on behalf of said gaming establishment
1619 shall cash any check, make any loan, or otherwise provide or allow to any person any credit or
1620 advance of anything of value, or which represents value, to enable any person to place a wager;
1621 or release or discharge any debt, either in whole or in part, or make any loan which represents
1622 any losses incurred by any player in gaming or simulcast wagering activity, without maintaining
1623 a written record of the release or discharge in accordance with the rules of the commission.
1624 Nothing in this section shall prohibit a gaming establishment from accepting credit cards for non-
1625 gaming related purchases or services.

1626 (c) Checks cashed in conformity with the requirements of this section shall be valid
1627 instruments enforceable under the laws of the commonwealth. Any check cashed, transferred,
1628 conveyed or given in violation of this section or regulations promulgated thereunder shall be
1629 invalid and unenforceable.

1630 (d) The commission shall establish procedures and standards for approving promotional
1631 gaming credits, provided, however, that no such credit shall be reported as a promotional gaming
1632 credit by an operator of a gaming establishment unless the operator can establish that the credit
1633 was issued by the gaming establishment and received from a patron as a wager at a slot machine
1634 in the gaming establishment, provided further, that such promotional gaming credit shall not be
1635 taxable for the purposes of determining gross revenue.

1636 (e) No person, other than a gaming licensee, shall issue credit to a patron in a gaming
1637 establishment.

1638 (f) The commission shall, in consultation with the department of transitional assistance,
1639 the department of labor and workforce development, the department of housing and community
1640 development or the applicable administering agency, establish by regulation procedures and
1641 standards to prohibit a gaming establishment or any person acting on behalf of a gaming
1642 establishment from: (i) cashing a government-issued check; (ii) from operating on its premises
1643 any credit card or ATM machine that would allow a patron to obtain cash from a government-
1644 issued Electronic Benefits Transfer Card; and (iii) from extending or issuing credit to a patron of
1645 a gaming establishment who receives any form of income-based public assistance including, but
1646 not limited to, the Supplemental Nutrition Assistance Program, Temporary Assistance for Needy
1647 Families, Emergency Aid to Elders, Disabled and Children, public housing assistance,
1648 MassHealth and unemployment insurance. The procedures and standards established shall
1649 ensure the privacy of all patrons receiving public assistance.

1650 (g) A person may petition the commission to place the person's name on a list of persons
1651 to whom the extension of credit by a gaming establishment shall be prohibited. Any person filing
1652 such petition shall submit to the commission the person's name, address and date of birth. The
1653 person shall not be required to provide a reason for the request. The commission shall provide
1654 this list to the credit department of each gaming establishment; provided, however, that neither
1655 the commission nor the credit department of a gaming establishment shall divulge the names on
1656 this list to any person or entity other than those provided for in this subsection. If such a person
1657 wishes to have their name removed from the list, the person shall petition the commission in
1658 accordance with procedures for removal set forth by the commission. If the commission

1659 approves the request, the commission shall so inform the credit department of the gaming
1660 establishments no later than 7 days after approving the request.

1661 (h) Debt collections under this section and regulations promulgated thereunder shall be
1662 limited to key gaming employees or attorneys acting directly on behalf of gaming licensees;
1663 provided, further, that a key gaming employee shall be prohibited from making any such
1664 collections if they serve as a junket representative for the gaming licensee.

1665 Section 28. (a) No gaming licensee shall offer to provide any complimentary services,

1671 shall be filed and approved by the commission upon the implementation of the program or
1672 maintained under regulation.

1673 (b) Gaming licensees shall submit quarterly reports to the commission covering all

1675 preceding quarter. The reports shall identify regulated complimentary services and the costs of
1676 those services, the number of people who received each service or item and such other
1677 information as the commission may require. The report shall also document any services or

1679 why they were provided.

(c) Complimentary services or items shall be valued in an amount based upon the retail price normally charged by the gaming licensee for the service or item. (c) All other employees in a gaming establishment who are not considered to be gaming employees, key gaming employees or who have restricted access to an area of the gaming establishment or knowledge of security procedures, shall be required to register with the bureau as a gaming service employee and shall produce such information as the bureau may require to become registered under this chapter.

(d) Upon receipt of an application for a key gaming employee license and a gaming employee license the bureau shall conduct an investigation of each applicant which shall include obtaining criminal offender record information from the criminal history systems board as well as exchanging fingerprint data and criminal history with the state police and the United States Federal Bureau of Investigation.

Unless otherwise stated by the commission, a temporary license issued under this section shall expire 6 months from the date of its issuance and may be renewed, at the discretion of the commission, for an additional 6 month period.

(f) The commission may deny any application for a key gaming employee or gaming employee license or the registration of any other employee of a gaming establishment if the commission finds that an applicant or registrant is disqualified under section 16 or may be unsuitable for licensure under any of the criteria set forth in section 12; provided, however, that the commission, in its discretion, may issue a license to an applicant for a gaming employee license or register a gaming service employee who has a prior conviction if the applicant or registrant can affirmatively demonstrate the applicant's rehabilitation. In considering the rehabilitation of an applicant for a license under this section, the commission shall consider the following: (i) the nature and duties of the position of the applicant; (ii) the nature and seriousness of the offense or conduct; (iii) the circumstances under which the offense or conduct occurred; (iv) the date of the offense or conduct; (v) the age of the applicant when the offense or conduct was committed; (vi) whether the offense or conduct was an isolated or repeated incident; (vii) any social conditions which may have contributed to the offense or conduct; and (viii) any evidence of rehabilitation, including recommendations and references of persons supervising the applicant since the offense or conduct was committed.

(g) After completing an investigation of an applicant for a key gaming employee or gaming employee license the bureau shall approve or deny the license. Any orders by the bureau denying an application under this section shall be accompanied with an explanation of why an applicant did not meet the qualifications for licensure under this chapter. An applicant for a key gaming employee or gaming employee license may request a hearing before the bureau to

1747 contest the findings. After the hearing the applicant may appeal the decision of the bureau to the
1748 commission and the commission may hear the appeal on the record. The decision of the
1749 commission shall be final and applicants for a key gaming employee or gaming employee license
1750 shall not be entitled to further review.

1751 (h) The commission shall be authorized to condition, suspend or revoke any license or
1752 registration under this section if the commission finds that a licensee or registrant has: (i) been
1753 arrested or convicted of a crime while employed by a gaming establishment and failed to report
1754 charges or the conviction to the commission; (ii) failed to comply with the requirements of
1755 section 14; or (iii) failed to comply with any of the requirements of this chapter pertaining to
1756 licensees.

1758 employee license which shall include costs incurred for conducting a background investigation
1759 into an applicant for a license. The commission shall establish the term of a key gaming
1760 employee and a gaming employee license. It shall be the responsibility of any key gaming
1761 employee or gaming employee to ensure that the employee's license is current.

1763 person has been licensed or registered with the commission.

1767 corporation, the name of the state under the laws of which it is incorporated, the location of its
1768 principal place of business and the names and addresses of its directors and stockholders; (iii) a

1769 criminal and arrest record; (iv) any civil judgments obtained against the person pertaining to
1770 antitrust or security regulation; (v) the identity of every person having a direct or indirect interest
1771 in the business, and the nature of such interest; provided further, that if the disclosed entity is a
1772 trust, the application shall disclose the names and addresses of all beneficiaries; provided further,

1779 references, business and personal income and disbursement schedules, tax returns and other
1780 reports filed by government agencies and business and personal accounting check records and
1781 ledgers. The commission may require such other information as it considers appropriate
1782 including, but not limited to, information related to the financial integrity of the applicant and
1783 may require the applicant to submit other documentation it considers appropriate including, but
1784 not limited to, bank accounts and records, bank references, business and personal income and
1785 disbursement schedules, tax returns and other reports filed by government agencies and business
1786 and personal accounting check records and ledgers.

1787 (c) No person shall manufacture, sell, distribute, test or repair slot machines, other than
1788 antique slot machines as defined in section 5A of chapter 271, without a valid gaming vendor
1789 license issued by the commission.

1790 (d) All other suppliers or vendors who are not considered to be gaming vendors
1791 including, but not limited to, construction companies, vending machine providers, linen

1792 suppliers, garbage handlers, maintenance companies, limousine services, food purveyors or
1793 suppliers of alcoholic beverages, shall be considered non-gaming vendors and shall be required
1794 to register with the commission and shall produce such information as the commission may
1795 require; provided, however, that the commission may require any vendor regularly conducting
1796 over \$250,000 of business with a gaming licensee within a 12-month period or \$100,000 of
1797 business within a 3-year period to be licensed as a gaming vendor.

1798 (e) Any person owning more than 5 per cent of the common stock of a company required
1799 to be licensed as a gaming vendor, or a holding, intermediary or subsidiary of such company,
1800 shall be required to file for licensure. The commission may waive the licensing requirements for
1801 institutional investors holding up to 15 per cent of the stock of the company, or holding,
1802 intermediary or subsidiary company of the such company, upon a showing by the person seeking
1803 the waiver that the applicant purchased the securities for investment purposes only and does not
1804 have any intention to influence or affect the affairs or operations of the company or a holding,
1805 intermediary or subsidiary of the such company. Any institutional investor granted a waiver
1806 which subsequently determines to influence or affect the affairs or operations of the gaming
1807 vendor, or a holding, intermediary or subsidiary of the gaming vendor, shall provide not less than
1808 30 days notice to the commission of such intent and shall file an application and be subject to the
1809 licensing requirements of this chapter before taking any action that may influence or affect the
1810 affairs of the applicant company or a holding, intermediary or subsidiary of the applicant
1811 company. Any company holding over 15 per cent of a gaming vendor, or a holding,
1812 intermediary or subsidiary of a gaming vendor, shall be licensed under this chapter.

1813 (f) If an applicant for a gaming vendor license or vendor or supplier registration is
1814 licensed or registered in another jurisdiction within the United States with comparable license

and registration requirements and is in good standing in all the jurisdictions in which it holds a license or registration, the commission may enter into a reciprocal agreement with the applicant to allow for an abbreviated licensing or registration process and issue a gaming vendor license or registration under this section; provided, however, that the commission shall reserve its rights to investigate the qualifications of an applicant at any time and may require the applicant to submit to a full application for a gaming vendor license or provide further information for registration.

(g) The bureau shall deny any application for a gaming vendor license or the registration of any other vendor or supplier if the bureau finds that any applicant or registrant is disqualified under section 16 or may be unsuitable for licensure under any of the criteria set forth in section 12.

(h) After completing an investigation of an applicant for a gaming vendor license, the bureau shall approve or deny the license. Any orders by the bureau denying an application under this section shall be accompanied with an explanation of why an applicant did not meet the qualifications for licensure under this section. An applicant for a gaming vendor license may request a hearing before the bureau to contest the findings. After the hearing the applicant may appeal the decision of the bureau to the commission and the commission may hear the appeal on the record. The decision of the commission shall be the final and applicants for a gaming vendor license shall not be entitled to further review.

(i) The commission shall be authorized to condition, suspend or revoke any license or registration under this section if the commission finds that a licensee or registrant has: (i) been arrested or convicted of a crime; (ii) failed to comply with section 13; or (iii) failed to comply with any provision of this chapter pertaining to licensees.

1837 (j) The commission shall establish a master gaming or non-gaming vendor list to monitor
1838 all vendor contracts with a gaming establishment. Any gaming or non-gaming vendor doing
1839 business with a gaming establishment who has failed to submit an application for licensure or
1840 registration shall be prohibited from engaging in any future business with a gaming
1841 establishment; provided, however, that the commission may terminate any contract that has been
1842 entered into with an unlicensed or unregistered gaming or non-gaming vendor.

1843 (k) Gaming licensees shall have a continuing duty to inform the commission of all vendor
1844 contracts.

1845 (l) A license or registration issued under this section shall be issued for a term of 3 years.
1846 It shall be the responsibility of the gaming vendor or non-gaming vendor to ensure that the
1847 license is current.

1848 (m) The commission shall establish fees for gaming vendor licenses and non-gaming
1849 vendor registrations which shall include costs incurred for conducting a background
1850 investigation into an applicant for the license.

1851 (n) The commission shall monitor the conduct of all gaming vendors and other persons
1852 having a material involvement, directly or indirectly, with a gaming vendor to ensure that
1853 gaming vendor licenses are not issued to, or held by, and there is no direct or indirect material
1854 involvement with, a gaming vendor by unqualified, disqualified or unsuitable persons.

1855 Section 32. (a) Each labor organization, union or affiliate seeking to represent employees
1856 who are employed at a gaming establishment shall register with the commission.

(b) Neither a labor organization, nor its officers who are not otherwise licensed or registered under this chapter, may hold any financial interest in a gaming establishment whose employees are represented by the organization.

Section 33. (a) No junkets may be organized or permitted and no person may act as a junket representative or junket enterprise except as authorized by the commission under this chapter.

(b) A junket representative employed by a gaming licensee or affiliate of a gaming licensee shall be licensed as a gaming employee including provisions for the issuance of a temporary license; provided, however, that the junket representative need not be a resident of the commonwealth. A person who holds a valid gaming employee license may act as a junket representative while employed by a gaming licensee or an affiliate. No gaming licensee shall employ or otherwise engage a junket representative who is not licensed under this chapter.

(c) The commission shall deny an application for a license under this section if the commission finds that an applicant is disqualified under section 16 or may be unsuitable for licensure under any of the criteria set forth in section 12.

(d) Each gaming licensee, junket representative or junket enterprise shall file a report with the bureau with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the gaming licensee, junket representative or enterprise.

(e) No junket enterprise or junket representative or person acting as a junket representative shall: (i) engage in efforts to collect upon checks that have been returned by banks without full and final payment; (ii) exercise approval authority with regard to the authorization or issuance of credit under this chapter; (iii) act on behalf of or under any arrangement with a

1879 gaming licensee or a gaming patron with regard to the redemption, consolidation or substitution
1880 of the gaming patron's checks awaiting deposit; (iv) individually receive or retain any fee from a
1881 patron for the privilege of participating in a junket; or (v) pay for any services, including
1882 transportation, or other items of value provided to, or for the benefit of, any patron participating
1883 in a junket.

1884 Section 34. (a) Upon revocation or suspension of a gaming license or upon the failure or
1885 refusal to renew a gaming license the commission may appoint a conservator to temporarily
1886 manage and operate the business of the gaming licensee relating to the gaming establishment.
1887 Such conservator shall be a person of similar experience in the field of gaming management and,
1888 in the case of replacing a gaming licensee, shall have experience operating a gaming
1889 establishment of similar caliber in another jurisdiction, and shall be in good standing in all
1890 jurisdictions in which the conservator operates operate any gaming establishment. Upon
1891 appointment, a conservator shall agree to all licensing provisions of the former gaming licensee.

1892 (b) A conservator shall, before assuming , managerial or operational duties, execute and
1893 file a bond for the faithful performance of such duties payable to the commission with such
1894 surety and in such form and amount as the commission shall approve.

1895 (c) The commission shall require that the former or suspended gaming licensee purchase
1896 liability insurance, in an amount determined by the commission, to protect a conservator from
1897 liability for any acts or omissions of the conservator during the conservator's appointment which
1898 are reasonably related to, and within the scope of the conservator's duties.

1899 (d) During the period of temporary management of the gaming establishment, the
1900 commission shall initiate proceedings under this chapter to award a new gaming license to a

1901 qualified applicant whose gaming establishment shall be located at the site of the preexisting
1902 gaming establishment.

1903 (e) Applicants for a new gaming license shall be qualified for licensure under this
1904 chapter; provided, however, that the commission shall determine an appropriate level of
1905 investment by an applicant into the preexisting gaming establishment.

1906 (f) Upon award of a new gaming license, the new gaming licensee shall pay the original
1907 licensing fee required under this chapter.

1908 Section 35. (a) The bureau shall have the authority to issue orders requiring persons to
1909 cease any activity which violates this chapter, a regulation adopted hereunder or any law related
1910 to gaming in the commonwealth. The bureau may, in its order, require compliance with such
1911 terms and conditions as are reasonably necessary to effectuate the purposes of this chapter.

1912 (b) If the bureau finds that a person is not in compliance with any order issued under this
1913 section, it shall assess a civil administrative penalty. The penalty may be assessed whether or not
1914 the violation was willful. In determining the amount of the civil penalty, the bureau shall
1915 consider: (i) the nature of the violation; (ii) the length of time the violation occurred; (iii) the risk
1916 to the public and to the integrity of gaming operations created by the conduct of the person; (iv)
1917 the seriousness of the conduct of the person; (v) any justification or excuse for such conduct by
1918 the person; (vi) the prior history of the particular person involved with respect to gaming
1919 activity; (vii) any corrective action taken by the person to prevent future misconduct; and (viii)
1920 and other relevant factors.

1921 (c) In addition to collecting any civil penalties recoverable under this chapter or any other
1922 general or special law, the bureau may bring an action in the superior court to restrain, prevent or

1923 enjoin any conduct prohibited by this chapter or to compel action to comply immediately and
1924 fully with any order issued by the bureau. Except in cases of emergency where, in the opinion of
1925 the court, immediate abatement of the unlawful conduct is required to protect the public interest,
1926 the court may in its decree fix a reasonable time during which the person responsible for the
1927 unlawful conduct may abate and correct the violation. The expense of the proceeding shall be
1928 recoverable from the subject of the proceeding.

1929 (d) Upon a recommendation from the bureau, the commission shall issue orders to
1930 condition, suspend or revoke a license or permit issued under this chapter.

1931 (e) The bureau shall issue an order to cease and desist any activity if the bureau finds that
1932 a licensee has engaged in or is about to engage in an act or practice which constitutes a violation
1933 of this chapter or laws of the commonwealth and may take such affirmative action to effectuate
1934 the order. If the bureau finds that the licensee is engaged in an act or practice that would cause
1935 irreparable harm to the security and integrity of the gaming establishment or the interests of the
1936 commonwealth in ensuring the security and integrity of gaming under this chapter, the bureau
1937 may issue a temporary suspension of the license.

1938 (f) Any licensee who has been issued a temporary order of suspension by the bureau shall
1939 be entitled to a hearing before the commission on such suspension within 7 days that the order
1940 was issued. At the conclusion of the hearing, the commission may issue a final order to
1941 condition, suspend or revoke the license in question.

1942 (g) A licensee shall have the right to an adjudicatory hearing on an order issued by the
1943 bureau under chapter 30A.

1944 Section 36. (a) The bureau may assess a civil administrative penalty on a licensee or
1945 registrant who fails to comply with any provision of this chapter or any regulation or order
1946 adopted by the commission; provided, however, that such noncompliance occurred after the
1947 bureau had given such person written notice of such noncompliance and the time stated in the
1948 notice for coming into compliance had elapsed; provided, however, that the bureau may assess
1949 such penalty without providing such written notice if such failure to comply: (i) was part of a
1950 pattern of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the
1951 result of error; (iii) resulted in a significant breach to the integrity of the gaming establishment or
1952 gaming laws of the commonwealth; and (iv) consisted of failure to promptly report to the
1953 commission any knowledge of evidence or circumstances that would cause a reasonable person
1954 to believe that a violation of this chapter had been committed. The civil administrative penalty
1955 shall be in addition to any other civil penalty that may be prescribed by law.

1956 (b) For the purpose of determining whether such noncompliance was part of a pattern of
1957 noncompliance and not an isolated instance, the bureau shall consider without limitation the
1958 following: (i) whether the bureau had previously notified the person of such noncompliance on
1959 more than one occasion during the previous month or of any noncompliance with the same
1960 provision of a law, regulation, order, license or approval as the current noncompliance during the
1961 previous 6 month period; or (ii) whether the current and previous noncompliances, considered
1962 together, indicate a potential threat to the integrity of the gaming establishment and gaming in
1963 the commonwealth or an interference with the commission's ability to efficiently and effectively
1964 regulate gaming in the commonwealth and enforce any regulation, license or order. If a licensee
1965 or registrant who has received a notice of noncompliance fails to come into compliance within

1966 the time period stated in such notice, the civil administrative penalty may be assessed by the
1967 bureau upon such licensee or registrant from the date of receipt of such notice.

1968 (c) Whenever the bureau seeks to assess a civil administrative penalty on any licensee or
1969 registrant, the bureau shall cause to be served upon such licensee or registrant, either by service,
1970 in hand, or by certified mail, return receipt requested, a written notice of its intent to assess a
1971 civil administrative penalty which shall include a concise statement of the alleged act or
1972 omission for which such civil administrative penalty is sought to be assessed, each law,
1973 regulation, order, license or approval which has not been complied with as a result of such
1974 alleged act or omission, the amount which the bureau seeks to assess as a civil administrative
1975 penalty for each such alleged act or omission, a statement of such licensee's or registrant's right
1976 to an adjudicatory hearing on the proposed assessment, the requirements such licensee or
1977 registrant must comply with to avoid being deemed to have waived the right to an adjudicatory
1978 hearing and the manner of payment thereof if such person elects to pay the penalty and waive an
1979 adjudicatory hearing. After written notice of noncompliance or intent to assess a civil
1980 administrative penalty has been given, each such day thereafter during which such
1981 noncompliance occurs or continues shall constitute a separate offense and shall be subject to a
1982 separate civil administrative penalty if reasonable efforts have not been made to promptly come
1983 into compliance.

1984 (d) Whenever the bureau seeks to assess a civil administrative penalty on any licensee or
1985 registrant, such licensee or registrant shall have the right to an adjudicatory hearing under
1986 chapter 30A whose provisions shall apply except when they are inconsistent with the provisions
1987 of this chapter.

1988 (e) Such licensee or registrant shall be deemed to have waived such right to an
1989 adjudicatory hearing unless, within 21 days of the date of the bureau's notice that it seeks to
1990 assess a civil administrative penalty, such licensee or registrant files with the bureau a written
1991 statement denying the occurrence of any of the acts or omissions alleged by the bureau in such
1992 notice, or asserting that the money amount of the proposed civil administrative penalty is
1993 excessive. In any adjudicatory hearing authorized under chapter 30A, the bureau shall, by a
1994 preponderance of the evidence, prove the occurrence of each act or omission alleged by the
1995 bureau.

1996 (f) If a licensee or registrant waives the right to an adjudicatory hearing, the proposed
1997 civil administrative penalty shall be final immediately upon such waiver. If a civil
1998 administrative penalty is assessed at the conclusion of an adjudicatory hearing, said civil
1999 administrative penalty shall be final upon the expiration of 30 days if no action for judicial
2000 review of such decision is commenced under chapter 30A.

2001 (g) Any licensee or registrant who institutes proceedings for judicial review of the final
2002 assessment of a civil administrative penalty shall place the full amount of the final assessment in
2003 an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing
2004 court. The establishment of such an interest-bearing escrow account shall be a condition
2005 precedent to the jurisdiction of the reviewing court unless the party seeking judicial review
2006 demonstrates in a preliminary hearing held within 20 days of the filing of the complaint either
2007 the presence of a substantial question for review by the court or an inability to pay. Upon such a
2008 demonstration, the court may grant an extension or waiver of the interest-bearing escrow account
2009 or may require, in lieu of such interest-bearing escrow account, the posting of a bond payable
2010 directly to the commonwealth in the amount of 125 per cent of the assessed penalty. If, after

judicial review, in a case where the requirement for an escrow account has been waived, and in cases where a bond has been posted in lieu of such requirement, the court affirms, in whole or in part, the assessment of a civil administrative penalty the commission shall be paid the amount thereof together with interest at the rate provided in section 6C of chapter 231. If, after such review in a case where an interest-bearing escrow account has been established, the court affirms the assessment of such penalty, in whole or in part, the commission shall be paid the amount thereof together with the accumulated interest in the interest-bearing escrow account. If the court sets aside the assessment of a civil administrative penalty in a case where the amount of such penalty has been deposited in an interest-bearing escrow account, the licensee or registrant on whom the civil administrative penalty was assessed shall be repaid the amount so set aside, together with the accumulated interest thereon.

(h) Each licensee or registrant who fails to pay a civil administrative penalty on time, and each person who issues a bond under this section and who fails to pay to the commission on time the amount required hereunder, shall be liable to the commonwealth for up to 3 times the amount of the civil administrative penalty, together with costs, plus interest from the time the civil administrative penalty became final and attorneys' fees, including all costs and attorneys' fees incurred directly in the collection thereof. The rate of interest shall be the rate provided in section 6C of chapter 231. The bureau shall be authorized to require that the amount of a civil administrative penalty imposed under this section exceed any economic benefit realized by a person for noncompliance.

Section 37. (a) Whoever conducts or operates, or permits to be conducted or operated, any game or gaming device in violation of this chapter or the regulations adopted under this chapter shall be punished by imprisonment in the state prison for not more than 5 years or

2034 imprisonment in the house of correction for not more than 2½ years, or by a fine not to exceed
2035 \$25,000, or both, and in the case of a person other than a natural person, by a fine not to exceed
2036 \$100,000.

2037 (b) Whoever employs, or continues to employ, an individual in a position, the duties of
2038 which require a license or registration under this chapter, who is not so licensed or registered,
2039 shall be punished by imprisonment in the house of correction for not more than 6 months or by a
2040 fine not to exceed \$10,000, or both, and in the case of a person other than a natural person, by a
2041 fine not to exceed \$100,000.

2042 (c) Whoever works or is employed in a position, the duties of which require licensing or
2043 registration under this chapter, without the required license or registration, shall be punished by
2044 imprisonment in the house of correction for not more than 6 months or a fine not to exceed
2045 \$10,000, or both.

2046 (d) A gaming licensee who, without the permission of the commission: (i) places a game
2047 or gaming device into play or displays a game or gaming device in a gaming establishment; or
2048 (ii) receives, directly or indirectly, any compensation or reward or any percentage or share of the
2049 revenue for keeping, running or carrying on a game, or owning the real property upon, or the

2133 47 of said chapter 94C, the commission shall be considered a police department, entitled to a
2134 police department's distribution of forfeiture proceedings.

2135 Section 43. (a) Whoever, being under 21 years old, plays, places wagers at or collects

2146 person other than a natural person, by a fine not to exceed \$1,000,000.

2147 Section 44. All penalties collected under this chapter shall be deposited into the Gaming
2148 Revenue Fund established under this chapter.

2149 Section 45. (a) The commission, by regulation, shall provide for the establishment of a
2150 list of excluded persons who are to be excluded from a gaming establishment. In determining
2151 the list of excluded persons, the commission may consider, but shall not be limited to: (i)
2152 whether a person has been convicted of a criminal offense under the laws of any state or the
2153 United States that is punishable by more than 6 months in a state prison, a house of correction or
2154 any comparable incarceration, a crime of moral turpitude or a violation of the gaming laws of
2155 any state; (ii) whether a person has violated or conspired to violate this chapter relating to:
2156 (A) failure to disclose an interest in a gaming establishment for which the person is required to
2157 obtain a license; or (B) willful evasion of fees or taxes; (iii) whether a person has a notorious or
2158 unsavory reputation which would adversely affect public confidence and trust that the gaming
2159 industry is free from criminal or corruptive elements; and (iv) the potential of injurious threat to
2160 the interests of the commonwealth in the gaming establishment.

2161 (b) No person shall be placed on the list of excluded persons due to race, color, religion,
2162 national origin, ancestry, sexual orientation, disability or sex.

2163 (c) The commission may revoke, limit, condition, suspend or fine a gaming establishment
2164 if such establishment knowingly or recklessly fails to exclude or eject from its premises any
2165 person placed by the commission on the list of excluded persons.

2166 (d) Whenever the commission places a name on the list of excluded persons, the
2167 commission shall serve written notice upon that person by personal service, registered or
2168 certified mail return receipt requested to the last ascertainable address, or by publication in a
2169 daily newspaper of general circulation for 1 week.

2170 (e)(1) Within 30 days of receipt of service by mail or 60 days after the last publication
2171 under subsection (d), a person placed on the list of excluded persons may request an adjudicatory
2172 hearing before the commission under chapter 30A and show cause as to why the person should
2173 be removed from the list of excluded persons. Failure to demand a hearing within the time
2174 allotted in this section shall preclude the person from having an administrative hearing, but in no
2175 way affect the person's right to petition for judicial review.

2176 (2) Upon receipt of a demand for hearing, the commission shall set a time and place for
2177 the hearing. This hearing shall be held not later than 30 days after receipt of the demand for the
2178 hearing, unless the time of the hearing is changed by agreement of the commission and the
2179 person demanding the hearing.

2180 (3) If, upon completion of the hearing, the commission determines that the person was
2181 wrongfully placed on the list of excluded persons, the commission shall remove the person's
2182 name from the list of excluded persons and notify all gaming licensees. A person aggrieved by a
2183 final decision of the commission in an adjudicatory proceeding under this section may petition
2184 for judicial review under section 14 of chapter 30A.

2185 (f) The commission shall establish a list of self-excluded persons from gaming
2186 establishments. A person may request such person's name to be placed on the list of self-
2187 excluded persons by filing a statement with the commission acknowledging that the person is a
2188 problem gambler and by agreeing that, during any period of voluntary exclusion, the person may
2189 not collect any winnings or recover any losses resulting from any gaming activity at a gaming
2190 establishment. The commission shall adopt further regulations, under section 5, for the self-
2191 excluded persons list including procedures for placement, removal and transmittal of such list to
2192 gaming establishments.

2193 (g) Gaming establishments shall not market to persons on any excluded persons list and
2194 shall deny access to complimentaries, check cashing privileges, club programs and other similar
2195 benefits to persons on the self-excluded persons list.

2196 (h) Notwithstanding any other law to the contrary, the self-excluded persons list shall not
2197 be open to public inspection. Nothing in this section, however, shall prohibit a gaming
2198 establishment from disclosing the identity of persons on the self-excluded persons list under this
2199 section to affiliated gaming establishments in this commonwealth or other jurisdictions for the
2200 limited purpose of assisting in the proper administration of responsible gaming programs
2201 operated by affiliated gaming establishments.

2202 (i) As used in this subsection the following words shall, unless the context clearly
2203 requires otherwise have the following meanings:

2204 (i) "Problem gambler", a person who chronically or habitually gambles to the extent that:
2205 (1) such gambling substantially interferes with the person's social or economic functioning; or
2206 (2) the person has lost the power of self control

2207 over that person's gambling.

2208 (ii) "Immediate family", the spouse, parent, child, brother or sister of an individual.

2209 An immediate family member or guardian may petition, in writing, a district court for an
2210 order of exclusion from gaming establishments applicable to a person whom the petitioner has
2211 reason to believe is a problem gambler. Upon receipt of a petition for an order of exclusion of a
2212 person and any sworn statements the court may request from the petitioner, the court shall
2213 immediately schedule a hearing on the petition and shall cause a summons and a copy of the
2214 petition to be served upon the person as provided by section 25 of chapter 276. The person may
2215 be represented by legal counsel and may present independent expert or other testimony. The
2216 court shall order examination by a qualified psychologist. If, after a hearing, the court based
2217 upon competent testimony finds that said person is a problem gambler and there is a likelihood
2218 of serious harm as a result of the person's gambling, the court may order that such person be
2219 prohibited from gaming in gaming establishments. The court shall communicate this order to the
2220 commission, which shall place the person's name on the list of excluded persons.

2221 (j) A person who is prohibited from gaming in a gaming establishment under this section
2222 shall not collect any winnings or recover losses arising as a result of prohibited gaming winnings
2223 obtained by a person who is prohibited from gaming in a gaming establishment shall be forfeited
2224 to the commission and deposited into the Gaming Revenue Fund.

2225 (k) The commission shall pursue an interstate compact for the purposes of sharing
2226 information

2227 regarding the excluded persons list.

2228 Section 46. No applicant for a gaming license, nor any holding, intermediary or
2229 subsidiary company thereof, nor any officer, director, key gaming employee or principal
2230 employee of an applicant for or holder of a gaming license or of any holding, intermediary or
2231 subsidiary company thereof nor any person or agent on behalf of any such applicant, holder,
2232 company or person, shall directly or indirectly, pay or contribute any money or thing of value to
2233 any candidate for nomination or election to any public office in the commonwealth or to any
2234 group, political party, committee or association organized in support of any such candidate or
2235 political party; except that the provisions of this section shall not be construed to prohibit any
2236 individual who is a candidate for public office from contributing to the candidate's own
2237 campaign.

2238 Section 47. All political contributions or contributions in kind made by an applicant for a
2239 gaming license to a municipality or a municipal employee, as defined in section 1 of chapter
2240 268A, of the host community of the applicant's proposed gaming establishment shall be
2241 disclosed, by the applicant, to the commission and the city or town clerk of the host community.
2242 Such disclosure shall be made by the applicant bi-annually, on or before July 15 for the period
2243 covering January 1 through June 30 of that year and on or before January 15 for the period
2244 covering July 1 through December 31 of the preceding year. The office of campaign and
2245 political finance shall promulgate regulations to provide for timely and expeditious public
2246 reporting, which shall include electronic means or public posting in a city or town hall and post
2247 office, by city and town clerks of the contribution disclosures they receive from applicants.

2248 Section 48. A gaming licensee shall be subject to chapters 62 through 62E, inclusive, and
2249 chapters 63 through 63B, inclusive.

2250 Section 49. (a) A gaming establishment, including any business located within a gaming
2251 establishment, shall not be a certified project within the meaning of section 3F of chapter 23A.
2252 Gaming establishments shall not be designated as economic opportunity areas within the
2253 meaning of section 3E of chapter 23A. Gaming establishments shall not be eligible for tax
2254 increment financing under section 59 of chapter 40 or special tax assessments set forth in section
2255 3E of chapter 23A. Gaming establishments shall not be classified and taxed as recreational land
2256 under chapter 61B. Gaming establishments shall not be designated as a development district
2257 within the meaning of chapter 40Q.

2258 (b) Unless otherwise provided, a gaming establishment or a business located or to be
2259 located within a gaming establishment shall not be eligible for the following credits or
2260 deductions listed in chapter 62 or chapter 63: the investment tax credit under section 31A of
2261 chapter 63, the employment credit under section 31C of said chapter 63, the van pool credit
2262 under section 31E of said chapter 63, the deduction for expenditures for industrial waste
2263 treatment or air pollution control under section 38D of said chapter 63, the deduction for
2264 compensation paid to an eligible business facility's employees domiciled in a section of
2265 substantial poverty under section 38F of said chapter 63, the film tax credit under subsection (l)
2266 of section 6 of chapter 62 and section 38X of said chapter 63, the alternative energy sources
2267 deduction under section 38H of said chapter 63, the research expense credit under section 38M
2268 of said chapter 63, the economic opportunity area credit under subsection (g) of section 6 of said
2269 chapter 62, and section 38N of said chapter 63, the abandoned building deduction under
2270 subparagraph (10) of subsection (a) of Part B of section 3 of said chapter 62 and section 38O of
2271 said chapter 63, the harbor maintenance tax credit under section 38P of said chapter 63, the
2272 brownfields credit under subsection (j) of section 6 of said chapter 62 and section 38Q of said

2273 chapter 63, the historic rehabilitation tax credit under section 6J of said chapter 62 and section
2274 38R of said chapter 63 and the automatic sprinkler system depreciation deduction under section
2275 38S of said chapter.

2276 Section 50. Any liability to the commonwealth under this chapter shall constitute a debt
2277 to the commonwealth. Once a statement naming a gaming licensee is recorded, registered or
2278 filed, any such debt shall constitute a lien on all commercial property owned by a gaming
2279 licensee in the commonwealth and shall have priority over an encumbrance recorded, registered
2280 or filed with respect to any site.

2281 Section 51. (a) Prior to disbursement of cash or a prize in excess of \$600, a gaming
2282 licensee shall review information made available by the IV-D agency, as set forth in chapter
2283 119A and by the department of revenue to ascertain whether the winner of the cash or prize owes
2284 past-due child support to the commonwealth or to an individual to whom the IV-D agency is
2285 providing services and to ascertain whether the winner of the cash or prize owes any past-due tax
2286 liability to the commonwealth.

2287 (b) If the winner of the cash or prize owes past-due child support or a past-due tax
2288 liability, the gaming licensee shall notify the IV-D agency or the commonwealth, respectively, of
2289 the winner's name, address and social security number. Subsequent to statutory state and federal
2290 tax withholding, the gaming licensee shall first disburse to the IV-D agency the full amount of
2291 the cash or prize or such portion of the cash or prize that satisfies the winner's past-due child
2292 support obligation.

2293 (c) If funds remain available after the disbursement to the IV-D agency or if no such
2294 obligation to the IV-D agency is owed, the gaming licensee shall disburse to the department of

2295 revenue the full amount of the cash or prize or such portion of the cash prize that satisfies the
2296 winner's past-due tax liability. The licensee shall disburse to the holder only that portion of the
2297 prize, if any, remaining after the holder's past-due child support obligation and the holder's past-
2298 due tax liability have been satisfied.

2299 Section 52. Gaming licensees shall, on a monthly basis, transmit to the department of
2300 transitional assistance and to the IV-D agency, as set forth in chapter 119A, a list of all persons
2301 who were awarded cash winning or a prize in excess of \$600 in the prior month. The information
2302 shall be provided in a format which is compatible with the automated data processing systems of
2303 the department and the IV-D agency to ensure the immediate identification of persons who may
2304 be receiving public assistance benefits. The information provided shall include the name, address
2305 and social security number of the person who was awarded the cash or prize valued in excess of
2306 \$600.

2307 Section 53. Unclaimed cash and prizes shall be retained by the gaming licensee for the
2308 person entitled to the cash or prize for 1 year after the game in which the cash or prize was won.
2309 If no claim is made for the cash or prize within 1 year, the cash or equivalent cash value of the
2310 prize shall be deposited in the Gaming Revenue Fund established in section 59.

2311 Section 54. If the person entitled to cash or a prize is under the age of 21 years, the cash
2312 or prize shall be remitted to the commission and deposited into the Gaming Revenue Fund
2313 established in section 59.

2314 Section 55. (a) A category 1 licensee shall pay a daily tax of 25 per cent on gross gaming
2315 revenues.

2316 (b) A category 2 licensee shall pay a daily tax of 40 per cent on gross gaming revenue.

2317 (c) In addition to the tax imposed under subsection (b), a category 2 licensee shall pay a
2318 daily assessment of 9 per cent of their gross gaming revenue to the Massachusetts race horse
2319 development fund established in section 60.

2320 (d) Taxes imposed under this section shall be remitted to the commission by a gaming
2321 licensee the day following each day of wagering.

2322 Section 56. (a) In addition to any other tax or fee imposed by this chapter, there shall be
2323 imposed an annual license fee of \$600 for each slot machine approved by the commission for use
2324 by a gaming licensee at a gaming establishment; provided, however, that not sooner than 5 years
2325 after award of an original gaming license, the commission may annually adjust the fee for
2326 inflation. The fee shall be imposed as of July 1 of each year for all approved slot machines on
2327 that date and shall be assessed on a pro rata basis for any slot machine approved for use
2328 thereafter.

2329 (b) The commission shall establish fees for any investigation into a violation of this
2330 chapter or regulation promulgated thereunder by a gaming licensee to be paid by the gaming
2331 licensee, including, but not limited to, billable hours by commission staff involved in the
2332 investigation and the costs of services, equipment or other expenses that are incurred by the
2333 commission during the investigation.

2334 (c) Any remaining costs of the commission necessary to maintain regulatory control over
2335 gaming establishments that are not covered by: (i) the fees set forth in subsections (a) and (b);
2336 (ii) any other fees assessed under this chapter; or (iii) any other designated source of funding,
2337 shall be assessed annually on gaming licensees under this chapter in proportion to the number of

2338 gaming positions at each gaming establishment. Each gaming licensee shall pay the amount
2339 assessed against it within 30 days after the date of the notice of assessment from the commission.

2340 (d) If the fees collected in subsections (a) and (b) exceed the cost required to maintain
2341 regulatory control, the surplus funds shall be credited in proportional shares against each gaming
2342 licensee's next assessment.

2343 (e) In addition to the fees collected under this section and any additional costs of the
2344 commission, the commission shall assess an annual fee of not less than \$5,000,000 in
2345 proportional shares against each gaming licensee in proportion to the number of gaming
2346 positions at each gaming establishment for the costs of service and public health programs
2347 dedicated to addressing problems associated with compulsive gambling. Such assessed fees shall
2348 be deposited into the Public Health Trust Fund established in section 58.

2349 (f) All fees and assessments collected under this section, except those collected under
2350 subsection (e), shall be deposited into the Gaming Control Fund established in section 57.

2351 Section 57. (a) There shall be established and set up on the books of the commonwealth a
2352 separate fund to be known as the Massachusetts Gaming Control Fund. The commission shall be
2353 the trustee of the fund and shall expend monies to finance operational activities of the
2354 commission. The fund shall be credited any appropriations, bond proceeds or other monies
2355 authorized by the general court and specifically designated to be credited thereto, the proceeds of
2356 the assessments levied under section 56, application fees for licenses issued under this chapter
2357 and such additional funds as are subject to the direction and control of the commission. All
2358 available monies in the fund that are unexpended at the end of each fiscal year shall not revert to
2359 the General Fund and shall be available for expenditure in the subsequent fiscal year. Any funds

2360 unexpended in any fiscal year for the purposes of which such assessments were made shall be
2361 credited against the assessment to be made in the following fiscal year and the assessment in the
2362 following fiscal year shall be reduced by any such unexpended amount. The commission shall
2363 record all expenditures made by subsidiary on the Massachusetts management and accounting
2364 reporting system, so-called, according to regulations established by the state comptroller.

2365 (b) The commission shall, for the purposes of compliance with state finance law, operate
2366 as a state agency as defined in section 1 of chapter 29 and shall be subject to the provisions
2367 applicable to agencies under the control of the governor including, but not limited to, chapters 7,
2368 7A, 10 and 29; provided, however, that the comptroller may identify any additional instructions
2369 or actions necessary for the commission to manage fiscal operations in the state accounting
2370 system and meet statewide and other governmental accounting and audit standards. Unless
